The Laughter Is On My Side An Imaginative Introduction To Kierkegaard

Alastair Hannay

The Laughter Is On My Side An Imaginative Introduction To Kierkegaard:

The Laughter Is on My Side Søren Kierkegaard, 1989-09-21 Here is an engaging alternative to the more solemn introductions to Søren Kierkegaard that are currently available. *The Laughter Is on My Side* entices us into Kierkegaard's way of looking at the world. Skillfully clearing a path to the heart of Kierkegaard's writings for those who may be unfamiliar with the great Danish thinker, Roger Poole and Henrik Stangerup rearrange some of his most pleasurable and most readable passages to form an entertaining text narrative, not a selection in the ordinary sense, but an innovative presentation that tells a new story. The book replaces the inaccessible Kierkegaard of philosophical legend with an ironic, witty, shrewdly observant writer writing for the amusement of writing and not for the grimmer satisfactions of instructing or upbraiding. Above all, the Kierkegaard revealed by Poole and Stangerup becomes, in the deepest sense, our contemporary. Taking its title from the young Kierkegaard's nickname, The Fork, the first section of the work is full of urbane and erotic materials and has much to say about his famous broken engagement to Regine Olsen. A section called Women will be of special interest to feminists, particularly the three discourses from the Symposium section of *Stages on Life's Way*. The *Midnight Hour* presents Kierkegaard's most anguished and existential passages: "Do you not know, there comes a midnight hour when everyone has to throw off his mask? Do you think you can slip away a little before midnight in order to avoid this?" Lastly, 1848-1854 presents Kierkegaard as an incisive and relevant political thinker in a way that has never been attempted before.

The Laughter is on My Side Søren Kierkegaard, 1989 Here is an engaging alternative to the more solemn introductions to Søren Kierkegaard that are currently available. *The Laughter Is on My Side* entices us into Kierkegaard's way of looking at the world. Skillfully clearing a path to the heart of Kierkegaard's writings for those who may be unfamiliar with the great Danish thinker, Roger Poole and Henrik Stangerup rearrange some of his most pleasurable and most readable passages to form an entertaining text narrative, not a selection in the ordinary sense, but an innovative presentation that tells a new story. The book replaces the inaccessible Kierkegaard of philosophical legend with an ironic, witty, shrewdly observant writer writing for the amusement of writing and not for the grimmer satisfactions of instructing or upbraiding. Above all, the Kierkegaard revealed by Poole and Stangerup becomes, in the deepest sense, our contemporary. Taking its title from the young Kierkegaard's nickname, The Fork, the first section of the work is full of urbane and erotic materials and has much to say about his famous broken engagement to Regine Olsen. Lastly, 1848-1854 presents Kierkegaard as an incisive and relevant political thinker in a way that has never been attempted before.

Literature Suspends Death Chris Danta, 2011-09-29 This is the first book-length study of how three important European thinkers, Kierkegaard, Kafka, and Blanchot, use the Binding

of Isaac to illuminate the sacrificial situation of the literary writer Danta shows that literature plays a vital and heretical role in these three writers highly idiosyncratic accounts of the Akedah His claim is twofold firstly that all three authors choose to respond to the Genesis narrative by manifesting literature and secondly that each heretically endows literature or fiction with the power to suspend the sacrifice Abraham's near sacrifice of Isaac is traditionally read as the story of faith in action But what does it mean to play the game of not quite belief with the story of religious faith By examining the literary and heretical treatments of Isaac's sacrifice in the work of Kierkegaard Kafka and Blanchot this book develops an original account of literature as a form of sacrificial thinking For each writing acts like God's sacrificial demand of Abraham to suspend the writer's usual relation to his daily and earthly responsibilities *Kierkegaard's International Reception: The Near East, Asia, Australia and the Americas* Jon Stewart, 2008-06-01 Although Kierkegaard's reception was initially more or less limited to Scandinavia it has for a long time now been a highly international affair As his writings became translated into the different languages his reputation spread and he became read more and more by people increasingly distant from his native Denmark While in Scandinavia the attack on the Church in the last years of his life became something of a cause célèbre later many different aspects of his work became the object of serious scholarly investigation well beyond the original northern borders As his reputation grew he was co-opted by a number of different philosophical and religious movements in different contexts throughout the world The three tomes of the present volume attempt to record the history of this reception according to national and linguistic categories Tome III is the most geographically diverse covering the Near East Asia Australia and the Americas The section on the Near East features pioneering articles on the Kierkegaard reception in Israel Turkey Iran and the Arab world The next section dubbed Asia and Australia features articles on the long and rich traditions of Kierkegaard research in Japan and Korea along with the more recent ones in China and Australia A final section is dedicated to Americas with articles on Canada the United States hispanophone South America Mexico and Brazil **Volume 8, Tome III:**

