

# HALLOWEEN STORY

Halloween is a traditional celebration that began in Europe hundreds of years ago. At that time, some people believed that ghosts of dead people visited living people. Nowadays it is a special day in several countries around the world, but it is perhaps most popular in Canada and the United States. It always falls on the same date every year: October 31. Around this time, people like to tell scary stories and watch horror movies. In the evening on October 31, children wear costumes. These are clothes that make them look like interesting animals, monsters or people. They might be very funny or they might be quite scary. The costumes often include a face mask or some make-up painted on the person's face. For

example, on Halloween you might see a dinosaur or an elephant, a witch with a tall, black hat, or maybe even a ghost. Children then go from house to house and ask for candy by saying, "Trick or treat?" Many older kids and adults also put on costumes and go to Halloween parties. Jack - o' lanterns are very common during this time. A lot of people like to put them in their windows or just outside their doors. They are pumpkins with lights inside and faces cut into them. In Mexico, a similar traditional celebration is called 'The Day of the Dead' – family and friends come together for three days to pray for and remember people who have died. Most people, both young and old, have a lot of fun on Halloween. "Happy Halloween" everyone!

**Heroes, and Kings : The Battle for Mythic Britain** Christopher R. Fee Assistant Professor of English Gettysburg College, David A. Leeming Professor of English & Comparative Literature University of Connecticut (Emeritus), 2001-10-18 The islands of Britain have been a crossroads of gods heroes and kings those of flesh as well as those of myth for thousands of years Successive waves of invasion brought distinctive legends rites and beliefs The ancient Celts displaced earlier indigenous peoples only to find themselves displaced in turn by the Romans who then abandoned the islands to Germanic tribes a people themselves nearly overcome in time by an influx of Scandinavians With each wave of invaders came a battle for the mythic mind of the Isles as the newcomer s belief system met with the existing systems of gods legends and myths In Gods Heroes and Kings medievalist Christopher Fee and veteran myth scholar David Leeming unearth the layers of the British Isles unique folkloric tradition to discover how this body of seemingly disparate tales developed The authors find a virtual battlefield of myths in which pagan and Judeo Christian beliefs fought for dominance and classical Anglo Saxon Germanic and Celtic narrative threads became tangled together The resulting body of legends became a strange but coherent hybrid so that by the time Chaucer wrote The Wife of Bath s Tale in the fourteenth century a Christian theme of redemption fought for prominence with a tripartite Celtic goddess and the Arthurian legends of Sir Gawain itself a hybrid mythology Without a guide the corpus of British mythology can seem impenetrable Taking advantage of the latest research Fee and Leeming employ a unique comparative approach to map the origins and development of one of the richest folkloric traditions Copiously illustrated with excerpts in translation from the original sources Gods Heroes and Kings provides a fascinating and accessible new perspective on the history of British mythology *Bucket List Books for the Halloween* H.
