The Icicle Thief:

Maurizio Nichetti's The Icicle Thief Silvia Carolosi, 2001 *After Fellini* Millicent Joy Marcus, 2002-06-05 In this work Marcus interprets a body of work that managed to transcend the decline of Italian cinema's prominence within the industry during the last two decades of the 20th century **New York Magazine**, 1993-02-01 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The second practice of nineteenth-century tonality** William Kinderman, Harald Krebs, 1996-01-01 In 1861 a half century before Arnold Schoenberg's break with tonality a young composer associated with Liszt saw a threshold to musical modernism as lodged in the suspension of the main key As the unified tonal perspective of earlier music yielded increasingly to dualistic key structures often laden with chromaticism the language of music was transformed In *The Second Practice of Nineteenth Century Tonality* nine prominent theorists and historians explore aspects of this musical evolution from Schubert to the end of the nineteenth century Many works discussed are masterpieces of the performance repertory ranging from Chopin's piano pieces and Wagner's music dramas to the symphonies of Bruckner The integration of analytical and historical approaches in the essays seeks to avoid narrow specialization as well as the polemic stance of some recent studies A critical assessment of issues including intertextuality narrative and dramatic symbolism enriches this investigation of what may be described as the second practice of nineteenth century tonality *The Movie Guide* James Monaco, 1992 From *The Big Sleep* to *Babette's Feast* from *Lawrence of Arabia* to *Drugstore Cowboy* *The Movie Guide* offers the inside word on 3 500 of the best motion pictures ever made James Monaco is the president and founder of *BASELINE* the world's leading supplier of information to the film and television industries Among his previous books are *The Encyclopedia of Film* *American Film Now* and *How to Read a Film* **Loiterature** Ross Chambers, 1999-01-01 The fabric of the western literary tradition is not always predictable In one wayward strand waywardness itself is at work delay becomes almost predictable triviality is auspicious and failure is cheerfully admired This is loiterature *Loiterature* is the first book to identify this strand to follow its path through major works and genres and to evaluate its literary significance By offering subtle resistance to the laws of good social order loiterly literature blurs the distinctions between innocent pleasure and harmless relaxation on the one hand and not so innocent intent on the other The result is covert social criticism that casts doubt on the values good citizens hold dear values like discipline organization productivity and above all work It levels this criticism however under the guise of innocent wit or harmless entertainment *Loiterature* distracts attention the way a street conjurer diverts us with his sleight of hand If the pleasurable has critical potential may not one of the functions of the critical be to produce pleasure The ability to digress Ross Chambers suggests is

at the heart of both and literature's digressive waywardness offers something to ponder for critics of culture as well as lovers of literature
