The Left Hand of God John P. Cutts, 1973 A view of the incidents at Lexington and Concord Massachusetts which were the start of the American Revolution as seen from the eyes of George a British drummer boy Christopher Marlowe, an Annotated Bibliography of Criticism Since 1950 Kenneth Friedenreich, 1979 No descriptive material is available for this The Jew of Malta: A Critical Reader Robert A. Logan, 2013-12-02 Christopher Marlowe's drama The Jew of Malta has title become an increasingly popular source for scholarly scrutiny staged productions and most recently a filmed version The play follows the sometimes tragic sometimes comic often outrageous fortunes of its villainous protagonist the Jew Barabas In recent years the play has provoked as much interpretive controversy as any work in the Marlowe canon This unique volume is therefore especially timely providing fresh varied approaches to the many enigmatic elements of the play Marlowe: Oxford Bibliographies Online Research Guide Oxford University Press, 2010-06-01 This ebook is a selective guide designed to help scholars and students of Islamic studies find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related This ebook is a static version of an article from Oxford Bibliographies Online Renaissance and Reformation a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study of European history and culture between the 14th and 17th centuries Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www oxfordbibliographies com Localizing Christopher Marlowe Arata Ide, 2023 This study punctures the stereotyped portrayals of Marlowe first created by his rival Robert Greene and yet which still colour our view In doing so Ide reveals the social and cultural discourses out of which such myths emerged We know next to nothing about the life of the playwright Christopher Marlowe b 1564 d 1593 Few documents survive other than his birth record in the parish register a handful of legal cases in court records Privy Council mandates and reports to the Council the coroner s examination of his death and a few hearsay accounts of his atheism With such a limited collection of biographical documents available it is impossible to retrieve from history a complete sense of Marlowe However this does not mean that biography cannot play a significant role in Marlowe studies By observing the details of the specific places and communities to which Marlowe belonged this book highlights the collective experiences and concerns of the social groups and communities with which we know he was personally and financially involved Specifically Localizing Christopher Marlowe reveals the political and cultural dynamics in the community of Corpus Christi College Cambridge into which Marlowe was deeply integrated and through which he became affiliated with the circle of Sir Francis Walsingham mapping these influences in both his life and

works **Christopher Marlowe** Robert A. Logan, 2017-03-02 In uncovering the origin of the designation University Wits Bob Logan examines the characteristics of the Wits and their influence on the course of Elizabethan drama For the first time Christopher Marlowe is placed in the context of the six University Wits where his reputation stands out as the most prominent and the impact of his university education on his works is clarified. The essays selected for reprinting assess the most significant scholarship written about Marlowe including biographical studies challenges to familiar assumptions about the poet playwright and his works compositions on groupings of his works on individual works and on subjects particular to Marlowe Unique in its perspective and in the collection of essays this book will interest all students and scholars of Renaissance poetry drama and specialized cultural contexts Marlowe Avraham Oz,2003-10-21 Christopher Marlowe is known not only as Shakespeare's most notable contemporary playwright but also as one of the most intriguing figures of the English Renaissance The mystery of his death in a fray at the age of 29 has inspired writers around the world and his fiery career is no less intriguing This New Casebook offers a wide ranging selection of essays on Marlowe's major plays Articles from the last two decades by leading critics of English early modern drama provide a variety of fresh controversial and enlightening critical perspectives on five of Marlowe's plays Tamburlaine the Great Parts One and Two The Jew of Malta Doctor Faustus and Edward II Marlowe, Shakespeare, and the Economy of Theatrical Experience Thomas Cartelli, 2015-08-12 This study explores the structure of psychological social and political exchanges that were negotiated between audiences and plays in Elizabethan public theatres in a period ostensibly dominated by Shakespeare but strongly Women in Power in the Early Modern Drama Theodora A. Jankowski,1992 rooted in Marlowe The Summons of **Death on the Medieval and Renaissance English Stage** Phoebe S. Spinrad, 1987 *Just Anger* Gwynne Kennedy, 2000 Although women s anger is often dismissed as irrational in both eras for instance in the early modern era women were thought to become angry more often and more easily than men due to their inherent physiological intellectual and moral inferiority Christopher Marlowe and the Metaphysical Problem Play Bruce Edwin Brandt, 1985 The Reputation of Edward II, 1305-1697 Kit Heyam, 2025-10-01 During his lifetime and the four centuries following his death King Edward II 1307 1327 acquired a reputation for having engaged in sexual and romantic relationships with his male favourites and having been murdered by penetration with a red hot spit This book provides the first account of how this reputation developed providing new insights into the processes and priorities that shaped narratives of sexual transgression in medieval and early modern England In doing so it analyses the changing vocabulary of sexual transgression in English Latin and French the conditions that created space for sympathetic depictions of same sex love and the use of medieval history in early modern political polemic It also focuses in particular on the cultural impact of Christopher Marlowe's Edward II c 1591 92 Through such close readings of poetry and drama alongside chronicle accounts and political pamphlets it demonstrates that Edward s medieval and early modern afterlife was significantly shaped by the influence of literary texts and techniques A literary
