The Lennox Women:

The Lennox Women Anne Vivis,1993 **Dr. Johnson's Women** Norma Clarke,2001-01-01 I dined yesterday at Mrs Garrick s with Mrs Carter Miss Hannah More and Miss Fanny Burney Three such women are not to found I know not where I could find a fourth except Mrs Lennox who is superiour to them all Samuel Johnson Dr Johnson enjoyed the company of clever women Dr Johnson s Women explores his relationship with six remarkable and successful female authors all of whom he knew well Elizabeth Carter Hannah More Charlotte Lennox Hester Thrale Fanny Burney and Elizabeth Montagu It is also an account of the characters and achievements of these women It is often assumed that women writers in the eighteenth century suffered the same restrictions and obstacles that confronted their Victorian successors Norma Clarke shows that this was by no means the case Highlighting the opportunities available to women with talent in the eighteenth century Dr Johnson s Women makes clear just how impressive and varied their achievements were *Women and Shakespeare in the*

Eighteenth Century Fiona Ritchie,2014-06-02 Fiona Ritchie analyses the significant role played by women in the construction of Shakespeare s reputation which took place in the eighteenth century The period s perception of Shakespeare as unlearned allowed many women to identify with him and in doing so they seized an opportunity to enter public life by writing about and performing his works Actresses such as Hannah Pritchard Kitty Clive Susannah Cibber Dorothy Jordan and Sarah Siddons female playgoers including the Shakespeare Ladies Club and women critics like Charlotte Lennox Elizabeth Montagu Elizabeth Griffith and Elizabeth Inchbald had a profound effect on Shakespeare s reception Interdisciplinary in approach and employing a broad range of sources this book s analysis of criticism performance and audience response shows that in constructing Shakespeare s significance for themselves and for society women were instrumental in the establishment of Shakespeare at the forefront of English literature theatre culture and society in the eighteenth century and beyond

British Women Satirists in the Long Eighteenth Century Amanda Hiner,Elizabeth Tasker Davis,2022-04-07 Featuring cutting edge essays by leading scholars this collection formulates a new feminist theory of eighteenth century women s satire

British Women Writers and the Writing of History, 1670-1820 Devoney Looser,2003-05-01 Chosen by Choice Magazine as an Outstanding Academic Title Until recently history writing has been understood as a male enclave from which women were restricted particularly prior to the nineteenth century The first book to look at British women writers and their contributions to historiography during the long eighteenth century *British Women Writers and the Writing of History 1670 1820* asks why rather than writing history that included their own sex some women of this period chose to write the same kind of history as men one that marginalized or excluded women altogether But as Devoney Looser demonstrates although British women s historically informed writings were not necessarily feminist or even female focused they were intimately involved in debates over and conversations about the genre of history Looser investigates the careers of Lucy Hutchinson Lady Mary Wortley Montagu Charlotte Lennox Catharine Macaulay Hester Lynch Piozzi and Jane Austen and shows how each

of their contributions to historical discourse differed greatly as a result of political historical religious class and generic affiliations Adding their contributions to accounts of early modern writing refutes the assumption that historiography was an exclusive men's club and that fiction was the only prose genre open to women

Challenging Orthodoxies: The Social and Cultural Worlds of Early Modern Women Melinda S. Zook, 2016-04-15 Offering a broad and eclectic approach to the experience and activities of early modern women Challenging Orthodoxies presents new research from a group of leading voices in their respective fields Each essay confronts some received wisdom truth or orthodoxy in social and cultural scientific and intellectual and political and legal traditions to demonstrate how women from a range of social classes could challenge the conventional thinking of their time as well as the ways in which they have been traditionally portrayed by scholars Subjects include women's relationship to guns and gunpowder the law and legal discourse religion public finances and the new science in early modern Europe as well as women and indentured servitude in the New World A testament to the pioneering work of Hilda L Smith this collection makes a valuable contribution to scholarship in women's studies political science history religion and literature

Women's Reading in Britain, 1750-1835 Jacqueline Pearson, 1999-05-27 The first broad overview and detailed analysis of female reading audiences in this period

Economic Imperatives for Women's Writing in Early Modern Europe, 2018-10-22 Economic Imperatives for Women's Writing in Early Modern Europe addresses the central question of the professionalization of women's writing before the eighteenth century from a comparatist perspective offering intriguing case studies on as yet an underdeveloped area in early modern studies

