The Liberating Word A Guide To Nonsexist Interpretation Of The Bible:

The Liberating Word Letty M. Russell, 1976-01-01 Articles written by female Bible scholars theologians and church leaders provide an overview of the movement to eliminate sex bias in Bible interpretation [The Liberating Word: a Guide to Nonsexist Interpretation of the Bible](#) Letty M. Russell, 1976 [Feminist Interpretation of the Bible](#) Letty M.

Russell, 1985-01-01 Essays discuss women's role in the church the interpretation of Scripture the use of Biblical materials women in the Bible female sexuality battered women and Biblical authority **Handbook for Biblical Interpretation** W. Randolph Tate, 2012-11-01 This handbook provides a comprehensive guide to methods terms and concepts used by biblical interpreters It offers students and non specialists an accessible resource for understanding the complex vocabulary that accompanies serious biblical studies Articles arranged alphabetically explain terminology associated with reading the Bible as literature clarify the various methods Bible scholars use to study biblical texts and illuminate how different interpretive approaches can contribute to our understanding Article references and topical bibliographies point readers to resources for further study This handbook now updated and revised to be even more useful for students was previously published as *Interpreting the Bible A Handbook of Terms and Methods* It is a suitable complement to any standard hermeneutics textbook

A Concise Dictionary of Bible Origins and Interpretation Alec Gilmore, 2006-01-01 Provides students with concise manageable information on the history and context of the Bible specifically the different texts interpretations and versions available [Reading Bibles, Writing Bodies](#) Timothy K. Beal, David Gunn, 2002-06-01 The Bible is often said to be one of the foundation texts of Western culture The present volume shows that it goes far beyond being a religious text The essays explore how religious political and cultural identities including ethnicity and gender are embodied in biblical discourse Following the authors we read the Bible with new eyes as a critic of gender ideology politics and culture We ask ourselves new questions about God's body about women's role about racial prejudices and about the politics of the written word *Reading Bibles Writing Bodies* crosses boundaries It questions our most fundamental assumptions about the Bible It shows how biblical studies can benefit from the mainstream of Western intellectual discourse throwing up entirely new questions and offering surprising answers Accessible engaging and moving easily between theory and the reading of specific texts this volume is an exciting contribution to contemporary biblical and cultural studies [Contemporary American Theologies](#) Deane W. Fernald, 2004-04-15 An up to date book that surveys almost all of the contemporary schools of Christian thought in America well structured and methodically developed clearly written and easy to read Fernald does an excellent job of pointing out all the differences among the leading thinkers of each camp Fernald's greatest asset is his uncanny ability to synthesize these diverse theologies into a larger conceptual whole without diminishing their distinctiveness A landmark of clarity Richard Quebedeaux in *The Christian Century* *Contemporary American Theologies* assesses the most significant writers and books that make up evangelical black Roman Catholic feminist and liberation theologies Equally useful as an introduction or

