**The Heart of Work** SV Nathan,2022-12-26 Work overall is about getting things done and the heart does not normally figure in it But in my many years of work I have seen that the heart has a huge influence on what happens to us what happens around us and what propels us to action Most often people believe building a career is about setting targets and pursuing them relentlessly In this pursuit people sometimes don t mind taking shortcuts and stepping on others toes to move up But those who pursue such a path often forget that the values one upholds in life often carry over into work as well and it is these values that describe a leader the best humility an ability to listen to others an emotional connect with those you work with and building a culture that goes beyond just single minded focus on targets and revenue In *The Heart of Work* SV Nathan takes us through the length and breadth of his long career that defines work success and happiness Nathan captures pivotal moments that left a deep imprint on him at various points and shaped his life and career These insights told with authenticity and coupled with the benefit of hindsight provide great learning opportunities for readers Narrated in a non preachy jargon less manner the stories in this book will help readers seek and discover their own anchors unlocking their true potential      Divine Grace Of Shri Shirdi Sai Baba Dr. S. Ewer,2019-11-20 In Cancer and the Heart third edition Dr Ewer and colleagues at MD Anderson are joined by national and international authorities who contributed to the 28 chapters of this volume The various authors present their insights into the effects of anticancer drugs and radiation treatment on the heart and other organ systems Discussions are advanced on imaging strategies and techniques with an emphasis on specific clinical problems experienced by physicians and their patients Readers will find a useful reference intended to help them recognize the decision making dilemmas they face providing optimal tumor management and a useful resource to help them and their cancer patients cope with inevitable challenges     Out from the Heart James Lane Allen, As the heart so is the life The within is ceaselessly becoming the without Nothing remains unrevealed That which is hidden is but for a time it ripens and comes forth at last Seed tree blossom and fruit is the fourfold order of the universe From the state of a man s heart proceed the conditions of his life his thoughts blossom into deeds and his deeds bear the fruitage of character and destiny Life is ever unfolding from within and revealing itself to the light and thoughts engendered in the heart at last reveal themselves in words actions and things accomplished As the fountain from the hidden spring so issues man s life from the secret recesses of his heart All that he is and does is generated there All that he will be and do will take its rise there Sorrow and gladness suffering and enjoyment hope and fear hatred and love ignorance and enlightenment are nowhere but in the heart they are solely mental conditions Man is the keeper of his heart the watcher of his mind the solitary sentinel of his citadel of life As such he can be diligent or negligent He can keep his heart more and more carefully he can more strenuously watch and purify his mind and

he can guard himself against the thinking of unrighteous thoughts this is the way of enlightenment and bliss On the other hand he can live loosely and carelessly neglecting the supreme task of rightly ordering his life this is the way of self delusion and suffering Let a man realize that life in its totality proceeds from the mind and lo the way of blessedness is opened up to him For he will then discover that he possesses the power to rule his mind and to fashion it in accordance with his Ideal So will he elect to strongly and steadfastly walk those pathways of thought and action which are altogether excellent to him life will become beautiful and sacred and sooner or later he will put to flight all evil confusion and suffering for it is impossible for a man to fall short of liberation enlightenment and peace who guards with unwearying diligence the gateway of his heart
