

The Leo Frank Case

Edward R. Fields

The Leo Frank Case:

The Leo Frank Case Leonard Dinnerstein, 2008 The events surrounding the 1913 murder of the young Atlanta factory worker Mary Phagan and the subsequent lynching of Leo Frank the transplanted northern Jew who was her employer and accused killer were so wide ranging and tumultuous that they prompted both the founding of the B'nai B'rith's Anti Defamation League and the revival of the Ku Klux Klan The Leo Frank Case was the first comprehensive account of not only Phagan's murder and Frank's trial and lynching but also the sensational newspaper coverage popular hysteria and legal demagoguery that surrounded these events Forty years after the book first appeared and more than ninety years after the deaths of Phagan and Frank it remains a gripping account of injustice In his preface to the revised edition Leonard Dinnerstein discusses the ongoing cultural impact of the Frank affair

The Leo Frank Case Black Muslims, 2016

The Leo Frank Case Leonard Dinnerstein, 1987 In April 1913 the body of thirteen year old Mary Phagan was found in the basement of the Atlanta pencil factory where she worked Leo Frank the northern Jew who managed the factory and the last person who admitted seeing her alive was arrested and accused of her murder

Screening a Lynching Matthew Bernstein, 2009 The Leo Frank case of 1913 was one of the most sensational trials of the early twentieth century capturing international attention Frank a northern Jewish factory supervisor in Atlanta was convicted for the murder of Mary Phagan a young laborer native to the South largely on the perjured testimony of an African American janitor The trial was both a murder mystery and a courtroom drama marked by lurid sexual speculation and overt racism The subsequent lynching of Frank in 1915 by an angry mob only made the story more irresistible to historians playwrights novelists musicians and filmmakers for decades to come Matthew H Bernstein is the first scholar to examine the feature films and television programs produced in response to the trial and lynching of Leo Frank He considers the four major surviving American texts Oscar Micheaux's film *Murder in Harlem* 1936 Mervyn LeRoy's film *They Won't Forget* 1937 the *Profiles in Courage* television episode John M Slaton 1964 and the two part NBC miniseries *The Murder of Mary Phagan* 1988 Bernstein explains that complex issues like racism anti-Semitism class resentment and sectionalism were at once irresistibly compelling and painfully difficult to portray in the mass media Exploring the cultural and industrial contexts in which the works were produced Bernstein considers how they succeeded or failed in representing the case's many facets Film and television shows can provide worthy interpretations of history Bernstein argues even when they depart from the historical record *Screening a Lynching* is an engrossing meditation on how film and television represented a traumatic and tragic episode in American history one that continues to fascinate people to this day

The Case of Leo Frank Burton Rascoe, 2017-05-16 An American journalist reviews the facts of the Leo Frank trial the greatest of all trials in the history of the state of Georgia and most likely the entire South Since the time of Mary Phagan's murder in April of 1913 until today the same question arises again and again If Frank didn't do it then who did Burton Rascoe describes the primary and secondary elements of the case leaving the ultimate judgement in the hands of the reader

