

A black and white photograph showing a group of immigrants, mostly women and children, walking along a wooden pier. They are carrying large bundles and suitcases. In the background, there is a large, multi-story building with a curved facade and a clock tower. The scene is set outdoors, likely at a port of arrival.

TRAVELING IN THE US: IMMIGRANT RIGHTS AND RESTRICTIONS

The Immigrant Left In The United States

Paul Buhle, Dan Georgakas

The Immigrant Left In The United States:

The Immigrant Left in the United States Director of the Oral History of the American Left at Taminent Library Paul Buhle, Paul Buhle, Dan Georgakas, 1996-01-01 A transnational social history of immigrant group involvement in radical activities in nineteenth and twentieth century America that provides missing links between the immigration experience the neighborhood the workplace politics and culture

The Immigrant Left in the United States Paul Buhle, Dan Georgakas, 1996 The social history scholarship that informs the essays is innovative in method and purpose Articles on Mexican American German Jewish Polish Japanese Chinese Filipino Italian Ukrainian Greek Arab and Haitian immigrants supply missing conceptual links between the immigration experience the neighborhood and the workplace and political labor and cultural institutions Taken together they offer a model study in transnational history one the most important new fields of historical inquiry

Annual Report of the Immigration and Naturalization Service United States. Immigration and Naturalization Service, 1968

Jewish Radicals Tony Michels, 2012-07-09 Winner of the 2013 New York Book Show Award in Scholarly Professional Cover Design Jewish Radicals explores the intertwined histories of Jews and the American Left through a rich variety of primary documents Written in English and Yiddish these documents reflect the entire spectrum of radical opinion from anarchism to social democracy Communism to socialist Zionism Rank and file activists organizational leaders intellectuals and commentators from within the Jewish community and beyond all have their say Their stories crisscross the Atlantic spanning from the United States to Europe and British ruled Palestine The documents illuminate in fascinating detail the efforts of large numbers of Jews to refashion themselves as they confronted major problems of the twentieth century poverty anti semitism the meaning of American national identity war and totalitarianism In this comprehensive sourcebook the story of Jewish radicals over seven decades is told for the first time in their own words

Freedom on the Offensive William Michael Schmidli, 2022-09-15 In Freedom on the Offensive William Michael Schmidli illuminates how the Reagan administration s embrace of democracy promotion was a defining development in US foreign relations in the late twentieth century Reagan used democracy promotion to refashion the bipartisan Cold War consensus that had collapsed in the late 1960s amid opposition to the Vietnam War Over the course of the 1980s the initiative led to a greater institutionalization of human rights narrowly defined to include political rights and civil liberties and to exclude social and economic rights as a US foreign policy priority Democracy promotion thus served to legitimize a distinctive form of US interventionism and to underpin the Reagan administration s aggressive Cold War foreign policies Drawing on newly available archival materials and featuring a range of perspectives from top level policymakers and politicians to grassroots activists and militants this study makes a defining contribution to our understanding of human rights ideas and the projection of American power during the final decade of the Cold War Using Reagan s undeclared war on Nicaragua as a case study in US interventionism Freedom on the Offensive explores how democracy promotion emerged as the centerpiece of an

increasingly robust US human rights agenda Yet this initiative also became intertwined with deeply undemocratic practices that misled the American people violated US law and contributed to immense human and material destruction Pursued through civil society or low cost military interventions and rooted in the neoliberal imperatives of US led globalization Reagan's democracy promotion initiative had major implications for post Cold War US foreign policy

The Great Disappearing Act Christina A. Ziegler-McPherson, 2021-12-10 Where did all the Germans go How does a community of several hundred thousand people become invisible within a generation This study examines these questions in relation to the German immigrant community in New York City between 1880 1930 and seeks to understand how German American New Yorkers assimilated into the larger American society in the early twentieth century By the turn of the twentieth century New York City was one of the largest German speaking cities in the world and was home to the largest German community in the United States This community was socio economically diverse and increasingly geographically dispersed as upwardly mobile second and third generation German Americans began moving out of the Lower East Side the location of America's first Kleindeutschland Little Germany uptown to Yorkville and other neighborhoods New York's German American community was already in transition geographically socio economically and culturally when the anti German One Hundred Percent Americanism of World War I erupted in 1917 This book examines the structure of New York City's German community in terms of its maturity geographic dispersal from the Lower East Side to other neighborhoods and its ultimate assimilation to the point of invisibility in the 1920s It argues that when confronted with the anti German feelings of World War I German immigrants and German Americans hid their culture especially their language and their institutions behind closed doors and sought to make themselves invisible while still existing as a German community But becoming invisible did not mean being absorbed into an Anglo American English speaking culture and society Instead German Americans adopted visible behaviors of a new more pluralistic American culture that they themselves had helped to create although by no means dominated Just as the meaning of German changed in this period so did the meaning of American change as well due to nearly 100 years of German immigration

German Immigrants, Race, and Citizenship in the Civil War Era Alison Clark Efford, 2013-05-20 This study of Civil War era politics explores how German immigrants influenced the rise and fall of white commitment to African American rights Intertwining developments in Europe and North America Alison Clark Efford describes how the presence of naturalized citizens affected the status of former slaves and identifies 1870 as a crucial turning point That year the Franco Prussian War prompted German immigrants to re evaluate the liberal nationalism underpinning African American suffrage Throughout the period the newcomers approach to race ethnicity gender and political economy shaped American citizenship law

Italian Immigrant Radical Culture Marcella Bencivenni, 2014-02 Maligned by modern media and often stereotyped Italian Americans possess a vibrant if largely forgotten radical past In *Italian Immigrant Radical Culture* Marcella Bencivenni delves into the history of the *sovversivi* a transnational generation of social rebels and offers a fascinating portrait of their

political struggle as well as their milieu beliefs and artistic creativity in the United States As early as 1882 the sovversivi founded a socialist club in Brooklyn Radical organizations then multiplied and spread across the country from large urban cities to smaller industrial mining areas By 1900 thirty official Italian sections of the Socialist Party along the East Coast and countless independent anarchist and revolutionary circles sprang up throughout the nation Forming their own alternative press institutions and working class organizations these groups created a vigorous movement and counterculture that constituted a significant part of the American Left until World War II Italian Immigrant Radical Culture compellingly documents the wide spectrum of this oppositional culture and examines the many cultural and artistic forms it took from newspapers to literature and poetry to theater and visual art As the first cultural history of Italian American activism it provides a richer understanding of the Italian immigrant experience while also deepening historical perceptions of radical politics and culture See the official website of the book at <http://www.marcellabencivenni.com>

The Economics of Immigration Cynthia Bansak, Nicole Simpson, Madeline Zavodny, 2020-11-26 This book in its second edition introduces readers to the economics of immigration which is a booming field within economics The main themes and objectives of the book are for readers to understand the decision to migrate the impacts of immigration on markets and government budgets and the consequences of immigration policies in a global context Our goal is for readers to be able to make informed economic arguments about key issues related to immigration around the world This book applies economic tools to the topic of immigration to answer questions like whether immigration raises or lowers the standard of living of people in a country The book examines many other consequences of immigration as well such as the effect on tax revenues and government expenditures the effect on how and what firms decide to produce and the effect on income inequality to name just a few It also examines questions like what determines whether people choose to move and where they decide to go It even examines how immigration affects the ethnic diversity of restaurants and financial markets Readers will learn how to apply economic tools to the topic of immigration Immigration is frequently in the news as more people move around the world to work to study and to join family members The economics of immigration has important policy implications Immigration policy is controversial in many countries This book explains why this is so and equips the reader to understand and contribute to policy debates on this important topic
