the glamour of the 1950s remakes by Douglas Sirk Sirk is a far from neglected figure Stahl's much longer Hollywood career deserves attention and celebration in its own right as this book definitively shows Drawing on a wide range of film and document archives scholars from three continents come together to cover Stahl's work as director and also producer from its beginnings during World War I to his death as a still active filmmaker in 1950 Between them they make a strong case for Stahl as an important figure in cinema history and as author of many films that still have the power to move their audiences

Stassinopoulos, 2013-05-01 Unbinding the Heart invites us on an inspiring journey of inner exploration to reconnect with our true selves Born in Greece a country that celebrates life Agapi Stassinopoulos learned the essential truths of happiness through the examples of wisdom caring playfulness and generosity she saw all around her starting with her own mother She came to realize that we are all born with open hearts but that we quickly learn to put conditions on our happiness comparing ourselves to others casting judgment doubting ourselves allowing fear or entitlement or self righteousness to take hold and slowly our hearts begin to close We isolate ourselves feeling alone disconnected and unheard and in doing so we immobilize our spirit stifle our authentic expression and cut off our joy As she went on Agapi like so many of us came under the soul constricting influences of the larger world In her struggle to find her place and her voice trying to balance the acting career she dreamed of with the spiritual life she longed for she discovered a path that was uniquely hers Unbinding the Heart shows

how she found her way home to herself In 32 personal heartfelt stories full of insight and humor Agapi takes us from her mother's bountiful kitchen where the seeds of fearless living were planted to the London classical stage to an epiphany on a New York City bus and inspires us with the confidence to let go of the beliefs that bind us and come to a deeper understanding of life and love

**Illuminating the Heart** Stavroula Kalogeras, 2017-09-01 We are all searching for meaning and purpose In the age where identity formation comes from what we purchase and own people have lost touch with their authentic self The book provides a way to find meaning and purpose through education Biblical reference and storytelling The boundaries of fact and fiction are crossed by narrative and factual text as well as story in the form of a screenplay which collectively provides perception and experience toward the truth of being Jesus told stories to inform to emphasize his points and to provide life changing experiences and so it is that this method is followed in the current work The author argues for logical reasoning and coherent research as well as moral humans and compassionate educators which aligns with Christian philosophy and is supported by extensive literature review and research The work of research shifts from the brain to brain heart connectivity and the overarching message is to seek God for direction bear a strong moral character and teach like Jesus

**Straight to the Heart** Daniel Blackaby, Mike Blackaby, 2024-08-06 Our approach to apologetics needs to change when the very idea of truth is controversial But as authors

Daniel Blackaby and Mike Blackaby teach us we can still reach people if we understand what they value most This practical guide to our current landscape explores five effective communication pathways Story As people wired for narrative we can speak through the stories we live and tell Beauty In an increasingly industrialized world we can point people to pockets of beauty that reveal the attractiveness of God Art In a society that celebrates the arts we can cultivate creativity in the church then send artists out as cultural missionaries Desire To a people motivated by love identity and purpose we can show how Jesus is the perfect fulfillment of our deepest longings Community As relational creatures where connectivity is disappearing we can offer a community of unified diversity Culture may be in flux but God s Word remains true Straight to the Heart helps us speak to the passions that drive our culture without compromising the life changing truth of the gospel Where the Heart Beats Kay Larson,2013-07-30 A heroic biography of John Cage and his awakening through Zen Buddhism a kind of love story about a brilliant American pioneer of the creative arts who transformed himself and his culture The New York Times Composer John Cage sought the silence of a mind at peace with itself and found it in Zen Buddhism a spiritual path that changed both his music and his view of the universe Remarkably researched exquisitely written Where the Heart Beats weaves together a great many threads of cultural history Maria Popova Brain Pickings to illuminate Cage s struggle to accept himself and his relationship with choreographer Merce Cunningham Freed to be his own man Cage originated exciting experiments that set him at the epicenter of a new avant garde forming in the 1950s Robert Rauschenberg Jasper Johns Andy Warhol Yoko Ono Allan Kaprow Morton Feldman and Leo Castelli were among those influenced by his teaching and preaching Where the Heart Beats shows the blossoming of Zen in the very heart of American culture *Modern Cemetery*,1924