A great read for Leo Frank Trial fans and excellent introduction to the case for those not familiar The author Burton Rascoe was an American journalist editor and literary critic of the New York Herald Tribune in the early to mid 20th century **The Leo Frank Case** Charles River Editors, 2020-01-29 Includes pictures Includes excerpts of contemporary accounts Includes a bibliography for further reading The pathological conditions in the city menaced the home the state the schools the churches and in the words of a contemporary Southern sociologist the wholesome industrial life The institutions of the city were obviously unfit to handle urban problems Against this background the murder of a young girl in 1913 triggered a violent reaction of mass aggression hysteria and prejudice Leonard Dinnerstein historian The Jim Crow South has been notorious for miscarriages of justice for decades and cases like the Scottsboro Boys continue to be commemorated for the manner in which institutionalized racism ensured the wrongful convictions of minorities The attention given to these cases raised nearly every potential issue implicating criminal procedure among the states While the Bill of Rights had ensured a number of rights for criminal defendants the states had previously been allowed to interpret those rights leading to instances where defendants weren't provided adequate legal representation For example the case of the Scottsboro Boys compelled the U S Supreme Court to order new trials in *Powell v Arizona* 1932 which went a long way to determining and codifying some of the rights of criminal defendants in state courts However blacks weren't the only ones discriminated against in the South as the Leo Frank case made clear in the 1910s While 20th century anti-Semitism has been and often continues to be viewed mainly as a problem in European countries like France and Germany anti-Semitic hysteria led to one of the most shocking episodes of mob justice in early 20th century America In 1913 Mary Phagan a young Georgia factory girl and the daughter of tenant farmers was raped and killed and suspicion fell upon Leo Frank the Jewish American factory manager who was subsequently arrested tried and convicted of her murder based on the thinnest of circumstantial evidence The entire case against Frank rested on the testimony of the factory janitor Jim Conley despite the fact Conley had been arrested almost immediately after Frank when he was spotted washing what appeared to be blood off his clothes Subsequent investigations determined that Conley had written notes found by Phagan's body and Conley's testimony explained this extremely incriminating evidence away by claiming Frank had dictated the notes to him to write down before they moved the body to the location it was discovered Modern historians now believe Conley committed the murder himself but based on his testimony Conley only received a sentence of one year for being an accomplice after the fact The conviction was controversial enough in its day that Georgia Governor John M Slaton commuted Frank's death sentence which stirred up such a frenzy that a mob driven by their prejudices took what they saw as justice into their own hands The result was a stark reminder of the roles that race class and religion played in the South during the beginning of the 20th century **The Leo Frank Case The Controversial History of the Arrest and Trial of a Jewish Man Wrongly Convicted of Murder in the Early 20th Century** examines the events that led up to the trial how it was conducted and the horrible aftermath Along with pictures depicting important people places and events

you will learn about Leo Frank like never before **The Leo Frank Case** Leonard Dinnerstein,1991 **The Silent and the Damned** Frey Seitz Frey,Robert Seitz Frey,Nancy Thompson-Frey,2002-02-25 This is the chilling and unforgettable story of the sensational trial unjust conviction and lynching of Leo Frank for the murder of his thirteen year old employee Mary Phagan **LEO FRANK CASE** CHARLES RIVER.,2020 The Frank Case Atlanta Publishing Co.,2017-05-18 The Leo Frank case has been mulled over countless times since his conviction and subsequent lynching by an angry Atlanta mob In a search for the facts it is always wise to go first to the records closest to the source This publication was produced in 1913 the year of Leo Frank s conviction for the murder of young Mary Phagan A must read for anyone seeking the issues and circumstances around the arrest trial and conviction of Leo Frank **The Leo Frank Case** Edward R. Fields,2001

