Christ William Leighton Grane,2015-06-30 Excerpt from Hard Sayings of Jesus Christ A Study in the Mind and Method of the Master In a former volume the present writer has endeavoured to define the principles upon which a reasonable faith in the Inspiration of Holy Scripture may securely rest As one of these principles it was recognised that a difference of weight and value attaches to different parts of the Library we call the Bible Now one of these parts is plainly of paramount importance For few will fail to find the very heart and soul of the biblical body in the words of The Word of God Himself By this the core of Christianity its claim on the hearts and lives of men must finally be judged And upon their acceptance or rejection of this the future of the Faith must eventually depend About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Hard Sayings of Jesus** Arnold

Amid much unbridled controversy on matters intrinsically trivial it is at least a hopeful sign in the religious outlook of to day that the thoughtful of every school seem more than ever disposed to turn for guidance and relief to a study of the Mind of Christ And surely the Master s Message is for all To the disciples of Reason it is He Who cries Which of you convicteth Me of sin If I say Truth why do ye not believe Me To the bewildered seekers after Authority it is He Who declares Heaven and earth shall pass away but My words shall not pass away And this the most astounding claim imaginable on the lips of an outcast Teacher the Centuries have justified so justified one would have thought as clearly to indicate even to bewildered seekers the true seat of Authority in matters of Religion Among the authoritative and reason compelling Words of Jesus Christ however some undoubtedly cause trouble to thinking minds Appearing on a shallow acquaintance either impracticable or reasonless they not only fail of authority but sow the seeds of doubt The object therefore of this book is the lessening of such perplexities by setting forth the principles which seem to elucidate the Teaching of the Master It is an attempt to construe the meaning of some of the more striking of Christ s hard sayings Others here untouched might no doubt easily be cited But the aim of the writer has not been to exhaust the verbal difficulties in the recorded utterances of our Lord He has rather sought to examine the Master s method and to illustrate its underlying principles by a number of examples perhaps sufficient to enable the reader to apply those principles in solving other problems for himself
