The Inlander John Ireland Howe Baur, 1982 Examines Burchfield's art as the culmination of a vein of pantheism that stretches from Emerson Thoreau and the Hudson River school to Burchfield's last great watercolors of the 1960s The author draws on Burchfield's journal and letters to trace the artist's development American Art Series Illustrated **The Life and Work of Charles Burchfield, the Inlander** John I. H. Baur, 1984 *Life and Work of Charles Burchfield*, 1984 *Life and Work of Charles Burchfield* John I. H. Baur, Charles Burchfield, Metropolitan Museum of Art, 1984 **Charles E. Burchfield** Nancy Weekly, Charles Ephraim Burchfield, 1993-01-01 Dissatisfied with painting realistically Burchfield returned in the 1940s to his fanciful style of 1917 and expanded old ideas even the actual paintings themselves into larger and more meaningful interpretations of nature A lifetime of spiritual soul searching and self doubt the recurrence of serious illnesses and the steady persuasiveness of his wife Bertha led to Burchfield's eventual adoption of the Lutheran faith in 1943 44 Autobiographical romantic landscapes of this period contain his symbols for man's place in the universal scheme **The Apotheosis of Democracy, 1908-1916** Thomas P. Somma, 1995 The art of Paul Wayland Bartlett 1865 1925 and turn of the century sculpture in general have been attracting increasing attention A leading American sculptor of international reputation Bartlett was one of the best known artists in the United States Bartlett's sculptural decoration for the House pediment at the U S Capitol Building was his most prestigious public monument and one of the most historically important federal commissions to be awarded in the United States during the early twentieth century Its installation in the long vacant House pediment finally brought to completion a project of Capitol expansion that had begun more than a half century earlier As such it provides a valuable opportunity for exploring the early development of government sponsored public sculpture in the United States Unveiled just eight months prior to U S entry into World war I the pediment also represents one of the most visible public expressions of the ideals of the late American Renaissance 1876 1917 BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **The Grove Encyclopedia of American Art** Joan M.
