CARTLAND,2024 The Captive Flame Richard Lee Byers,2010-09-07 Take flight with the Brotherhood of the Griffin Richard Lee Byers s most celebrated characters Aoth and his band of mercenaries the Brotherhood of the Griffin are hired to put a stop to a disturbing series of ritualistic killings While they manage to defeat the perpetrators Aoth can t seem to shake the feeling that there s more to these mysterious murders than meets the eye Still he resists the urge to investigate After all it s just business Until an assassin s knife almost finds a home between his shoulder blades and Aoth finds himself tangled in a lethal web of intrigue The Captive Flame features the return of popular character Aoth and his mercenary band the Brotherhood of the Griffin introduced in Richard Lee Byers s trilogy The Haunted Lands Deluxe trade paperback packaging and Byers s signature twisted plots make this a must have for all true Forgotten Realms fans *Keeper of the Flame* Craig Garner,2011-09-19 For more than three decades two neighbor families the Garners and Smiths have sat together around backyard bonfi res As the embers bank down from a roaring blaze we talk and laugh freely Sip a little wine and sometimes glimpse a few of life s infi nite angles We re drawn to the stars with the wonder of searchers who hold something larger than ourselves in awe And we instinctively pull back from a superheated pace and the bondage of time that drives our loud brash world Keeper of the Flame touches on the ritual and meaning of our fi res the work we do and the play we use to refresh the friendship and beauty that serve as the unbought grace of life and many more subjects that have burned brightly during our fi rewatches Since we ve never pretended to have all the answers this book also invokes the wisdom of more than 80 writers poets and thinkers to lend insights into our physical and spiritual journeys **The Ardent Flame** W. I. Derith,1927 *Shadows in the Flame* Jean Fairfax,2023-11-06 The tall dark haired stranger held her with his vivid blue eyes the moment they met and his soft words of comfort caressed her as he drew her into the strength of his arms If it was a dream she prayed she would never awaken There was something about Anna Cantwood that stirred Brett McNeal He wanted to do more than hold and comfort her much more Lifting her face to his he gently kissed her quivering lips suddenly inflamed with desire at her willing response Brett remained a stranger even after Anna married him Far from her Cornwall home on Brett s beautiful Virginia plantation her romantic dreams turned to nightmares Brett s outbursts of insane jealousy and rage terrorized his bride and Cornwall became her only refuge But the dream tormented her for Brett had awakened a desire that only his love could fulfill Anna longed to abandon her fears to the exquisite passion she found only in his arms The Unquenchable Flame Sandy Kirk,2009-09-28 A raw hunger gnaws at the soul of theWestern church Where are the prophets who will discern the emptiness that has crept silently into the body of Christ in the last one hundred years We long to burn with a passion inside that never ceases We yearn for the undying flames of revival that Jesus died to give us But how can we have a revival that

never fades out How can we burn inside and never lose the passion There is only one way It s not what you might expect It s not a new revelation It s as old as the Bible but we have simply overlooked it You ll find it on a lowly hill where the blood of God spilled down upon this earth

Understanding Metaphor through Corpora Katie Patterson,2018-05-11 This book introduces a unique methodology to the study of metaphor integrating a corpus linguistic approach to explore the lexical grammatical semantic and pragmatic characteristics of metaphoric instances of language The volume questions the reliability of attempts to identify metaphor based on dichotomy and drawing on data from a corpus of nineteenth century writing instead advocates for the notion that metaphoricity is context dependent and fluid in relation to the respective social and discourse contexts in which metaphors can be found The book also applies Lexical Priming Theory to metaphoric language to suggest that our use of metaphor is due to unconscious behaviors a counterpoint to perspectives that see metaphor use as part of the creative process Taken as a whole the volume calls for a deeper investigation of the complex web of meaning senses that contributes to our understanding of metaphor making this key reading for students and researchers in corpus linguistics metaphor studies lexicography semantics and pragmatics