Black-Jewish Relations on Trial Jeffrey Melnick,2000 An analysis of the Leo Frank case as a measure of the complexities characterizing the relationship between African Americans and Jews in America In 1915 Leo Frank a Northern Jew was lynched in Georgia He had been convicted of the murder of Mary Phagan a young white woman who worked in the Atlanta pencil factory managed by Frank In a tumultuous trial in 1913 Frank s main accuser was Jim Conley an African American employee in the factory Was Frank guilty In our time a martyr s aura falls over Frank as a victim of religious and regional bigotry The unending controversy has inspired debates movies books songs and theatrical productions Among the creative works focused on the case are a ballad by Fiddlin John Carson David Mamet s novel *The Old Religion* in 1997 and Alfred Uhry and Jason Robert Brown s musical *Parade* in 1998 Indeed the Frank case has become a touchstone in the history of black Jewish cultural relations How ever for too long the trial has been oversimplified as the moment when Jews recognized their vulnerability in America and began to make common cause with African Americans This study has a different tale to tell It casts off old political and cultural baggage in order to assess the cultural context of Frank s trial and to examine the stress placed on the relationship of African Americans and Jews by it The interpretation offered here is based on deep archival research analyses of the court records and study of various artistic creations inspired by the case It suggests that the case should be understood as providing conclusive early evidence of the deep mutual distrust between African Americans and Jews a distrust that has been skillfully and cynically manipulated by powerful white people *Black Jewish Relations on Trial* is concerned less with what actually happened in the National Pencil Company factory than with how Frank s trial conviction and lynching have been used as an occasion to explore black Jewish relations and the New South Just as with the O J Simpson trial the Frank trial requires that Americans make a profound examination of their essential beliefs about race sexuality and power Jeffrey Melnick is an assistant professor of American studies at Babson College and the author of *A Right to Sing the Blues* African Americans Jews and American Popular Song *Guilty Or Not Guilty?* Francis Xavier Busch,1952 **The Effects of Public Opinion on the Leo Frank Case in Atlanta, Georgia, 1913-1920** Arthur Davis,1965 *And the Dead Shall Rise* Steve Oney,2003 Steve Oney chronicles a still harrowing chapter in American history with the skill of an

investigative journalist and the insight of a historian In 1913 thirteen year old Mary Phagan s body was found bludgeoned raped murdered and dumped in the basement of the Atlanta pencil factory where she worked The Jewish Cornell educated Leo Frank was accused and convicted of the crime but when his death sentence was commuted a group of prominent Georgians kidnapped and lynched him In narrating this grim episode Oney sheds new light on the murders of both Phagan and Frank and provides essential information on events that helped revive the Ku Klux Klan and led to the establishment of the Anti Defamation League The Leo Frank Case Edgar Hutchinson Johnson,1966 *Murder at the Pencil Factory* R. Barri Flowers,2013-10-06 From award winning criminologist R Barri Flowers and the bestselling author of THE PICKAXE KILLERS and THE SEX SLAVE MURDERS comes a powerful new historical true crime short MURDER AT THE PENCIL FACTORY The Killing of Mary Phagan 100 Years Later On the afternoon of April 26 1913 thirteen year old Mary Phagan arrived at the National Pencil Factory in Atlanta Georgia where she worked to pick up her paycheck The next day Mary s bloody battered and bruised dead body was found in the basement of the pencil factory the victim of foul play The Jewish American factory superintendent Leo Frank was arrested tried and convicted for the murder in a controversial trial Frank himself became the victim of a lynch mob when they broke him out of prison and hung him from a tree But was Leo Frank truly guilty of Mary Phagan s violent death Or did the real killer get away with cold blooded murder Read this compelling tale of child murder anti Semitism racism and legal twists and turns that rival any true crime case today and decide for yourself Included is a complete and riveting bonus story from the bestselling true crime book SERIAL KILLER COUPLES by R Barri Flowers in which ruthless killers Alvin and Judith Neelley abducted thirteen year old Lisa Millican from a mall in Rome Georgia and sexually violated tortured and murdered her An added bonus is an excerpt from the author s bestselling true crime short THE PICKAXE KILLERS Karla Faye Tucker and Daniel Garrett who brutally murdered two people in a death penalty crime that shocked the nation **Politics and Religion in the White South** Glenn Feldman,2005-09-30 Politics and Religion in the White South examines the powerful ways in which religious considerations have shaped American political discourse Since the inception of the Republic politics have remained a subject of lively discussion and debate Although based on secular ideals American government and politics have often been peppered with Christian influences Especially in the mostly Protestant South religion and politics have been nearly inextricable This collection of thirteen essays from prominent historians and political scientists including Mark K Bauman Charles S Bullock III Natalie M Davis Andrew M Manis Mark J Rozell and Clyde Wilcox explores the intersection of religion politics race relations and Southern culture from post Civil War America to the present when the religious right has begun to exercise a profound influence on the course of American politics **The Case of Leo Frank** Burton Rascoe,1947 *Fundamental Cases* Alan M.
