The Law And Higher Education Cases And Materials On Colleges In Court

Michael Olivas, Amy Gajda

The Law And Higher Education Cases And Materials On Colleges In Court:

The Law and Higher Education Michael A. Olivas, Amy Gajda, 2016 Now in its fourth edition this book reflects the extraordinary growth in the law of higher education and the accompanying rise in scholarship and commentary on higher education law and governance The case selection reflects major themes and issues To this end cases with interesting facts news accounts of fascinating developments and insights and articles from scholars and practitioners have also been used The result is a unique book on a rapidly growing area of law and society It is the most established and widely adopted casebook in the field Updated with recent court cases and statutes it can be used in law schools in colleges of education or in professional courses

The Law and Higher Education Michael A. Olivas, 2003 **Supplement to the Law and Higher Education: Cases and Materials on Colleges in Court, Third Edition** Michael Olivas, Amy Gajda, 2013-08 There have been many changes in the area of higher education law as any casual reading of the trade press will indicate Reflecting these changes The Law and Higher Education has been thoroughly revised and edited trimming away older cases with less value adding new and important cases and providing additional resources and commentary for this Supplement For example generous portions of *CLS v Martinez* 2010 and *Fisher v University of Texas* 2013 show the Supreme Court s thinking on free exercise and civil rights legislation as well as on race and admissions In addition to a number of concisely edited court cases the Supplement highlights recent developments in the litigation and legislation concerning financial aid programs immigration law and intellectual property issues arising in colleges and universities Because so many readers and users of the casebook look to summaries of research and scholarship on the topics covered for classroom use the authors have continued to provide wide ranging reference materials and commentary Michael A Olivas has welcomed Professor Amy Gajda to the project where her scholarship in faculty issues and the law of defamation has brought expertise to the casebook in these important areas The revised and updated Fourth Edition of the Olivas Gajda casebook will be available from Carolina Academic Press for adoption in 2015

The Law and Higher Education Michael A. Olivas, Idelma Saenz, 1989 Higher Education and the Law Judith C. Areen, 2009 This pathbreaking casebook is devoted to the rapidly expanding range of legal matters that shape higher education It surveys the history of the development of colleges and universities in the United States the legal differences between public and private institutions of higher education the role of religion the financing of higher education and the limits of federal state and local regulation It also covers faculty matters including academic freedom tenure and governance admissions and financial aid student rights and responsibilities the responsibilities of governing boards presidents and administrators and licensing and accreditation

Text, Cases and Materials on Sex-based Discrimination Herma Hill Kay, Martha S. West, 2002 **A Legal Guide for Student Affairs Professionals** William A. Kaplin, Barbara A. Lee, 2009-12-22 The student affairs market has experienced a great boom in the last decade Based on the fourth edition of the indispensable guide to the laws that bear on the conduct of higher education this updated student affairs

edition provides a reference and guide for student affairs practitioners and graduate students in student affairs administration courses This volume combines sections that are pertinent to student affairs practitioners as well as the government regulatory and administrative issues found in the full Fourth Edition It is thus the most comprehensive and easy to use volume for student affairs officers and students **The Journal of College and University Law** ,2003

Governing Academia Ronald G. Ehrenberg,2016-10-01 Public concern over sharp increases in undergraduate tuition has led many to question why colleges and universities cannot behave more like businesses and cut their costs to hold tuition down Ronald G Ehrenberg and his coauthors assert that understanding how academic institutions are governed provides part of the answer Factors that influence the governance of academic institutions include how states regulate higher education and govern their public institutions the size and method of selection of boards of trustees the roles of trustees administrators and faculty in shared governance at campuses how universities are organized for fiscal and academic purposes the presence or absence of collective bargaining for faculty staff and graduate student assistants pressures from government regulations donors insurance carriers athletic conferences and accreditation agencies and competition from for profit providers Governing Academia which covers all these aspects of governance is enlightening and accessible for anyone interested in higher education The authors are leading academic administrators and scholars from a wide range of fields including economics education law political science and public policy *The Social History of the American Family* Marilyn J. Coleman, Lawrence H. Ganong,2014-09-02 The American family has come a long way from the days of the idealized family portrayed in iconic television shows of the 1950s and 1960s The four volumes of *The Social History of the American Family* explore the vital role of the family as the fundamental social unit across the span of American history Experiences of family life shape so much of an individual's development and identity yet the patterns of family structure family life and family transition vary across time space and socioeconomic contexts Both the definition of who or what counts as family and representations of the ideal family have changed over time to reflect changing mores changing living standards and lifestyles and increased levels of social heterogeneity Available in both digital and print formats this carefully balanced academic work chronicles the social cultural economic and political aspects of American families from the colonial period to the present Key themes include families and culture including mass media families and religion families and the economy families and social issues families and social stratification and conflict family structures including marriage and divorce gender roles parenting and children and mixed and non modal family forms and family law and policy Features Approximately 600 articles richly illustrated with historical photographs and color photos in the digital edition provide historical context for students A collection of primary source documents demonstrate themes across time The signed articles with cross references and Further Readings are accompanied by a Reader's Guide Chronology of American Families Resource Guide Glossary and thorough index *The Social History of the American Family* is an ideal reference for students and researchers who want to
