

The Institutional Presidency

**Organizing and Managing the
White House from FDR to Clinton**

John P. Burke

S E C O N D E D I T I O N

The Institutional Presidency

**Domonic A. Bearfield, Evan
Berman, Melvin J. Dubnick**

The Institutional Presidency:

The Institutional Presidency John P. Burke, 1992 When Franklin Roosevelt decided his administration needed a large executive staff he instituted dramatic and lasting changes in the federal bureaucracy and in the very nature of the presidency Today no president can govern without an enormous White House staff Yet analysts have disagreed about whether the key to a president's success lies in his ability to understand and adapt to the constraints of this bureaucracy or in his ability to control and even transform it to suit his needs In *The Institutional Presidency* John Burke argues that both skills are crucial Burke examines how the White House staff system larger and more powerful than ever interacts with a particular president's management ability and style He begins by describing the institutional presidency that emerged during the Roosevelt administration and that every modern president inherits Burke's central argument is that analysts and advisers must examine both the management style of individual presidents and the institutional features of the presidency that transcend particular administrations The success of an administration he argues lies in the degree to which the two models can be drawn upon in the day to day work of defining and furthering the president's agenda Burke concludes with a detailed comparison of the Carter and Reagan administrations He describes Carter as a variant of the collegial manager and Reagan as more formalistic In spite of very different approaches to the presidency he observes neither was a particularly successful manager and both experienced tellingly similar difficulties coping with the institutional dynamics of the White House staff Burke also makes some preliminary observations about George Bush who combines Eisenhower's more formal procedures with Kennedy's informal collegial style

The Institutional Presidency John P. Burke, 2000-09-14 Beginning with the institutional presidency that emerged during the Roosevelt administration this new edition includes a revised chapter on the Bush administration and a new chapter on Bill Clinton

The American Presidency William G. Howell, 2023-02-21 How institutions shape the American presidency This incisive undergraduate textbook emphasizes the institutional sources of presidential power and executive governance enabling students to think more clearly and systematically about the American presidency at a time when media coverage of the White House is awash in anecdotes and personalities William Howell offers unparalleled perspective on the world's most powerful office from its original design in the Constitution to its historical growth over time its elections and transitions to governance its interactions with Congress the courts and the federal bureaucracy and its persistent efforts to shape public policy Comprehensive in scope and rooted in the latest scholarship *The American Presidency* is the perfect guide for studying the presidency at a time of acute partisan polarization and popular anxiety about the health and well being of the republic Focuses on the institutional structures that presidents must navigate the incentives and opportunities that drive them and the constraints they routinely confront Shows how legislators judges bureaucrats the media and the broader public shape the contours and limits of presidential power Encourages students to view the institutional presidency as not just an object of study but a way of thinking about executive politics Highlights the

lasting effects of important historical moments on the institutional presidency Enables students to grapple with enduring themes of power rules norms and organization that undergird democracy The Institutional Presidency Ralph Gordon Hoxie,1983 The American Presidency William G. Howell,2023-01-10 How institutions shape the American presidency This incisive undergraduate textbook emphasizes the institutional sources of presidential power and executive governance enabling students to think more clearly and systematically about the American presidency at a time when media coverage of the White House is awash in anecdotes and personalities William Howell offers unparalleled perspective on the world s most powerful office from its original design in the Constitution to its historical growth over time its elections and transitions to governance its interactions with Congress the courts and the federal bureaucracy and its persistent efforts to shape public policy Comprehensive in scope and rooted in the latest scholarship The American Presidency is the perfect guide for studying the presidency at a time of acute partisan polarization and popular anxiety about the health and well being of the republic Focuses on the institutional structures that presidents must navigate the incentives and opportunities that drive them and the constraints they routinely confront Shows how legislators judges bureaucrats the media and the broader public shape the contours and limits of presidential power Encourages students to view the institutional presidency as not just an object of study but a way of thinking about executive politics Highlights the lasting effects of important historical moments on the institutional presidency Enables students to grapple with enduring themes of power rules norms and organization that undergird democracy **The Institutional Presidency** Center for the Study of the Presidency,1983 *The Presidency and the Political System* Michael Nelson,2018-03-08 Written by top notch presidency scholars and carefully edited into a text reader format The Presidency and the Political System Eleventh Edition showcases a collection of original essays focused on a range of topics institutions and issues relevant to understanding the American presidency Author Michael Nelson rigorously edits each contribution to present students with a set of analytical yet accessible chapters and contextual headnotes introducing each essay You will read about different approaches to studying the presidency the elements of presidential power presidential selection presidents and politics and presidents and government New to the Eleventh Edition A new chapter focused on the Trump administration Chapter 10 discusses major shifts represented by the new administration especially in regards to the president s relationship with the media New coverage of Obama s second term enables you to compare and contrast Obama s two presidential terms as well as better understand how the similarities and differences of Obama s approach compared to his predecessors Revised time tested essays reflect current scholarship that explores the themes of modern presidential power and effectiveness *Vital Statistics on the Presidency* Lyn Ragsdale,2014-04-17 Looking beyond the individual office holders to the office itself this Fourth Edition of Vital Statistics on the Presidency covers George Washington s tenure through the 2012 election The book s expansive view of the presidency allows readers to recognize major themes across administrations and to reach overall conclusions about the nature of the institution and its

future The illuminating data is put into context by thoughtful essays explaining key statistical patterns making this edition an intriguing and comprehensive reference to important patterns throughout the history of the presidency **Encyclopedia of Public Administration and Public Policy - 5 Volume Set** Domonic A. Bearfield,Evan Berman,Melvin J.

Dubnick,2020-08-14 Now in its third edition Encyclopedia of Public Administration and Public Policy remains the definitive source for article length presentations spanning the fields of public administration and public policy It includes entries for Budgeting Bureaucracy Conflict resolution Countries and regions Court administration Gender issues Health care Human resource management Law Local government Methods Organization Performance Policy areas Policy making process Procurement State government Theories This revamped five volume edition is a reconceptualization of the first edition by Jack Rabin It incorporates over 225 new entries and over 100 revisions including a range of contributions and updates from the renowned academic and practitioner leaders of today as well as the next generation of top scholars The entries address topics in clear and coherent language and include references to additional sources for further study [The Development of the American Presidency](#) Richard J. Ellis,2013-06-17 Our understanding of the politics of the presidency is greatly enhanced by viewing it through a developmental lens analyzing how historical turns have shaped the modern institution The Development of the American Presidency pays great attention to that historical weight but is organized topically and conceptually with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage this text looks at how the presidency has evolved in relation to the public to Congress to the Executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change All the while Ellis illustrates the institutional relationships and tensions through stories about particular individuals and specific political conflicts Ellis s own classroom pedagogy of promoting active learning and critical thinking is well reflected in these pages Each chapter begins with a narrative account of some illustrative puzzle that brings to life a central concept A wealth of photos figures and tables allow for the visual presentations of concepts A companion website not only acts as a further resources base directing students to primary documents newspapers and data sources but also presents interactive timelines practice quizzes and key terms to help students master the book s lessons

Yeah, reviewing a book **The Institutional Presidency** could amass your near contacts listings. This is just one of the solutions for you to be successful. As understood, skill does not suggest that you have wonderful points.

Comprehending as well as conformity even more than supplementary will manage to pay for each success. neighboring to, the declaration as competently as keenness of this The Institutional Presidency can be taken as with ease as picked to act.