Kierkegaard's International Reception - The Near East, Asia, Australia and the Americas Jon Stewart, 2017-05-15 Although Kierkegaard's reception was initially more or less limited to Scandinavia it has for a long time now been a highly international affair As his writings were translated into different languages his reputation spread and he became read more and more by people increasingly distant from his native Denmark While in Scandinavia the attack on the Church in the last years of his life became something of a cause célèbre later many different aspects of his work became the object of serious scholarly investigation well beyond the original northern borders As his reputation grew he was co-opted by a number of different philosophical and religious movements in different contexts throughout the world The three tomes of this volume attempt to record the history of this reception according to national and linguistic categories Tome III is the most geographically diverse covering the Near East Asia Australia and the Americas The section on the Near East features pioneering articles on the Kierkegaard reception in Israel Turkey Iran and the Arab world The next section dubbed Asia and

Australia features articles on the long and rich traditions of Kierkegaard research in Japan and Korea along with the more recent ones in China and Australia A final section is dedicated to Americas with articles on Canada the United States hispanophone South America Mexico and Brazil

Kierkegaard and the Legitimacy of the Comic Will

Williams,2018-09-15 While some see the comic as trivial fit mainly for amusement or distraction S ren Kierkegaard disagrees This book examines Kierkegaard s earnest understanding of the nature of the comic and how even the triviality of comic jest is deeply tied to ethics and religion It rigorously explicates terms such as irony humor jest and comic in Kierkegaard revealing them to be essential to his philosophical and theological program beyond aesthetic interest alone Drawing centrally from Kierkegaard s most concentrated treatment of these ideas Concluding Unscientific Postscript 1846 this account argues that he defines the comic as a contradiction or misrelation that is essentially though not absolutely painless because it provides a way out The comic lies in a contradiction between norms and so springs from one s viewpoint whether ethical or religious Irony and humor play essential transitional roles for Kierkegaard s famous account of the stages of existence because subjective development is closely tied to one s capacity to perceive the comic making the comic both diagnostic of and formative for one s subjective maturity For Kierkegaard the Christian is far from humorless instead having the maximal comic perception because he has the highest possible subjective development The book demonstrates that the comic is not the expression of a particular pseudonym or of a single period in Kierkegaard s thinking but is an abiding and fundamental concept for him It finds his comic understanding even outside of Postscript locating it in such differing works as Prefaces 1844 Upbuilding Discourses in Various Spirits 1847 and the Corsair affair c 1845 1848 The book also examines the comic in contemporary Kierkegaard scholarship First it argues that Deconstructionists while accurately perceiving the widespread irony in Kierkegaard s corpus incorrectly take the irony to imply a lack of earnest interest in philosophy and theology misunderstanding Kierkegaard on the nature of irony Second it considers two theological readings to argue that their positions while generally preferable to the Deconstructionists lack the same attentiveness to the comic s role in Kierkegaard Their significant theological arguments would be strengthened by increased appreciation of the legitimate power of the comic for cultivating ethics and religion

