The Law Of International Institutions The Library Of World Affairs:

The Law of International Institutions Derek William Bowett,1967 **The Third-Party Liability of International Organisations** Thomas S.M. Henquet,2023-07-10 In the broader context of the accountability of international organisations this book focuses on the obligation of the United Nations like many other organisations to make provisions for appropriate modes of settlement of disputes of a private law character to which it is a party The book advocates a systematic approach in conformity with the rule of law in discharging that obligation That is needed to increase the legitimacy of international organisations while bolstering their jurisdictional immunity The work also develops the basic features of a comprehensive dispute settlement mechanism complemented by a new United Nations convention *Catalogue of the Foreign Office Library, 1926-1968: Author catalogue* Great Britain.
