Fiore dei Liberi's Armizare Robert N. Charrette, 2011-12-31 Armizare the Art of Arms was the name the warriors of medieval Italy gave to their martial art which included the wielding of sword axe and spear with wrestling knife fighting and mounted combat In the waning years of the 14th century Fiore dei Liberi was a famed master of this art whose students included some of the most renowned and dangerous fighting men of his day Toward the end of his life Master Fiore preserved his teachings in a series of illustrated manuscripts four of which have survived to the present day and have become the basis of a world wide effort to reconstruct this lost martial art However because medieval books were written for an audience with different expectations than the modern readers how to manuals today's students often have trouble understanding the old swordsman's choices in including omitting or organizing information as he did They may see that fighting art was a system but lack the background to see the systematic instruction of the book itself In Armizare The Chivalric Martial Arts System of il Fior di Battaglia Robert Charrette brings together his experiences as a martial artist and respected 14th century living historian with his skills as a professional author graphic artist to not only take readers on a walking tour of Master Fiore's manuscripts but into the mindset behind its creation More than just an interpretation of an old book's contents this is a tool kit that reveals Fiore dei Liberi's brilliance as not just a fighter but as martial arts teacher Whether a long time student a newcomer to the art or a more academic devotee of the medieval warrior and his craft readers will find themselves educated and entertained as a door is opened into another time and place the training hall of the medieval knight

Return of a King William Dalrymple, 2013-04-16 From William Dalrymple award winning historian journalist and travel writer a masterly retelling of what was perhaps the West's greatest imperial disaster in the East and an important parable of neocolonial ambition folly and hubris that has striking relevance to our own time With access to newly discovered primary sources from archives in Afghanistan Pakistan Russia and India including a series of previously untranslated Afghan epic poems and biographies the author gives us the most immediate and comprehensive account yet of the spectacular first battle for Afghanistan the British invasion of the remote kingdom in 1839 Led by lancers in scarlet cloaks and plumed helmets and facing little resistance nearly 20 000 British and East India Company troops poured through the mountain passes from India into Afghanistan in order to reestablish Shah Shuja ul Mulk on the throne and as their puppet But after little more than two years the Afghans rose in answer to the call for jihad and the country exploded into rebellion This First Anglo Afghan War ended with an entire army of what was then the most powerful military nation in the world ambushed and destroyed in snowbound mountain

passes by simply equipped Afghan tribesmen Only one British man made it through But Dalrymple takes us beyond the bare outline of this infamous battle and with penetrating balanced insight illuminates the uncanny similarities between the West's first disastrous entanglement with Afghanistan and the situation today He delineates the straightforward facts Shah Shuja and President Hamid Karzai share the same tribal heritage the Shah's principal opponents were the Ghilzai tribe who today make up the bulk of the Taliban's foot soldiers the same cities garrisoned by the British are today garrisoned by foreign troops attacked from the same rings of hills and high passes from which the British faced attack Dalrymple also makes clear the byzantine complexity of Afghanistan's age-old tribal rivalries the stranglehold they have on the politics of the nation and the ways in which they ensnared both the British in the nineteenth century and NATO forces in the twenty-first Informed by the author's decades-long firsthand knowledge of Afghanistan and superbly shaped by his hallmark gifts as a narrative historian and his singular eye for the evocation of place and culture *The Return of a King* is both the definitive analysis of the First Anglo-Afghan War and a work of stunning topicality

Male Jealousy Louis Lo, 2008-03-08 Male Jealousy: Literature and Film is a critical and cultural theory-based study of male jealousy in western culture and its connections with paranoia By tracing the meanings of jealousy and the representation of jealous men married or unmarried heterosexual or homosexual Lo argues that jealousy is promoted within patriarchy and within what Derrida characterises as logocentrism where to love is the desire to be loved and where love cannot be guaranteed in any form of sexual relationship Contrasting the difference between jealousy and its closely linked concept envy this book explores the economy of possession and its relationship to the body and argues controversially that jealousy is an even more modern concept than envy Informed by critical theory engaging in particular with Derrida Deleuze Freud Lacan and Kristeva the study offers close readings of key works by Cervantes Shakespeare Proust Buñuel Vidor and Almodóvar in which a spectrum of different forms of jealousy are portrayed

One Foot in the Grave William Mark Simmons, 2015-10-29 UNFORTUNATELY THEY BELIEVE IN HIM Christopher Csejthe doesn't believe in vampires Not until he becomes one He doesn't believe in witches or werewolves either Not until they make him an offer he can't refuse *Flight of the Living Dead* A scream sliced the night air an animal sound as

far removed from a human voice as the previous scream of tortured metal. It was a sound that went on and on as we hurried toward the RV. Mooncloud yanked the passenger door open and then ran around to the driver's side as I climbed up onto the bench seat. As she slid behind the wheel, the other woman leapt from the building's rear doorway, sailing over the stairs and landing on the ground below. As she crouched on the asphalt, there was a shattering roar that canceled out the screaming. A ball of flame rolled out from the doorway like an orange party favor, licking the air just a few feet above her head. Mooncloud threw the van in gear and brought it skidding around as the blaze snapped back through the opening. Before I could reach for the door handle, the woman was springing through the open window to land across my lap. Go, she shouted, but Mooncloud was already whipping the vehicle in a tight turn and accelerating toward the parking lot's north exit. The speed bump smacked my head against the roof of the cab, and by the time my vision cleared, we were driving more sedately down a side street, the woman with the crossbow sitting between me and the passenger door. In the rear view mirror, a pillar of flame was climbing from the roof of the old dormitory that housed the radio station. I shook my head to clear away the last of the planetarium show and gripped the dashboard. Will somebody please tell me what's going on? It's very simple, Mr. Csejthe. Dr. Mooncloud said, pressing a button that locked the cab doors. You are a dead man. At the publisher's request, this title is sold without DRM (Digital Rights Management).
