from the twelve steps of Alcoholics Anonymous **From the Crucible** , By the Power of God Dick B.,2000 Ever since Dick B began publishing titles on the biblical roots and successes of early AAs hundreds and hundreds have contacted him asking how they might form groups today with principles and practices like those of the early Akron A A Christian Fellowship This book provides the details of the early program and how and why AAs and 12 Steppers can use the same program today in groups and meetings of their own choosing *Why Can't Church Be More Like an AA Meeting?* Stephen R. Haynes,2021-10-26 Do Christians need recovery Or is recovery something needed by the church itself Addiction whether to a substance or to a behavior is a problem within faith communities just like it is everywhere else But because churches are rarely experienced as safe places for dealing with addiction co addiction or the legacy of family dysfunction Christians tend to seek recovery from these conditions in Twelve Step fellowships Once they become accustomed to the ethos of vulnerability acceptance and healing that these fellowships provide however they are often left feeling that the church has failed them with many asking why can t church be more like an AA meeting Inspired by his own quest to find in church the sort of mutual support and healing he discovered in Twelve Step fellowships Stephen Haynes explores the history of Alcoholics Anonymous and its relationship to American Christianity He shows that while AA eventually separated from the Christian parachurch movement out of which it emerged it retained aspects of Christian experience that the church itself has largely lost comfort with brokenness and vulnerability an emphasis on honesty and transparency and suspicion toward claims to piety and respectability Haynes encourages Christians to reclaim these distinctive elements of the Twelve Step movement in the process of recovering church He argues that this process must begin with he calls Step 0 which as he knows from personal experience can be the hardest step the admission that despite appearances we are not fine **NLT Life Recovery Bible, Second Edition** Stephen Arterburn,Tyndale,David Stoop,2017-09-05 The Life Recovery Bible 25th Anniversary Edition points to God himself as the primary source of recovery Millions of people have been helped by this Bible New articles provide a fresh perspective on recovery Help for leaders is provided in a general facilitator s guide and a step by step meeting guide These offer help to anyone starting or running recovery groups at church or in the community Features New inspirational Preface Article A Word about Addictions Article An Early History of Life Recovery Article Thriving in a Secular Recovery Group Article Life Giving Recovery Groups in the Church Life Recovery Facilitator s Guide Step by Step Life Recovery Meeting Guide The 12 Christian Foundations of Life Recovery The 12 Self Evident Truths of Life Recovery Resources page directing readers to helpful books and online resources The Life Recovery Journey Stephen Arterburn,David Stoop,2015-05-22 A life changing resource for the Twelve Step journey for anyone who struggles with addictions or dependencies or wants to help someone who does From the creators of the popular Life Recovery series that has guided millions of readers back to health and wholeness now comes the ultimate recovery book written from a Christian viewpoint Recovery pioneers Stephen Arterburn and David Stoop bring a biblical perspective to the Twelve Steps of Life
