The Impatient Virgin Harlequin Romance:

THE IMPATIENT VIRGIN Anne Weale, Ikuko Koda, Anny has a hunch that the man she's dating is sitting in front of her about to propose But it's no good there's someone she just can't forget At that moment her cell phone rings It's a call from her boss at the newspaper telling her that Van Carlisle a big shot in the business world known for his aversion to the media has demanded an interview with her Anny's heart is hit by a violent wave She met Van as a child they fell deeply in love with each other and then broke up He's still the man she loves most in all the world And now he wants to see her again But why

The Impatient Virgin Anne Weale, 1998 **The Impatient Virgin** Anne Weale, 2011-07-15 Her future husband Anny was still a child when she met Giovanni Van Carlisle He was nine years her senior and Anny had soon developed a severe case of hero worship for Van Over the years her youthful infatuation has blossomed into love Anny dreams of becoming Van's wife but how does he feel about her He still treats her as if she's a little girl to be looked after but Anny is determined to show him the woman she can be About A MARRIAGE HAS BEEN ARRANGED Talented writer Anne Weale's masterful character development and charming scenes create a rich reading experience Romantic Times **The Sheikh's Impatient Virgin** Kim Lawrence, 2010-03-01 Set up against her will as a potential Arabian queen for the notorious Sheikh Karim unworldly Eva has a plan to deter the desert king She will convince him she's a modern sexually experienced woman and definitely not marriage material even though she is really still a virgin However the next thing she knows Eva's become a bride And her new husband is having a startling effect on her She finds herself increasingly impatient could it be that shy Eva is curious about what lies ahead in the sheikh's marriage bed **Civilized Violence** David Hansen-Miller, 2016-05-23 Civilized Violence provides a social and historical explanation for the popular appeal of cinema violence There is a significant amount of research on the effects of media violence but less work on what attracts audiences to representations of violence in the first place Drawing on historical sociology cultural studies feminist and queer theory masculinity studies and textual analysis David Hansen Miller explains how the exercise of violence has been concealed and denied by modern society at the same time that it retains considerable power over how we live our lives He demonstrates how discourses of sexuality and gender even romantic love are freighted with the micropolitics of violence Confronted with such contradictions audiences are drawn to the cinema where they can see violence graphically restored to everyday life Popular cinema holds the power to narrate and interpret social forces that have become too opaque diffuse and dynamic to otherwise comprehend Through detailed engagement with specific narratives from the last century of popular film The Cabinet of Dr Caligari The Sheik Once Upon a Time in the West Deliverance and the pervasive violence of contemporary cinema Hansen Miller investigates the manner in which representations can transform our understanding of how violence works **Civilized Violence** Dr David Hansen-Miller, 2013-01-28 Civilized Violence provides a social and historical explanation for the popular appeal of cinema violence There is a significant amount of research on the effects of media violence but less work on what attracts audiences

Publishing Romance John Markert, 2016-03-15 Romance novels have attracted considerable attention since their mass market debut in 1939 yet seldom has the industry itself been analyzed Founded in 1949 Harlequin quickly gained market domination with their contemporary romances Other publishers countered with historical romances leading to the rise of bodice ripper romances in the 1970s The liberation of the romance novel's content during the 1980s brought a vitality to the market that was dubbed a revolution but the real romance revolution began in the 1990s with developments in the mainstream publishing industry and continues today This book traces the history and evolution of the romance industry covering successful and not so successful trends and describing changes in romance publishing that paved the way for the many popular subgenres flooding the market in the 21st century

The Harlequin Opal: A Romance (Complete) Fergus Hume, That is quite fifteen years ago said Cassim smoothing the frail paper with tender fingers now it is the twenty fourth day of July in the year eighty nine Six o'clock I wonder if any of them will turn up Jack is an engineer building railways and bridges in China Peter as a respectable physician doses invalids in Devonshire Special Correspondent Tim the stormy petrel of war wires lies to London newspapers I I am a mere idler given to wanderings among the tombs of dead civilisations Peter may come It means only a short railway journey to him but Jack and Tim are probably thousands of miles away Still as I came from the Guinea Coast to meet them they certainly ought not to miss the appointment This is the day the place the hour and I have prepared the fatted calf of which they will partake if they turn up Pshaw I am a fool to think they will come They have no doubt quite forgotten this boyish freak Perhaps it is best so It is a great mistake to arrange a meeting fifteen years ahead Father Time is too fond of strange surprises Rising from his chair he paced slowly to and fro with folded arms and bent head the droop of this latter being somewhat dejected The idea that he was about to meet his old schoolfellows rendered him pensive and a trifle regretful Many years had passed since those halcyon days of youth and oh the difference between now and then He could hardly avoid speculating on their certain mutation Had the wand of Time

changed those merry lads into staid men Would Jack still be ambitious as of yore Tim's jokes were famous in the old days but now perchance he found life too serious for jesting Then Peter's butterflies How often they had laughed at his entomological craze Now doubtless he was more taken up with pills and patients And himself he had outlived his youthful enthusiasms more's the pity No wonder he felt pensive at the thought of such changes Retrospection is a saddening faculty **Júlia**
