**The Longest Goodbye: A Family's Hope-Filled Journey Through Alzheimer's** Shelly Calcagno, 2022-11-15 Are we ever ready to say goodbye She looked out into the yard sprinkled with spring dandelions Yellow flowers she said searching for her words We knew something wasn t right That s when things began to fall apart for our family when our longest goodbye journey began the defining before and after moment And now looking back it s been almost a decade of slow loss and drawn out grief as we slowly let go of our beautiful mom In the middle of it all though we have learned to look for hope and chase down joy discovering that in spite of our pain there are always gifts to be found even on the hardest of days Alzheimer s disease affects almost fifty million people worldwide It touches people across every walk of life So how do millions of people figure out how to love as they let go The Longest Goodbye is a collection of stories and moments not just about the clinical side of memory loss but the emotional heart journey It is a story that shows how joy and grief are often intertwined and wrapped up together in the glorious mess of life The Longest Goodbye encourages readers to remember the ones they love while they are still here

The Hardest Goodbye Tonya Ranelle Mitchell,Trey Mitchell,Ty Mitchell,2004-09-01 Written as a way to speak to her autistic sons this is much more than just a book of poems It is a secret kept between friends It is a story of love and of trusting in faith The most intimate feelings are expressed in these honest and familiarly painful written words This ironically is the least intimate form of expression It is because of this balance or paradox her words live on far beyond When you finish the book you will feel you have made a friend This friend is close and far away With this there is a promise of both a connection and an impasse This is the hardest goodbye

The Hardest Goodbye Jacqueline Vasquez,2018-08-11 Often when people think of being in love they think of someone doing something to make them happy but someone making you happy is simply BEING LOVED Love is wanting someone else to be happy even if that happiness doesn t come from you love is putting your ego and feelings aside because you want what s best for them No Love isn t for you if you think of love and you think of yourself and think of how it can benefit you Love is not what you can get but what you are willing to give Loving someone even when they are unlovable Love is not to take up space I am at a place in life where it physically drains me to put effort into individuals that have expirations dates into people that I wouldn t talk to unless I reached out first At some point we lose compassion and a sense of humanity when we think of love as our own personal gain I like to think that my purpose in life is not just for myself but something much greater something that tells me to love without limits and without expecting anything in return
