many anecdotes and instances taken either from works as yet very little known to the English reader or from personal experiences Within a very few years since Ethnology and Archaeology have received a great inspiration and much enlarged their scope through Folk lore everything relating to such subjects is studied with far greater interest and to much greater profit than was the case when they were cultivated in a languid half believing half sceptical spirit which was in reality rather one of mere romance than reason Now that we seek with resolution to find the whole truth be it based on materialism spiritualism or their identity we are amazed to find that the realm of marvel and mystery of wonder and poetry connected with what we vaguely call magic far from being explained away or exploded enlarges before us as we proceed and that not into a mere cloudland gorgeous land but into a country of reality in which men of science who would once have disdained the mere thought thereof are beginning to stray

**The Hidden Power and Other Papers Upon Mental Science** Thomas Troward, 2007-03-01 Combining his logician's eye with his artistic sensibilities Thomas Troward was able to communicate truths on the most esoteric of subjects giving them the intellectual and spiritual respect they deserve This 1921 collection of brief essays from one of the most respected forefathers of New Age thought covers topics from the sacred to the sublime shedding new light on mysteries that have challenged mankind for centuries For any explorer of Being and Thought Troward here provides invaluable insights into positive psychology the self God beauty and truth English judge philosopher and painter THOMAS TROWARD 1847 1916 lived most of his life in India in the service of the imperial monarchy Among his publications many of which profoundly affected the New Thought Movement are *The Law and the Word* *Bible Mystery and Meaning* and *The Creative Process in the Individual*

**What is a Woman?** Toril Moi, 1999 Is the sex gender distinction really always fundamental to feminist thought Arguing for a feminism of freedom inspired by Simone de Beauvoir's *The Second Sex* Toril Moi challenges dominant trends in feminist and cultural theory Light, 1891 *Secret Notes of a Guru* Samael Aun Weor, 2025-01-01 This man in addition to committing the crime of healing the ill is also the author of a book entitled *The Perfect Matrimony* which is an outrage against public morality and the good customs of the citizens So stated the official document demanding the arrest and imprisonment of Samael Aun Weor So began his diary written from prison in which he documented his meditations and insights and the process of spiritual initiation related to his imprisonment This book is full of details about dream interpretation meditation degrees of initiation the awakening of the sacred fire and much more Most

significantly he emphasized the necessity for spiritual aspirants to consume blessed food and drink at home that sacred meal known in every religion by names like communion eucharist kiddush tsog prasad etc He also provided a complete ritual for families to practice at home around their dinner table to invoke the help of the supreme savior known as Christ Avalokitesvara Quetzalcoatl etc Thus instead of being cowed by the attempts of the dominate religions to suppress him they served to increase his efforts to help humanity resulting in this beautiful and deeply mystical book The Holy Eucharist should be practiced in the houses of all our Gnostic brothers and sisters Thus each home can become a Gnostic temple and the head of each family is a priest No more lodges no more schools no more sects no more infamies no more exploitation The temple is within ourselves and the High Priest is Christ When a group of people around a table are verifying the Holy Eucharist the ceremony reverberates in all the seven planes of cosmic consciousness and opens a channel through the seven worlds through which the sublime energies of the Solar Logos descend and thus the bread and wine become true accumulators of Christic atoms which upon reaching our stomach are diffused throughout our organism Christifying and sublimating it for the initiation Samael Aun Weor      **My Writing Life** Orest Stocco,2017-12-03 Few writers have impacted writing like Ernest Hemingway and My Writing Life is a personal account of the impact he had upon the author from the day he discovered him in high school Not only does My Writing Life offer a unique insight into the art of writing but into the complicated life of Ernest Papa Hemingway and it dares to offer a psycho literary perspective on Hemingway s complex personality and legendary suicide A memoir like no other My Writing Life sates the longing in one s soul that literature cannot satisfy which Orest Stocco illustrates with the adventurous life and writing of Ernest Papa Hemingway      Beautiful Shadow Andrew Wilson,2008-12-07 The life of Patricia Highsmith was as secretive and unusual as that of many of the best known characters who people her peerlessly disturbing thrillers and short stories Yet even as her work has found new popularity in the last few years the life of this famously elusive writer has remained a mystery For Beautiful Shadow the first biography of Highsmith British journalist Andrew Wilson mined the vast archive of diaries notebooks and letters she left behind astonishing in their candor and detail He interviewed her closest friends and colleagues as well as some of her many lovers But Wilson also traces Highsmith s literary roots in the work of Poe noir and existentialism locating the influences that helped distinguish Highsmith s writing so startlingly from more ordinary thrillers The result is both a serious critical biography and one that reveals much about a brilliant and contradictory woman one who despite her acclaim and affairs always maintained her solitude      *Raising Hell, Living Well* Jessica Elefante,2023-10-10 Part cultural criticism part rueful confessional a reformed brand strategist brings to light the impact of influence on us and our society and offers an escape in this ironically persuasive case for not being so easily influenced anymore A weirdly practical approach to some ancient questions that have become trickier lately Jaron Lanier bestselling author of Ten Arguments for Deleting Your Social Media Accounts Right Now We live in a world that is under the influence Our lives are being choreographed by forces that want something from us Everything

