Emmerich open in the future as it has done in the past a source of multiplied graces to its readers May its perusal prepare them for that of another most intimately connected with it viz the Life of Our Lord Jesus Christ and His Blessed Mother compiled from the revelations made to this holy religious *Life of Anne Catherine Emmerich Vol 1 & 2* K. E. Schmöger, 1885 *Anne Catherine Emmerich* M. Seymour, 2018-12-14 Anne Catherine Emmerich is an account of the life and work of Blessed Anne Catherine Emmerich Anne Catherine Emmerich 1774-1824 was a mystic, stigmatist, ecstatic, Marian visionary and Roman Catholic Augustinian Canoness Regular of Windesheim She is most famous for her visions concerning the life of Jesus Christ which she claimed were given to her the Blessed Virgin Mary This volume is highly recommended for those with an interest in the life of Anne Catherine Emmerich as well as Christian mysticism in general Many vintage books such as this are increasingly scarce and expensive It is with this in mind that we are republishing this volume now in an affordable modern high quality edition complete with the original text and artwork [The Life of Jesus Christ and Biblical Revelations](#) Anna Katharina Emmerich, Clemens Brentano, 2001-06 These four volumes record the visions of the famous 19th century Catholic mystic Bl Anne Catherine Emmerich a nun who was privileged to behold innumerable events of biblical times going back to the creation of the world She saw the fall of the Angels the sin of Adam Noe and the Flood the lives of Our Lord St John the Baptist the Blessed Virgin Mary St Mary Magdalen and many others She describes persons places and events in intimate detail and explains their mystical significance **The Life of Jesus Christ and Biblical Revelations** Emmerich, 2009-08-24 These four volumes record the visions of the famous 19th century Catholic mystic Bl Anne Catherine Emmerich a nun who was privileged to behold innumerable events of biblical times going back to the creation of the world She saw the fall of the Angels the sin of Adam Noe and the Flood the lives of Our Lord St John the Baptist the Blessed Virgin Mary St Mary Magdalen and many others She describes persons places and events in intimate detail and explains their mystical significance *The Life of Anne Catherine Emmerich* Helen Ram, Brother Hermenegild, 2013-10 Anne Catherine Emerich is also known as Anna Catherine Emmerick The work of Father Schoemeger inspired this work The author intends to have inserted at some considerable length specimens of those Contemplations of Anne Catharine which are least well known to English speaking Catholics especially the contemplations which relate to the active life of our Blessed Lord These already exist in two several translations in French but have not hitherto as far as I am aware been given in our own language I found that it would have been difficult to bring the selections within reasonable compass unless all idea of going over the whole of our Lord s preaching however cursorily had been abandoned and I have therefore thought better to reserve these translations for a separate publication which I hope may soon appear as a supplement to the present volume This being the case it is also natural to defer till the same opportunity some prefatory remarks on the general subject of the visions or contemplations of Anne Catharine which were intended to accompany the translations just mentioned In truth the Life of Anne Catharine is a complete study and picture in itself She might have had

her mission of suffering and expiation at a time which in so many respects resembled our own she might have been the holy peasant child the misunderstood and persecuted nun the Religious driven back to the world by the tyrannical suppression of her convent the ecstatic and stigmatized representative of the Passion of our Blessed Lord in days of unbelief and chastisement without having also the other gift and the other vocation which were bestowed on her the gift of marvellous and almost perpetual insight into spiritual truths in the Conn of visions representing the life of our Lord and of the Church and the vocation of reviving the faith and rekindling the love of so many by the communication of what she saw and heard These latter gifts indeed are not usually and regularly in the order of God s Providence imparted to souls less highly enriched than Anne Catharine with the solid treasures of sanctity but not all who are as holy as she was have shared the special privileges of which we speak It is therefore quite lawful to separate in a slight sketch like the present the Life of Anne Catharine from the relation of her marvellous visions and to use the former as a sort of introduction to the latter It need hardly be added that nothing in the present volume relating to the more marvellous side of the life and actions of Anne Catharine is put forward as resting upon more than simply human authority I have understood that great veneration for her exists in Germany and it could hardly be otherwise in the neighbourhood where many must still be living who have seen and conversed with her and felt the blessing of heaven fall on them in answer to her prayers The records also of her contemplations must have made her name well known over the whole Catholic world and few can have read them devoutly without finding themselves drawn more near to our Blessed Lord in consequence But I have heard of no measures taken to ensure her enrolment among the saints of the Church and we are thus destitute even of the guidance and security which an ecclesiastical process might have given us as to her virtues or as to the graces bestowed on her or on others by her means *Mary Magdalen* Bl. Anne Catherine Emmerich, 2005-08 The visions of Blessed Anne Catherine Emmerich are the world s greatest source of detail on the life of St Mary Magdalen great sinner and penitent Fully referenced to The Life of Jesus Christ their source these pages agree completely with Sacred Scripture but also tell of Mary Magdalen s sinful life from age 9 her extravagant attire her second repentance after falling back into sin her exorcism by Our Lord His defense of her against the self righteous her relationship with Martha and Lazarus her external appearance her role at Calvary and much more **The life of Anne Catherine Emmerich [based on Das Leben der gottseligen Anna Katharina Emmerich, by K.E.