A Literary History of Women's Writing in Britain, 1660-1789 Susan Staves, 2006-09-07 Drawing on three decades of feminist scholarship bent on rediscovering lost and abandoned women writers Susan Staves provides a comprehensive history of women's writing in Britain from the Restoration to the French Revolution This major work of criticism also offers fresh insights about women's writing in all literary forms not only fiction but also poetry drama memoir autobiography biography history essay translation and the familiar letter Authors celebrated in their own time and who have been neglected and those who have been revalued and studied are given equal attention The book's organisation by chronology and its attention to history challenge the way we periodise literary history Each chapter includes a list of key works written in the period covered as well as a narrative and critical assessment of the works This magisterial work includes a comprehensive bibliography and list of prevalent editions of the authors discussed

Women and Resistance in the Early Rastafari Movement Daive Dunkley, 2021-10-13 Winner of the Barbara T Christian Literary Award Women and Resistance in the Early Rastafari Movement is a pioneering study of women's resistance in the emergent Rastafari movement in colonial Jamaica As D A Dunkley demonstrates Rastafari women had to contend not only with the various attempts made by the government and nonmembers to suppress the movement but also with oppression and silencing from among their own ranks Dunkley examines the lives and experiences of a group of Rastafari women between the movement's inception in the 1930s and

Jamaica's independence from Britain in the 1960s uncovering their sense of agency and resistance against both male domination and societal opposition to their Rastafari identity Countering many years of scholarship that privilege the stories of Rastafari men Women and Resistance in the Early Rastafari Movement reclaims the voices and narratives of early Rastafari women in the history of the Black liberation struggle

The Routledge Anthology of Women's Theatre Theory and Dramatic Criticism Catherine Burroughs, J. Ellen Gainor, 2023-09-29 The Routledge Anthology of Women's Theatre Theory and Dramatic Criticism is the first wide ranging anthology of theatre theory and dramatic criticism by women writers Reproducing key primary documents contextualized by short essays the collection situates women's writing within and also reframes the field's male defined and male dominated traditions Its collection of documents demonstrates women's consistent and wide ranging engagement with writing about theatre and performance and offers a more expansive understanding of the forms and locations of such theoretical and critical writing dealing with materials that often lie outside established production and publication venues This alternative tradition of theatre writing that emerges allows contemporary readers to form new ways of conceptualizing the field bringing to the fore a long neglected vibrant intelligent deeply informed and expanded canon that generates a new era of scholarship learning and artistry The Routledge Anthology of Women's Theatrical Theory and Dramatic Criticism is an important intervention into the fields of Theatre and Performance Studies Literary Studies and Cultural History while adding new dimensions to Feminist Gender and Sexuality Studies

Law, Sensibility and the Sublime in Eighteenth-Century Women's Fiction Sue Chaplin, 2017-03-02 This work offers firstly a fresh historical philosophical and cultural interpretation of the relation between the eighteenth century discourse of sensibility the sublime and the theory and practice of eighteenth century law Secondly the work exposes and explores the influence of this combination of discourses upon the formation of gender identities in this period The author argues that it is only through a study of the convergence of these key eighteenth century discourses that changing conceptualisations of femininity can fully be understood Thirdly it examines the presence within eighteenth century fiction by women of a new female subject Novels by women in this period Chaplin posits begin to reveal that the female subject position constructed through the discourses of law sensibility and the sublime gives rise for women to a feminine ontological crisis that may be seen to anticipate by two hundred years the trauma of the post modern male subject unable to present a unified subjectivity to himself or to the world This feminine crisis finds expression within a range of female fiction of the mid to late eighteenth century in Charlotte Lennox's anti romance satire Frances Sheridan's conduct book novels the Gothic romances of Radcliffe and Eliza Fenwick and the sensationalistic horror fiction of Charlotte Dacre Concentrating upon these writers Chaplin argues that their works speak of dread on behalf of women in this period and to varying degrees challenge discourses that construct femininity as a highly unstable barely tenable subject position Combining the works of Lyotard and Irigaray to formulate a new feminist reading of the eighteenth century discourse of the sublime this study offers fresh insights into the culture and