from ingrained family values to mind altering algorithms create our foundations warp how we see the world manipulate our decisions and dictate our beliefs Yet rarely do we question these everyday influences of our modern times even as we go further down the path of unwell unhappy and unhinged A high spirited exploration through the troublesome influences of our world Raising Hell Living Well Jessica Elefante s eye opening debut follows one bullshit artist s journey from small time salesperson to award winning corporate strategist to founder of the digital wellbeing movement Folk Rebellion in coming to terms with how she was wielding influence and the forces she was under herself With whip smart writing and wry humor Elefante s collection of essays is a head trip through her misadventures From explaining productivity as a symptom of the influence of capitalism to how the wellness industry makes us feel more unwell or our unquestioning participation in oversharing optimization and instant gratification she invites us to reexamine our world our pasts and ourselves through the lens of influence Now a reformed brand strategist Elefante lays bare her own culpability sharing what she learned and what she got wrong She offers a new take on intentional living and provides a simple practice to deconstruct how the powers that be are attempting to modify our behaviors Before you know it you ll be questioning everything from how you take your coffee to how our social institutions are structured And you ll learn how to live free from the influences around us including Elefante herself The much needed subversive voice to demystify these times Elefante will make you angry make you laugh and make you think about how you re really living Unpretentious sharply observed and devil hearted Raising Hell Living Well holds out a hand to help you climb out from under the influence

**The Lost Girls** Andrew Radford, 2007 The Lost Girls analyses a number of British writers between 1850 and 1930 for whom the myth of Demeter s loss and eventual recovery of her cherished daughter Kore Persephone swept off in violent and catastrophic captivity by Dis God of the Dead had both huge personal and aesthetic significance This book in addition to scrutinising canonical and less well known texts by male authors such as Thomas Hardy E M Forster and D H Lawrence also focuses on unjustly neglected women writers Mary Webb and Mary Butts who utilised occult tropes to relocate themselves culturally and especially in Butts s case to recover and restore a forgotten legacy the myth of matriarchal origins These novelists are placed in relation not only to one another but also to Victorian archaeologists and especially to Jane Ellen Harrison 1850 1928 one of the first women to distinguish herself in the history of British Classical scholarship and whose anthropological approach to the study of early Greek art and religion both influenced and became transformed by the literature Rather than offering a teleological argument that moves lock step through the decades The Lost Girls proposes chapters that detail specific engagements with Demeter Persephone through which to register distinct literary cultural shifts in uses of the myth and new insights into the work of particular writers

*The Balcer Redemption* David Waters, 2012-07-16 When Philip Balcer arrives at a Franciscan monastery on the southern Maine coast for a private retreat it is clear that he is spiritually troubled Haunted by the memory

of holding his older brother Peter in his arms as he died of gunshot wounds thirty years ago Philip is seeking both solitude and healing even though he is no longer religious Even so he is unable to move forward because of his inability to remember large portions of the past especially those last moments with Peter Although he feels spiritually connected to Peter he also feels as though he failed him With the help of Peters diary Philip musters the courage to explore his own past as well as Peters a journey that takes him into the recesses of his memory and reveals his brothers fascination with the thinking of philosopher Albert Camus Philip also learns about Peters connection to Sean Chisholm and what led the two to an isolated house in Quebec on a summer night thirty years ago As he delves more deeply into the mystery surrounding Peters death Philip experiences flashbacks the most powerful of which is triggered by a phone call from his own son This tale of two brothers also chronicles one mans quest to reclaim memories that have eluded him for decades Can he make peace with what he discovers about his brother and himself

*Modern Occult Rhetoric* Joshua Gunn,2011-01-28 A broadly interdisciplinary study of the pervasive secrecy in America cultural political and religious discourse The occult has traditionally been understood as the study of secrets of the practice of mysticism or magic This book broadens our understanding of the occult by treating it as a rhetorical phenomenon tied to language and symbols and more central to American culture than is commonly assumed Joshua Gunn approaches the occult as an idiom examining the ways in which acts of textual criticism and interpretation are occultic in nature as evident in practices as diverse as academic scholarship Freemasonry and television production Gunn probes for instance the ways in which jargon employed by various social and professional groups creates barriers and fosters secrecy From the theory wars of cultural studies to the Satanic Panic that swept the national mass media in the late 1980s and early 1990s Gunn shows how the paradox of a hidden buried or secret meaning that cannot be expressed in language appears time and time again in Western culture These recurrent patterns Gunn argues arise from a generalized popular anxiety about language and its limitations Ultimately *Modern Occult Rhetoric* demonstrates the indissoluble relationship between language secrecy and publicity and the centrality of suspicion in our daily lives
