**The Gospel of Mary Magdalene** Jean-Yves Leloup, 2002-02-01 Restores to the forefront of the Christian tradition the importance of the divine feminine The first complete English language translation of the original Coptic Gospel of Mary with line by line commentary Reveals the eminence of the divine feminine in Christian thought Offers a new perspective on the life of one of the most controversial figures in the Western spiritual tradition Perhaps no figure in biblical scholarship has been the subject of more controversy and debate than Mary Magdalene Also known as Miriam of Magdala Mary Magdalene was considered by the apostle John to be the founder of Christianity because she was the first witness to the Resurrection In most theological studies she has been depicted as a reformed prostitute the redeemed sinner who exemplifies Christ's mercy Today's reader can ponder her role in the gospels of Philip Thomas Peter and Bartholomew the collection of what have come to be known as the Gnostic gospels rejected by the early Christian church Mary's own gospel is among these but until now it has remained unknown to the public at large Orthodox theologian Jean Yves Leloup's translation of the Gospel of Mary from the Coptic and his thorough and profound commentary on this text are presented here for the first time in English The gospel text and the spiritual exegesis of Leloup together reveal unique teachings that emphasize the eminence of the divine feminine and an abiding love of nature over the dualistic and ascetic interpretations of Christianity presented elsewhere What emerges from this important source text and commentary is a renewal of the sacred feminine in the Western spiritual tradition and a new vision for Christian thought and faith throughout the world

**A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by

including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

*The Greatest Gift Ever Given* Michael S. Ridenour, 2017-11-09 As a child in a non religious family Michael Ridenour found a Bible one day and began reading Initially excited by its lively stories he paused at the New Testament faced with a baffling inner question Where in the world is Christ today An unexpected answer came during his teenage years with a spontaneous experience of the Christ being but this only led to more questions Later discovering the work of Rudolf Steiner he found the authentic vision and language he needed to clarify and better comprehend his own experiences but the questions kept coming The Greatest Gift Ever Given is a fruit of Ridenour s life long search for answers a book that is at once deeply thoughtful humorous philosophical and poetic In Part I Raising the Foundation he studies the Judeo Christian mysteries After humanity s fall into materialism these mysteries signal the development of human individuality The impulse for self hood continues with Christ who brings a new path of divine love But the mystery of Christ leads naturally to his shadow Today we can no longer escape the question Where in the world is Judas Without Judas s betrayal Christ s greatest gift could never have been given We can t reject Judas but should transform him within ourselves In Part II Lowering the Temple Ridenour relates the theme of metamorphosis to the contemporary world Once guided by initiates personal transformation now needs to blossom from within each individual human soul The topic of evolution takes us to a consideration of the perennially controversial Charles Darwin as well as the intuitive approach of Goethe and the living thinking of Rudolf Steiner A rich treasure trove of ideas The Greatest Gift Ever Given sharpens a dynamic focus on current spiritual needs and contributes a thought provoking response to them