politics of the eighteenth century It presents highly original readings of well known and lesser known literary texts that interrogate from fresh perspectives the complex theoretical issues pertaining to *Women's Albums and Photography in Victorian England* Patrizia Di Bello, 2017-07-05 This beautifully illustrated study recaptures the rich history of women photographers and image collectors in nineteenth century England Situating the practice of collecting exchanging and displaying photographs and other images in the context of feminine sociability Patrizia Di Bello shows that albums express Victorian women's experience of modernity The albums of individual women and the broader feminine culture of collecting and displaying images are examined uncovering the cross references and fertilizations between women's albums and illustrated periodicals and demonstrating the way albums and photography itself were represented in women's magazines fashion plates and popular novels Bringing a sophisticated eye to overlooked images such as the family photograph Di Bello not only illustrates their significance as historical documents but elucidates the visual rhetorics at play In doing so she identifies the connections between Victorian album making and the work of modern day amateurs and artists who use digital techniques to compile and decorate albums with Victorian style borders and patterns At a time when photographic album making is being re-vitalised by digital technologies this book rewrites the history of photographic albums placing the female collector at its centre and offering an alternative history of photography focused on its uses rather than on its aesthetic or artistic considerations It is remarkable in elegantly connecting the history of photography with the fields of material culture and women's studies *Canadian Drygoodsman and "Women's Wear"*, 1920 **The Cambridge Companion to Women's Writing in Britain, 1660-1789** Catherine Ingrassia, 2015-04-20 Women writers played a central role in the literature and culture of eighteenth century Britain Featuring essays on female writers and genres by leading scholars in the field this Companion introduces readers to the range significance and complexity of women's writing across multiple genres in Britain between 1660 and 1789 Divided into two parts the Companion first discusses women's participation in print culture featuring essays on topics such as women and popular culture women as professional writers women as readers and writers and place and publication Additionally part one explores the ways women writers crossed generic boundaries The second part contains chapters on many of the key genres in which women wrote including poetry drama fiction early and later history the ballad periodicals and travel writing The Companion also provides an introduction surveying the state of the field an integrated chronology and a guide to further reading *The History of British Women's Writing, 1750-1830* J. Labbe, 2010-08-20 This period witnessed the first full flowering of women's writing in Britain This illuminating volume features leading scholars who draw upon the last 25 years of scholarship and textual recovery to demonstrate the literary and cultural significance of women in the period discussing writers such as Austen Wollstonecraft and Mary Shelley *Masking and Unmasking the Female Mind* Mary Anne Schofield, 1990 This work concentrates on how eighteenth century feminine novelists articulate the concerns important to women's lives and fates and argues that these novelists used their romances to combat the controlling

ideologies of the age **Women, Politics, and the Irish Public Sphere in the Age of Revolution** Catriona Kennedy, 2025-04-28 The late eighteenth century age of revolutions has long been identified as a key moment in the gendering of modern democratic politics one which opened up new debates on the rights of women while often re affirming the masculinity of the political citizen In Ireland the revolutionary era saw the rise of the radical United Irish movement mass popular mobilisation and reached a violent d nouement in the 1798 rebellion But what did Ireland s age of revolution mean for women Was radical republicanism able to imagine women as political actors How did Irish women experience and navigate the intense ideological conflicts of the 1790s Addressing these and related questions this is the first book length study of women and Irish politics in the late eighteenth century Revising a stubborn tendency to present women s political engagements in this period as largely mediated through men it stresses instead women s concerns initiatives and networks It reconstructs the distinctively gendered political cultures of Ireland s principal communities the dynastic politics of the Protestant elite the dynamic oppositional culture of Belfast Presbyterianism the urban and agrarian radicalism of unpropertied Catholics and asks how these shaped the meanings of the 1790s for women In looking beyond the homosocial spaces of the club pub lodge and corps it reveals a complexly gendered public sphere in which women were often active participants As the subjects of United Irish addresses religious sermons state surveillance and post rebellion commemoration women emerge as a clear if overlooked constituency in Ireland s age of revolution And it suggests how our understanding of revolution might change when viewed from the perspective of women *The Gunsmith Women's Club* J.R. Roberts, 2020-09-27 Three women meet and bond over the fact that they have all been with Clint Adams the Gunsmith In fact one the youngest explains that she has had a baby and is now looking for Clint to come back and be the baby s father The other two women agree to help her search However when they do manage to find Clint while he remembers being with the two older women he has no memory of the younger one But he agrees to take the woman back to her child and help her find who the real father is At the same time the family of a man he killed after a poker game is on his trail The father uncles brothers and cousins are determined to take revenge Will a distracted and outnumbered Gunsmith fall victim to their thirst for vengeance **Companion to Women's Historical Writing** M. Spongberg, A. Curthoys, B. Caine, 2016-04-30 This A Z reference work provides the first comprehensive reference guide to the wide range of historical writing with which women have been involved particularly since the Renaissance The Companion covers biographical writing travelogue and historical fictions broadening the concept of history to include the forms of writing with which women have historically engaged The focus is on women writing in English internationally but historical and historiographical traditions from beyond the English speaking world are also examined Brief biographies of individual writers are included