as a review Marianne Sawicki in *Commonweal* *New Horizons in Hermeneutics* Anthony C. Thiselton, 1992 This book explores the rapidly growing interdisciplinary area of hermeneutics and its significance for biblical studies combining wide fundamental rigorous and creative theoretical concerns with practical questions about how we read biblical texts **New Creation** Catharina J. M. Halkes, 1991-01-01 A bold and visionary book that reveals the false and catastrophically damaging images at the root of the oppression of women and the rape of Earth's resources this book shows the complex link between feminist theology and the ecology movement **Women in the New Testament** Bonnie Bowman Thurston, 2004-02-18 Bonnie Thurston examines the personalities place and power of women in the New Testament She provides a cultural and religious context for them by briefly outlining the position of women in the Greco Roman world The aim is to reveal the ways in which early Christianity attempted to liberate people from oppression particularly patriarchy as well as to point out the places and ways in which the early Christian community compromised with the dominant society *The Fifth Gospel* John F. A. Sawyer, 1996-03-21 There is currently much interest in the history of interpretation reader response and the sociology of sacred texts in what the text does as much as what it means Isaiah more evangelist than prophet according to Jerome and others provides an ideal case study because of his profound influence on the language and imagery of Christianity With illustrations from art music literature and the media as well as commentaries sermons and official church pronouncements Professor Sawyer shows how Isaiah has been used in all kinds of context from the cult of the Virgin Mary mediaeval passion iconography and antisemitic propaganda to Christian feminism and liberation theology This first attempt at a comprehensive critical study of an essential part of biblical interpretation will provide a model for further research and ensure that commentaries will never be the same again *Sisters in the Wilderness* Dolores S. Williams, 2013-10-01 This landmark work first published 20 years ago helped establish the field of African American womanist theology It is widely regarded as a classic text in the field Drawing on the biblical figure of Hagar mother of Ishmael cast into the desert by Abraham and Sarah but protected by God Williams finds a prototype for the struggle of African American women African slave homeless exile surrogate mother Hagar's story provides an image of survival and defiance appropriate to black women today Exploring the themes implicit in Hagar's story poverty and slavery ethnicity and sexual exploitation exile and encounter with God Williams traces parallels in the history of African American women from slavery to the present day A new womanist theology emerges from this shared experience from the interplay of oppressions on account of race sex and class *Sisters in the Wilderness* offers a telling critique of theologies that promote liberation but ignore women of color This is a book that defined a new theological project and charted a path that others continue to explore *The Ways of Our God* Charles H. H. Scobie, 2003 At a time when Old Testament and New Testament studies are considered to be two very different tasks this major new work by Charles Scobie offers an approach to biblical theology meant to take in the entire sweep of divine revelation Comprehensive in scope this book covers every aspect of biblical theology Chapters are devoted first to the nature and task of biblical

theology and then to major themes within the biblical message God's order God's servant God's people and God's way Each section of the book also features an extensive system of helpful cross references Not only is Scobie's attempt to bridge the biblical testaments admirable but he also takes great care to present scholarship that is at the same time informed by and relevant to the daily life and work of the church The result is a book that is relevant to readers everywhere Accessible to teachers clergy students and general readers alike this book will reinvigorate the study of the Bible as the unified word of God

Helping Youth Interpret the Bible A. Roger Gobbel,1984-01-01 This dynamic approach to biblical study and interpretation gives pastors Christian educators parents and young people the tools with which to work together in sharing a new adventure in Christian faith Helpign Youth Interpret the Bible gives young people the opportunity to be active participants in interpretation as part of learning and living as Christians

The ^AOxford Handbook of the Apocrypha Gerbern S. Oegema,2021-05-11 The Oxford Handbook of the Apocrypha offers an overview of the various Apocrypha and relevant topics related to them by presenting updated research on each individual apocryphal text in historical context from the late Persian and early Hellenistic periods to the early Roman era The Handbook gives special attention to the place of the Apocrypha in the context of Early Judaism the relationship between the Apocrypha and texts that came to be canonized the role of women and female characters the portrayal of gender and sexuality the interplay between theology ethics and halakha and the relationships between the Apocrypha and the Septuagint as well as their reception history in the Western world

Gender, Violence, and Justice Pamela Cooper-White,2019-03-20 Gender Violence and Justice is a volume of collected essays by an expert in the field of violence against women and pastoral theology It represents over three decades of research advocacy and pastoral theological reflection on the subject of sexual and domestic violence Topics include intimate partner violence sexual abuse and trauma and clergy sexual misconduct controversial theological issues such as forgiveness and as well positive frameworks for fostering well being in families church and society Framed by a foreword and an introduction that place this work in the context of new and contemporary challenges in theory and practice these essays show an evolution of issues and frameworks for theology care and activism arising over time from the movement to end violence against women both within and beyond religious communities while at the same time demonstrating an unchanging core commitment to gender justice

