**The Great Syrian Revolt and the Rise of Arab Nationalism** Michael Provence,2009-09-17 A historical study of the 1925 revolt against French rule in Syria and how it established a new popular nationalism that helped shape the Middle East The Great Syrian Revolt of 1925 was the first mass movement against colonial rule in the Middle East Mobilizing peasants workers and army veterans it was also the region s largest and longest lasting anti colonial insurgency during the inter war period Though the revolt failed to liberate Syria from French occupation it provided a model of popular nationalism and resistance that remains potent in the Middle East today Each subsequent Arab uprising against foreign rule has repeated the language and tactics of the Great Syrian Revolt In this work Michael Provence uses newly released secret colonial intelligence sources neglected memoirs and popular memory to tell the story of the revolt from the perspective of its participants He shows how Ottoman subsidized military education created a generation of leaders who rebelled against both the French Mandate rulers of Syria and the Syrian elite who helped the colonial regime This new popular nationalism was unprecedented in the Arab world Provence shows compellingly that the Great Syrian Revolt was a formative event in shaping

the modern Middle East      Bones of Empire William C. Dietz, 2017-09-20 From the national bestselling author of *Battle Hymn* comes the conclusion to the electrifying sci fi thriller duology begun with *At Empire's Edge* On the surface the Uman Empire seems as glorious as ever with its citizens reveling in their proud civilization the Legions defending its borders and the Emperor ruling benevolently over all Yet it is a facade In truth the alien Vord are pushing deeper into Uman space even as the noble families maneuver for power within a waning Empire But for Xeno Corps Centurion Jak Cato all that matters is that he's still alive After a disastrous mission that almost cost him everything he's returning to the Imperial capital of Corin with his beloved Alamy for some well deserved down time which soon becomes no time For as Cato watches a grand procession he catches a glimpse of his mighty Emperor and in one horrifying instant Cato's enhanced senses recognize that while the Emperor looks the same it is not him It is Fiss Verafti the murderous Sagathi shape changer Cato had just hunted down The creature he thought was dead As the Empire strains under attacks from within and without Cato doggedly investigates the mystery of how Verafti made his way from the grave to the throne and who is behind the astounding plot And when he does discover the truth it will change Cato and the entire galaxy forever When it comes to military science fiction William Dietz can run with the best Steve Perry author of the Matador series Adrenaline fueled Clancy esque adventure Publishers Weekly      **The Publishers' Circular and Booksellers' Record**, 1929      **The New Books of Revelations** Charles Wright Ferguson, 1928      **The Confusion of Tongues** Charles Wright Ferguson, 1929      *Proceedings of the ...
