

The Life Of John Muir

John Muir

The Life Of John Muir:

A ^APassion for Nature Donald Worster,2008-10-21 A Passion for Nature is the most complete account of the great conservationist and founder of the Sierra Club ever written It is the first to be based on Muir s full private correspondence and to meet modern scholarly standards Yet it is also full of rich detail and personal anecdote uncovering the complex inner life behind the legend of the solitary mountain man It traces Muir from his boyhood in Scotland and frontier Wisconsin to his adult life in California right after the Civil War up to his death on the eve of World War One **Son of the Wilderness**

Linnie Marsh Wolfe,2003 This Pulitzer Prize winning biography is available in an updated paperback edition Working closely with Muir s family and with his papers Wolfe was able to create a full portrait of her subject not only as America s firebrand conservationist and founder of the national park system but also as husband father and friend Illustrations **John Muir**

John Muir,Joseph Cornell,2000-07 For use in schools and libraries only A biography of the man known as father of America s national parks and an influential conservationist told in the first person using Muir s own words **Son of the Wilderness:**

The Life of John Muir Linnie Marsh Wolfe,2019-07-31 First published in 1945 this biography won the Pulitzer Prize in 1946 Its author worked for twenty two years on John Muir including as secretary of the John Muir Association and as editor of Muir s unpublished papers She interviewed many family members and people who knew and worked with John Muir to produce this account of Muir s life She recounts Muir s Scottish origins his early years in the harsh Wisconsin wilderness his remarkable mechanical aptitude and interest in botany and geology at the University of Wisconsin in Madison where he spent two and a half years before traveling to the Canadian wilderness and then to California where he spent most of his life A well balanced informative and rewarding biography Kirkus Reviews Into this biography of John Muir Mrs Wolfe has packed an amazing amount of factual information which she has illuminated with a sober critical judgment that gives us a convincing portrait of the whole man Francis P Farquhar Pacific Historical Review Linnie Marsh Wolfe almost singlehandedly restored John Muir to the respectability and stature he always deserved Son of the Wilderness should be on the reference shelves of anyone seriously interested in American environmental history John Opie Environmental History Review A n interesting personal biography Wolfe creates Muir as a living personality mystical but athletic enthusiastic about nature but socially abrupt a sort of middle aged Thoreau Alexander Kern Journal of American History By immersing herself in Muir s life for example by soaking in his correspondence and journals Wolfe was able to craft what amounts to a first person narrative the autobiography he never wrote for himself Char Miller John Muir Newsletter *John Muir, America's Naturalist* Thomas Locker,2003 Presents an overview of the life of the naturalist who founded the Sierra Club and was influential in establishing the national park system **John Muir** John Muir,1996 The Life and Letters of John Muir originally published in 1923 the biography of the world s most celebrated and influential conservationist forms the principal book in this omnibus of Muir s writings The Life and Letters compiled posthumously by Muir s literary executor William Frederic Bade was originally

