**Intended as Helps to the Spiritual Life of Ordinary Christians** Edward Collett (Vicar of Bowerchalke.),1874     The Oxford Handbook of Restoration Literature Matthew C. Augustine,Steven N. Zwicker,2024-10-22 The Oxford Handbook of Restoration Literature begins by asking if there was a distinctive literature of the Restoration For a long time the answer seemed obvious heroic drama libertine comedy scandalous lyrics and the short but brilliant career of John Wilmot earl of Rochester Could there be an age when the coincidence of literary culture and political rule were any more obvious But as this Handbook will remind us some of the most wonderful literature of this Restoration came from writers who had lived across the decades of turbulence and into an age when the Stuart kings returned when the Church and House of Lords were restored a world made safe for bishops and for the memory of divine right rule Of course these returns and restorations did not meet with uniform celebration John Milton wrote his great epic poems not in quiet submission but in a kind of resistance to the dominant culture of the 1660s and Andrew Marvell produced his most brilliant satiric verse by holding up a looking glass to court corruption and Anglican intolerance So we begin with the most obvious conclusion Restoration literature does and does not fit to the categories that so long defined the late Stuart age This book explores and contests challenges and reimagines the experience embodied by the writing of the late Stuart world and invites readers new to this world and those who have often read its literatures to the pleasures but as well to the challenges and discomforts of its texts     The Oxford Handbook of English Literature and Theology Andrew Hass,David Jasper,Elisabeth Jay,2007-03-15 A defining volume of essays in which leading international scholars apply an interdisciplinary approach to the long and evolving relationship between English Literature and Theology     **The Oxford Handbook of Early Christian Studies** Susan Ashbrook Harvey,David G. Hunter,2008-09-04 Provides an introduction to the academic study of early Christianity c 100 600 AD and examines the vast geographical area impacted by the early church in Western and Eastern late antiquity from publisher description     *T&T Clark Handbook of Ecclesiology* Kimlyn J. Bender,D. Stephen Long,2020-10-15 Divided into 3 parts this handbook provides a wide ranging survey and analysis of the Christian Church The first section addresses the scriptural foundations of ecclesiology the second section outlines the historical and confessional aspects of the topic and the final part discusses a variety of contemporary and topical themes in ecclesiology Compiled and written by leading scholars in the field the T T Clark Handbook of Ecclesiology covers a range of key topics in the context of their development and importance in each stream of historic Christianity and the confessional traditions The contributors cover traditional matters such as creedal notes but also tackle questions of ordination orders of ministry and sacraments This handbook is extensive enough to provide a true overview of the field but the essays are also concise enough to be read as reference selections     **The Oxford Handbook of John Bunyan** Michael Davies,W. R. Owens,2018-07-12 The Oxford Handbook of John Bunyan is the most extensive volume of original essays ever published on the seventeenth century Nonconformist preacher and writer John Bunyan Its thirty eight chapters examine Bunyan s life and works their religious and historical contexts and the critical

reception of his writings in particular his allegorical narrative *The Pilgrim's Progress* Interdisciplinary and comprehensive it provides unparalleled scope and expertise ranging from literary theory to religious history and from theology to post colonial criticism The Handbook is structured in four sections The first Contexts deals with the historical Bunyan in relation to various aspects of his life background and work as a Nonconformist from basic facts of biography to the nature of his church at Bedford his theology and the religious and political cultures of seventeenth century Dissent Part 2 considers Bunyan's literary output from his earliest printed tracts to his posthumously published works Offering discrete chapters on Bunyan's major works *Grace Abounding to the Chief of Sinners* 1666 *The Pilgrim's Progress* Parts I and II 1678 1684 *The Life and Death of Mr Badman* 1680 and *The Holy War* 1682 this section nevertheless covers Bunyan's oeuvre in its entirety controversial and pastoral narrative and poetic Section 3 Directions in Criticism engages with Bunyan in literary critical terms focusing on his employment of form and language and on theoretical approaches to his writings from psychoanalytic to post secular criticism Section 4 Journeys tackles some of the ways in which Bunyan's works and especially *The Pilgrim's Progress* have travelled throughout the world since the late seventeenth century assessing Bunyan's place within key literary periods and their distinctive developments from the eighteenth century novel to the writing of empire
