Block Scheduling and Its Impact on the School Library Media Center Marie Shaw, 1999-02-28 Across the country educators are facing the challenge of restructuring the secondary school to meet the needs of students in the twenty first century Block scheduling provides sustained time and fosters an environment for active and experiential learning a key to student success in life The author who has spearheaded the adoption of block scheduling in her school s library media center has prepared a complete guide for library media specialists contemplating or moving to block scheduling In preparing this guide she has incorporated the experiences of twelve secondary school libraries across the country that have also moved to block scheduling Step by step this guide walks the library media specialist through planning networking curriculum and instruction professional development technology and assessment Practical suggestions forms lesson plans and case studies of

other media centers that have successfully adopted block scheduling will help the library media specialist to make the transition to the block. Block scheduling places a high demand on staff materials and information technologies. Shaw stresses that networking of people and resources is essential to successful adoption of block scheduling. She takes the reader through the planning and transitional phases of a high school adopting block scheduling and addresses concerns about instructional change, ongoing curriculum, and the role of the library media specialist as a teacher of information technology. She provides ideas on where to find professional development and how to network with other library media specialists with expertise in the block and offers practical suggestions on resource sharing, study hall, flexible scheduling, budget, collection development, substitute teachers, and assessment techniques. ENC Focus, *Caldecott Connections to Science* Shan Glandon, 2000-09-15. Take advantage of the appeal and power of Caldecott award literature to extend and promote learning across the curriculum. In these three volumes, the author demonstrates how to use award-winning books as springboards to science, social studies, learning, and language arts in the library and classroom and to expand student awareness and appreciation of illustration techniques. For each Caldecott title, there is background information on the illustrations, curriculum connections, lesson plans, and support materials for teaching. Glandon also integrates Gardner's multiple intelligences with curriculum content. With a flexible discovery approach, these activity units focus on student-centered, experiential, holistic, and authentic learning, and they are ready for instant implementation. Targeted to primary grade objectives and abilities, the books include an array of individual projects and collaborative ones. They also foster collaborations between library media specialists and classroom teachers. *Pennsylvania School Journal*, 1928. Includes Official program of the meeting of the Pennsylvania State Educational Association, sometimes separately paged. The Library Key Zaidee Mabel Brown, 1928. The Classroom Teacher Milo Burdette Hillegas, Thomas Henry Briggs, 1927. *The Traffic Library...* American Commerce Association, 1915. **Report** Grand Rapids Public Library (Grand Rapids, Mich.), 1916. **Caldecott Connections to Social Studies** Shan Glandon, 2000-09-15. Take advantage of the appeal and power of Caldecott award literature to extend and promote learning across the curriculum. In these two volumes, the author demonstrates how to use award-winning books as springboards to science and social studies learning in the library and classroom and to expand student awareness and appreciation of illustration techniques. For each Caldecott title, there is background information on the illustrations, curriculum connections, lesson plans, and support materials for teaching.