Kierkegaard Roger Poole,1993 A study of the problem of Soren Kierkegaard s 1813 1855 indirect communication a term coined by Kierkegaard himself for his writings Instead of treating Kierkegaard s works of the 1840s as perfectly serious presentations of authorial meaning Poole literary theory U of Nottingham England shows how Kierkegaard deploying the sorts of textual tools and devices associated today with Jacques Derrida refuses to offer a personal view on any of his great themes love duty faith and the anguish before choice Annotation copyright by Book News Inc Portland OR

The Literary Kierkegaard Eric Ziolkowski,2011-12-31 Eric Ziolkowski s monumental study examines Kierkegaard s whole prolix literature including the pseudonymous and the signed published writings as well as his private journals papers and letters in relation to works by five other literary giants Kierkegaard himself stresses the

essentially literary as opposed to the strictly theological or philosophical nature of his writings Uncovering this neglected aspect of Kierkegaard's oeuvre Ziolkowski first considers the notions of aesthetics and the aesthetic as Kierkegaard adapted them then his posture as a poet and his self-conception as a weed in literature After taking account of the history of the critical recognition of Kierkegaard as a literary artist Ziolkowski looks at an important characteristic of Kierkegaard's literary craft that has received relatively little attention the manner by which he and his pseudonyms read and quoted other authors Ziolkowski explores the connections between the philosopher's writings and those of other literary masters who directly influenced him such as Aristophanes Cervantes and Shakespeare and those such as Wolfram von Eschenbach and Carlyle who while not direct influences gave paradigmatic expression to some of the same aspects of aesthetic ethical and religious existence that Kierkegaard portrayed A necessary resource for Kierkegaard scholars philosophers and students of religion and literature alike The literary Kierkegaard corrects a significant lack in our understanding of one of the most significant thinkers of the modern era dust jacket *Kierkegaard and Philosophy* Alastair Hannay, 2003-12-16 Kierkegaard and Philosophy makes many of the most important papers on Kierkegaard available in one place for the first time These seventeen essays written over a period of over twenty years have all been substantially revised or specially prepared for this collection with a new introduction by the author In the first part Alastair Hannay concentrates on Kierkegaard's central philosophical writings offering closely text-based accounts of the silent concepts Kierkegaard uses The second part shows the relevance of other thinkers' treatments of shared themes pointing out where they differ from Kierkegaard The concluding chapter provides a reason Kierkegaard himself would give for disagreeing with those who claim his texts are infinitely interpretable Written by the world's foremost Kierkegaard scholar and translator Kierkegaard and Philosophy is an indispensable resource for all students of Kierkegaard's work

Starting with Kierkegaard Patrick Sheil, 2011-02-17 Søren Kierkegaard was one of the most important European philosophers of the nineteenth century and is widely regarded as the founder of existentialism His work had a profound influence on some of the main intellectual currents of the last two centuries Clearly and thematically structured with investigations into a host of Kierkegaard's key concepts including immediacy sin despair individuality and the crowd and with references to a wide range of his works Starting with Kierkegaard provides the reader with a balanced overview of the Danish philosopher's project paying as much attention to the signed edifying works as to the famous authorship of the pseudonyms Starting with Kierkegaard also offers a short survey of the historical biographical and philosophical context of Kierkegaard's ideas as they started to take shape in the 1830s The book closes with a discussion of Kierkegaard and society and of his continuing relevance to today Starting with Kierkegaard is the ideal introduction for anyone coming to the work of this hugely important thinker for the first time

