have a genius to excel this way A finished gentleman is perhaps the most uncommon of all the great characters in life Besides the natural endowments with which this distinguished man is to be born he must run through a long series of education Before he makes his appearance and shines in the world he must be principled in religion instructed in all the moral virtues and led through the whole course of the polite arts and sciences He should be no stranger to courts and to camps he must travel to open his mind to enlarge his views to learn the policies and interests of foreign states as well as to fashion and polish himself and to get clear of national prejudices of which every country has its share To all these more essential improvements he must not forget to add the fashionable ornaments of life such as are the languages and the bodily exercises most in vogue neither would I have him think even dress itself beneath his notice About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [The Life of Henry Drummond](#) George A.