published in 1924 in two volumes It combines elements of John Muir s unfinished autobiography with letters selected from the voluminous correspondence between Muir and his many collaborators and admirers all linked by Bade s restrained but perceptive commentary The result is a vivid portrayal of John Muir the explorer naturalist correspondent polemicist writer lobbyist geographer and family man It shows clearly how his crusading passion for the outdoors projected him to the forefront of the American conservation movement and formed a critical element that led to the establishment of the first National Parks Pub desc *The Story of My Boyhood and Youth* John Muir,1913-01-01 John Muir 1838 1914 whose writings about the natural world have shaped the conservation and environmental movements for more than a century wrote this autobiographical account near the end of his life about his childhood in Dunbar Scotland his immigration to America 1849 his adolescence on a pioneer farmstead near Kingston Wisconsin and his student years at the University of Wisconsin at Madison The Story of My Boyhood and Youth reveals the evolution of Muir s scientific curiosity and the beginnings of his reverential attitude towards nature Treating his encounters with wildlife as high adventure he gives especially informed attention to bird life in both Scotland and Wisconsin *The Story of My Boyhood and Youth ; And, A Thousand-mile Walk to the Gulf* John Muir,1916 **John Muir** Barbara Kiely Miller,2007-07-22 Introduces the life of John Muir who immigrated from Scotland as a boy and became a naturalist who explored the wonders of the American West an advocate for the establishment of national parks to preserve them and the founder of the Sierra Club **John Muir** John W. Winkley,2019-11-01 John Muir Naturalist first published in 1959 is an account of the life of John Muir 1838 1914 an early advocate of nature preservation From his childhood in Scotland and the family s move to Wisconsin the book describes Muir s early influences and his love of nature After a time at the University of Wisconsin Madison and working in Indiana Muir set off on foot to the Gulf of Mexico and eventually ended in California devoting time to the preservation of Yosemite and the western forests In later life Muir operated a large fruit farm in Martinez California while writing 12 books and over 300 articles and co founding the conservation organization the Sierra Club Included are 6 pages of illustrations **The Writings of John Muir: The story of my boyhood and youth** John Muir,1913 **The Writings of John Muir** John Muir,Maggie Mack,William Bade,2012-04-11 In a lifetime of exploration writing and passionate political activism John Muir made himself America s most eloquent spokesman for the mystery and majesty of the wilderness a master of natural description who evoked and celebrated with unique power and intimacy the untrammelled landscapes of Alaska and the American West A reproduction of the original text published in 1916 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book **The Wisdom of John Muir** Anne

Rowthorn,2012-03-27 Largely using the Muir s own words the author looks at the experiences places and people that inspired and informed the naturalist s words and beliefs Selected and commented on by the author of Your Daily Life Is Your Temple Original **John Muir - The Story of My Boyhood and Youth** John Muir,2015-02-04 John Muir was born in Scotland on April 21st 1838 His Father wanted his children to have a stricter Religious upbringing and therefore moved the family to the United States John Muir is perhaps known today as the most pre eminent naturalist and advocate for the preservation of much of the western United States Today being an environmentalist is laudable but in Muir s days the country was there to be exploited but by hard work and lobbying Muir did much to turn such beautiful areas as Yosemite into protected National Parks His writing is not only an invaluable guidebook to these unspoilt places but also a hymn to their spirituality As a keen scientific mind he helped to push the understanding of nature forward by observing and writing upon the glaciers and their actions in eroding and shaping much of the land Muir helped to also create The Sierra Club which he led for many years on projects to preserve these and other areas of outstanding natural beauty He was equally adept at persuading politicians from Presidents to local State officials and the common man to come together in the defence of Nature

John Muir Charles Norman,John Muir,2011-04 **The Life and Letters of John Muir** William Frederic Badè,1923

John Muir Kathryn Lasky,Stan Fellows,2014-03-25 Depicts the life of John Muir writer scholar inventor shepherd farmer explorer and naturalist who devoted his life to the land influenced the first national park in America Yosemite and founded the Sierra Club in 1892 **An Autobiography of John Muir** Stephen Brennan,2014-05-06 Biographer Steven J Holmes once wrote that John Muir was one of the patron saints of twentieth century American environmental activity In his lifetime the engineer author biologist and activist worked alongside powerful men such as President Theodore Roosevelt railroad executive E H Harriman and conservationist Gifford Pinchot Muir was responsible for the creation of the Sierra Club and he played an important role in preserving the Yosemite Valley and Sequoia National Park During his lifetime Muir published six different volumes of nature and personal writing After his death in 1914 four more volumes were discovered and released In An Autobiography of John Muir editor Stephen Brennan brings to light the many accomplishments of Muir s life through the naturalist s own nonfiction works including The Story of My Boyhood and Youth and My First Summer in the Sierra Through the essays featured in this book readers will learn of Muir s childhood which was split between Scotland and a farm in Wisconsin They will travel the world with him from the High Mountains to the Mono Trail the Bloody Canyon Yosemite and everywhere in between **The Writings of John Muir: The life and letters of John Muir** John Muir,1911 **John Muir** Wil Mara,2002 Introduces the life of John Muir the naturalist who formed the Sierra Club to help preserve the Sierra Mountains