Kierkegaard and Levinas Patrick Sheil, 2017-03-02 The Danish Christian existentialist Søren Kierkegaard 1813-1855 and the Jewish Lithuanian-born French interpreter of modern phenomenology Emmanuel Levinas 1906-1995 have enabled

theology and philosophy to illuminate and confront one another in radical and important ways This book addresses the theological and philosophical thought of both Kierkegaard and Levinas with a focus on the special form that exists in the grammar of many languages for cases of uncertainty possibility hypothesis and for expressions of hope the subjunctive mood As well as presenting arguments and observations about Kierkegaard and Levinas through an analysis of the subjunctive mood Patrick Sheil offers an interesting and accessible way into the thought of these two major European philosophers and he explores a wide range of Kierkegaardian and Levinasian texts throughout [The Cambridge Companion to Kierkegaard](#)

Alastair Hannay, Gordon Daniel Marino, 1998 Accessible guide to Kierkegaard available serving as a reference to students and non specialists **Behind the Mask** Michelle Stott, Michelle Stott James, 1993 This study asserts that the Lessing in the

Postscript can only be understood within Kierkegaard's usage of pseudonymous figures to fulfill the requirements of indirect communication **Religion and Literature** Robert Detweiler, David Jasper, 2000-01-01 Featuring a selection from over 80

key texts this anthology aims to help the reader to understand the common origins of religious expression and of literature The texts included cover classical literature the Bible English and European classics and contemporary works [A Million Little Miracles](#) Mark Batterson, 2024-11-19 The New York Times bestselling author of Win the Day reminds us of the millions of miracles God performs every day and inspires us to live with a clearer sense of identity and purpose Think you've never experienced a miracle With all due respect you have never not In fact you are one There never has been and there never will be anyone else like you That isn't a testament to you It's a testament to the God who created you Your fingerprint eyeprint and voiceprint are unlike anyone else's Simply put you matter to God Most of us take everyday miracles for granted including the one that stares back at us in the mirror It's time to take them for gratitude Why is that so important Because whatever you don't turn into praise turns into pride The miracle of life becomes mundane We get so wrapped up in our own little world we end up worshipping a god who looks like us acts like us and thinks like us It's no wonder we've lost our wonder But there is a way to recapture holy curiosity In A Million Little Miracles New York Times bestselling author Mark Batterson reveals three miraculous truths that awaken us to the Creator and His creation 1 God Is Bigger Than We Think we can rest in His wisdom and strength 2 God Is Closer Than We Realize we never have to do life alone 3 God Is Better Than We Imagine we can reclaim our childlike wonder A million little miracles are waiting to be discovered including the miracle called you

Kierkegaard's Indirect Politics Bartholomew Ryan, 2014-03-15 This book argues that a radical political gesture can be found in Søren Kierkegaard's writings The chapters navigate an interdisciplinary landscape by placing Kierkegaard's passionate thought in conversation with the writings of Georg Lukács Carl Schmitt Walter Benjamin and Theodor Adorno At the heart of the book's argument is the concept of indirect politics which names a negative space between methods concepts and intellectual acts in the work of Kierkegaard as well as marking the dynamic relations between Kierkegaard and the aforementioned thinkers Kierkegaard's indirect politics is a set of masks that displaces identities from one field to the next

