[Sexual Difference Between Psychoanalysis and Vitalism](#) Arun Saldanha,Hoon Song,2015-03-24 Throughout the twentieth century psychoanalysis and feminism were the practico intellectual fields most

systematic and subversive in demonstrating that humanity is sexually fissured More recently further advances in the philosophy of difference and renewed emphases on embodiment materiality and life offer possibilities for attending to dimensions of gender and sexuality that were previously underdeveloped This collection examines these possibilities insofar as they can either deepen or displace the traditional centrality of psychoanalysis in matters sexual The authors come from a wide range of backgrounds and defend their approaches to the problem of sexual difference in a variety of idioms drawing on key thinkers such as Lacan Irigaray Deleuze Foucault and Badiou It is rare to come across these thinkers together but sex is too crucial a site for critical thought not to mobilize every conceptual power available This book was originally published as a special issue of the journal *Angelaki* The Journal of the Theoretical Humanities

Christ and Antichrist Peter Tradowsky, 2010 Rudolf Steiner taught that the Christ would reappear in the twentieth century in the etheric or life realm of the Earth He also made other astonishing predictions in relation to that event first that before humankind could comprehend such a reappearance we must have passed through the encounter with the Beast which will appear in 1933 second that around the end of the century Sorath the Sun Demon would again arise to oppose individual vision of the etheric Christ Beginning with these statements Tradowsky tries to illuminate the problem of evil in relation to the Christ He describes Sorath and his activities asserting that knowledge and insight regarding this elusive and terrible being helps individuals to come to terms with him He also explains the role of the Apocalyptic Beast in relation to Ahriman and his incarnation on Earth This book is intended for those with a close concern for Anthroposophy and the author's intention is to provide a background to the events of our own time thus helping us to understand our tasks as they relate to the Christ evil and the new millennium