Hermeneutics Anthony C. Thiselton,2009-10-09 Anthony Thiselton here brings together his encyclopedic knowledge of hermeneutics and his nearly four decades of teaching on the subject to provide a splendid interdisciplinary textbook After a thorough historical overview of hermeneutics Thiselton moves into modern times with extensive analysis of scholarship from the mid twentieth century including liberation and feminist theologies reader response and reception theory and postmodernism No other text on hermeneutics covers the range of writers and subjects discussed in Thiselton's Hermeneutics

Jewish Feminism Esther Fuchs,2018-03-12 In the last three decades hundreds of books and essays have been published on women gender and Jewish Studies This burgeoning scholarship has not been adequately

theorized contextualized or historicized This book argues that Jewish feminist studies is currently constrained by multiple frames of reference that require re examination a self critical awareness and a serious reflective inquiry into the models paradigms and assumptions that inform shape and define this area of academic interest This book is the first critical analysis of Jewish feminist scholarship tracing it from its tentative beginnings in the late 1970s to contemporary academic articulations of its disciplinary projects It focuses on the assumptions evasions omissions inconsistencies and gaps in this scholarship and notably the absence of debate contestation and interrogation of authoritative articulations of its presumed goals investments and priorities The book teases out implicit thinking about mapping direction and orientation from introductions to leading anthologies and engages critically with the few explicitly theoretical works on Jewish feminist studies contesting ideas that have become hegemonic in some areas and interrogating the limitations these theories impose on future trajectories in Jewish feminist studies Each chapter outlines the theoretical assumptions that inform salient publications in the field providing a close reading of scholarly texts that justify certain practices The book is divided into four chapters each of which focuses on a different frame of reference It outlines the way in which the various frames that have so far been imposed on Jewish feminism the ethnocentric liberal personal masculinist and essentialist have arrested its theoretical elaboration and articulation The book includes both interdisciplinary anthologies on gender and Jewish identity and disciplinary publications in history literature philosophy cultural studies and Holocaust studies

Reformed and Feminist Johanna W. H. Van Wijk-Bos, 1991-01-01 Explores the nature and function of Biblical authority in Christian feminism Drawing on her personal experiences of an early childhood spent in the Nazi occupied Netherlands and an adolescence in a faith community with a strong Calvinist cast the author illustrates the ways in which Biblical authority undergirds and expands feminist perspectives back cover

Catholic Theology of Marriage in the Era of HIV and AIDS Emily Reimer-Barry, 2015-04-09 Marriage for Life begins by listening to the lived experiences of Catholic married HIV positive women in order to better understand their struggles The eight women interviewed in Chicago Illinois USA shared their stories of marriage of family life of church involvement and of living with HIV Their candid reflections offer a fresh and grounded perspective on the challenges of living with HIV in a US context After listening to and learning from these women s experiences Reimer Barry constructs a theology of Christian marriage that is life giving in a world with AIDS While Catholic teachings have developed and now affirm the equal dignity of women and men troubling legacies of women s subordination remain embedded in liturgical practices and theological texts Arguing that self care is an indispensable component of a healthy marriage Reimer Barry constructs a life affirming theology of marriage that is sensitive to the struggles of her collaborators She argues that marriage for life must promote the full flourishing of both partners respect wives as equal partners with their husbands and offer a coherent and empowering sexual ethic Building on the wisdom of her collaborators lived experiences Reimer Barry examines the need for a more adequate Catholic response to HIV and AIDS arguing that

church communities should promote comprehensive sexual education affirm both abstinence and condom use for HIV prevention and actively work to reduce stigmatizing behaviors within church communities She also unpacks the implications of marriage for life for Catholic liturgical practice marriage preparation programs sexual education programs and family ministries Modeling her method on what Pope Francis calls the art of accompaniment Reimer Barry argues that Catholic theology of marriage must be renewed and updated so that all can plainly understand that marriage is for life