theology masks politics law masks theology political theory masks philosophy and psychology masks literary approaches to truth As reflected in Lukács Schmitt Benjamin and Adorno this book examines how Kierkegaard's indirect politics sets into relief three significant motifs intellectual non conformism indirect communication in and through ambiguous identities and negative dialectics Bartholomew Ryan is currently a postdoctoral fellow 2011 at the Instituto de Filosofia da Nova New University of Lisbon Portugal He holds degrees from Aarhus University Denmark PhD University College Dublin MA and Trinity College Dublin 1999 He was visiting lecturer at the European College of Liberal Arts in Berlin 2007 2011 and Lady Margaret Hall University of Oxford 2010 and was a guest scholar at the Søren Kierkegaard Research Centre in Copenhagen 2007 and 2005 and Hong Kierkegaard Library at St Olaf College Minnesota 2005 He has written extensively on Kierkegaard and also published articles on Nietzsche Pessoa Joyce Shakespeare and Schmitt *The Humor of Kierkegaard* Søren Kierkegaard, 2020-08-04 Who might reasonably be nominated as the funniest philosopher of all time With this anthology Thomas Oden provisionally declares Søren Aabye Kierkegaard 1813 1855 despite his enduring stereotype as the melancholy despairing Dane as among philosophers the most amusing Kierkegaard not only explored comic perception to its depths but also practiced the art of comedy as astutely as any writer of his time This collection shows how his theory of comedy is integrated into his practice of comic perception and how both are integral to his entire authorship Kierkegaard's humor ranges from the droll to the rollicking from farce to intricate subtle analysis from nimble stories to amusing aphorisms In these pages you are invited to meet the wife of an author who burned her husband's manuscript and a businessman who even with an abundance of calling cards forgot his own name You will hear of an interminable vacillator whom archeologists found still pacing thousands of years later trying to come to a decision Then there is the emperor who became a barkeeper in order to stay in the know The Humor of Kierkegaard is for anyone ready to be amused by human follies Those new to Kierkegaard will discover a dazzling mind worth meeting Those already familiar with his theory of comedy will be delighted to see it concisely set forth and exemplified Others may have read Kierkegaard intensively without having ever really noticed his comic side Here they will find what they have been missing **The Journal of Philosophy**, 1990 Covers topics in philosophy psychology and scientific methods Vols 31 include A Bibliography of philosophy 1933 **Kierkegaard's International Reception** Jon Stewart, Jon Bartley Stewart, 2009 As Kierkegaard's reputation grew he was co-opted by a number of different philosophical and religious movements in different contexts throughout the world This volume features the three tomes that attempt to record the history of this reception according to national and linguistic categories **Kierkegaard in the Present Age** Gordon Daniel Marino, 2001

The book delves into The Laughter Is On My Side An Imaginative Introduction To Kierkegaard. The Laughter Is On My Side An Imaginative Introduction To Kierkegaard is an essential topic that needs to be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into The Laughter Is On My Side An Imaginative Introduction To Kierkegaard, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
 - Chapter 1: Introduction to The Laughter Is On My Side An Imaginative Introduction To Kierkegaard
 - Chapter 2: Essential Elements of The Laughter Is On My Side An Imaginative Introduction To Kierkegaard
 - Chapter 3: The Laughter Is On My Side An Imaginative Introduction To Kierkegaard in Everyday Life
 - Chapter 4: The Laughter Is On My Side An Imaginative Introduction To Kierkegaard in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, the author will provide an overview of The Laughter Is On My Side An Imaginative Introduction To Kierkegaard. The first chapter will explore what The Laughter Is On My Side An Imaginative Introduction To Kierkegaard is, why The Laughter Is On My Side An Imaginative Introduction To Kierkegaard is vital, and how to effectively learn about The Laughter Is On My Side An Imaginative Introduction To Kierkegaard.
 3. In chapter 2, the author will delve into the foundational concepts of The Laughter Is On My Side An Imaginative Introduction To Kierkegaard. The second chapter will elucidate the essential principles that must be understood to grasp The Laughter Is On My Side An Imaginative Introduction To Kierkegaard in its entirety.
 4. In chapter 3, this book will examine the practical applications of The Laughter Is On My Side An Imaginative Introduction To Kierkegaard in daily life. This chapter will showcase real-world examples of how The Laughter Is On My Side An Imaginative Introduction To Kierkegaard can be effectively utilized in everyday scenarios.
 5. In chapter 4, this book will scrutinize the relevance of The Laughter Is On My Side An Imaginative Introduction To Kierkegaard in specific contexts. This chapter will explore how The Laughter Is On My Side An Imaginative Introduction To Kierkegaard is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, this book will draw a conclusion about The Laughter Is On My Side An Imaginative Introduction To Kierkegaard. This chapter will summarize the key points that have been discussed throughout the book.
- This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of The Laughter Is On My Side An Imaginative Introduction To Kierkegaard.
