**The Healing Power of Peace and Nonviolence** Bernhard Häring, 1988      **Diverse Voices in Modern US Moral Theology** Charles E. Curran, 2019-02-15 In Charles E Curran s latest book *Diverse Voices in Modern US Moral Theology* he presents the diverse voices of US Catholic moral theologians from the mid twentieth century to the present The book discusses eleven key individuals in the development and evolution of moral theology as well as the New Wine New Wineskins movement This diversity which differs from the monolithic understanding of moral theology that prevailed until recently comes from the diverse historical circumstances or Sitz im Leben of the authors Each of these theologians developed her or his approach in light of these circumstances and in response to shifts in the three audiences of moral theology the Church the academy and the broader society By exploring this diversity Curran recognizes the deep divisions that exist within Catholic moral theology between the so called liberal and conservative approaches and acknowledges the need for greater dialogue between them providing a deeper understanding of the methods and approaches of these significant figures This new book from a major figure in the field will be an important resource for students and scholars of US Catholic moral theology and for anyone seeking to understand the current state of moral theology in America today      **Peacemaking and the Challenge**

**of Violence in World Religions** Irfan A. Omar, Michael K. Duffey, 2015-06-22 Written by top practitioner scholars who bring a critical yet empathetic eye to the topic this textbook provides a comprehensive look at peace and violence in seven world religions Offers a clear and systematic narrative with coverage of Buddhism Christianity Confucianism Hinduism Islam Judaism and Native American religions Introduces a different religion and its sacred texts in each chapter discusses ideas of peace war nonviolence and permissible violence recounts historical responses to violence and highlights individuals within the tradition working toward peace and justice Examines concepts within their religious context for a better understanding of the values motivations and ethics involved Includes student friendly pedagogical features such as enriching end of chapter critiques by practitioners of other traditions definitions of key terms discussion questions and further reading sections

**Soteriologies of India and Their Role in the Perception of Disability** Anand Rao, 2004 At the turn of the century and the beginning of the new Millennium India has made extraordinary industrial and economic progress At the same time the sub continent is faced with innumerable problems in the area of basic social services Religion plays an important role in the interpersonal relationship and social interaction of the people Religion is not only worship and prayer but dictates such factors as who could come in physical contact with the other and who has the right to draw water from a well and who is deprived of it Because of these factors it is necessary to look at the perception of disability in the soteriologies of India This study confines itself to Hinduism as the major religion of India that is based on the achievement of salvation and thus to escape the cycle of birth death and rebirth and Christianity on the other hand that is involved in trying to improve the conditions of the poor and the needy and its main precept is the love of neighbours It would be interesting to pursue these

distinctions in reviewing the perception of disability in both these religions      *The Healing Power of the Gospel of Peace and Nonviolence* Bernhard Häring (C.S.S.R.),1986      **Peacemaking Christians** Michael K. Duffey,1995 In light of modern warfare and modern Catholic teaching Duffey examines and assesses three Christian approaches to peace and war Through extensive ethical analysis of the Gulf War he examines the role of the churches to avert war the use of economic sanctions and the aftereffects of the war in the Middle East Duffey also evaluates the use of military force to overcome the ethnic conflicts in Bosnia and Somalia and recent successful resolutions      **Nonviolent Action** Ronald J. Sider,2015-02-10 There are numerous examples throughout history of effective nonviolent action Nonviolent protesters defied the Soviet Empire s communist rulers Gandhi s nonviolent revolution defeated the British Empire and Martin Luther King Jr s peaceful civil rights crusade changed American history Recent scholarship shows that nonviolent revolutions against injustice and dictatorship are actually more successful than violent campaigns In this book noted theologian and bestselling author Ron Sider argues that the search for peaceful alternatives to violence is not only a practical necessity in the wake of the twentieth century the most bloody in human history but also a moral demand of the Christian faith He presents compelling examples of how nonviolent action has been practiced in history and in current social political situations to promote peace and oppose injustice showing that this path is a successful and viable alternative to violence      Military Chaplains' Review ,1988
