Jackson Rivers has always bucked the rules, and bucking the rules of recovery is no exception. Now that he and Ellery are starting their own law firm, there's no reason he can't rush into trouble and take the same risks as always. Right. Maybe not. Their first case is a doozy involving porn stars, drug empires, and daddy issues, and their client Henry Worrall wants to be an active participant in his own defense. As Henry and Jackson fight the bad guys and each other to find out who dumped the porn star in the trash can, Jackson must reexamine his assumptions that four months of rest and a few good conversations have made him all better. Inside Jackson keeps crashing his bicycle of self-care and a successful relationship, and Ellery wonders what's going to give out first: Jackson's health or Ellery's patience. Jackson's body hasn't forgiven him for past crimes. Can Ellery forgive him for his current sins? And can they keep Henry from going to jail for sleeping with the wrong guy at the wrong time? Being a fish out of water is tough, but if you give a fish a bicycle, how's he going to swim. **Plain Talk**, 1929. **Kids Killing Kids** Thomas K. Capozzoli, R. Steve McVey, 1999-12-16. Littleton, Colorado; Conyers, Georgia; Pearl, Mississippi; Jonesboro, Arkansas; Springfield, Oregon. In the aftermath of the latest incidences of school violence, *Kids Killing Kids: Managing Violence and Gangs in Schools* tackles the tough questions: How do we find out which students are potentially violent? What do we do with them? Is there an epidemic of children whose psychological problems go undetected until they erupt in violence? Are the parents really responsible? Parents, administrators, fellow students, the media: we all look for someone to blame. Kids who look or act different fall under suspicion. The cry goes out for more gun control, less violence in television movies and video games. President

Clinton calls a conference to address violence in the media Add gangs to this mix and the situation becomes explosive A factor in inner city schools for years new evidence suggests that gangs are now recruiting new members from suburban schools Violence from conflicts between rival gangs adds to the already volatile atmosphere in schools While not all violence can be anticipated there is no substitute for being proactive Kids Killing Kids Managing Violence and Gangs in Schools serves as a guide for detection intervention and prevention providing solutions for our schools
