The Life Of Washington:

The Life of Washington Mason Locke Weems, 1996-03-05 Weems's Life of Washington was one of the first great bestsellers in American literature. Washington, you know, is gone. Wrote Mason Locke Weems to Philadelphia publisher Mathew Carey, and millions are gaping to read something about him. In responding to this market, Weems played an essential role in fabricating the image of Washington that has since dominated the American historical imagination and which in its time secured everlasting fame for the father of our country. This edition includes an introduction by Peter S. Onuf and documents from Washington's career that provide valuable insight into the construction of American national identity and that throw a provocative light on the mythmaking in which Weems engaged in writing one of the most enduring biographies in American folklore. *The Life Of George Washington, Vol. 4* Washington Irving, 2014-01-09 The Life Of George Washington is a monumental work on the life of one of the most famous American presidents.
