**The Law of Success** Napoleon Hill, 2025-09-23 The Law of Success is Napoleon Hill's life-altering course of fifteen transformational lessons designed to help you create the life you've always wanted. Originally published in 1928, this book has changed the lives of millions of people in the years that have passed. Hill interviewed numerous industrial giants of his day, from Andrew Carnegie to Thomas Edison and J.P. Morgan, and distilled what he learned into the fifteen lessons that compose The Law of Success. The lessons range in topic from the importance of organized planning and imagination to the power of desire, but each is aimed at creating a new reality of abundance and prosperity. This complete unabridged edition is essential reading for everyone looking to achieve a successful life.

The Law of Success, Volume IV Napoleon Hill, 2003-09 The updated and most complete edition of Napoleon Hill's masterwork. Napoleon Hill stunned America when he published his first edition of The Law of Success. It had taken Hill twenty years to research and write. He had personally met with hundreds of the most famous self-made multimillionaires so he could study their habits, analyze their methods, and learn their secrets of success. After further testing and proving his theories, Napoleon Hill refined them into 17 basic principles that anyone could master and use. This recording explains step by step how you can use the following four Principles of Success: Initiative and Leadership, Develop your instincts to anticipate problems and know when to seize opportunities, Imagination, Stimulate your mind to create new concepts out of common ideas and put them to work for you, Enthusiasm, Overcome uncertainty or shyness and inspire others to take interest in you and your ideas, Self control, Find the firmness of character to truly be master of your fate and the captain of your soul. This revised and updated edition, the second of the four volumes, incorporates new information, explains historical context, and augments Napoleon Hill's original examples with contemporary stories which conclusively prove that the Law of Success is as relevant and applicable today as it was when this landmark book was first published.
