Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an

arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

The Beauty of the Word James C. Howell, 2011-01-01 There is no doubt that the task of preaching can sometimes be overwhelming Combining veteran wisdom practicality and a contagious reverence for the beauty of God's Word veteran pastor James C Howell leads pastors and teachers through the joyful and perplexing craft and practice of preaching Drawing on a wide range of resources Howell provides discussions on the Subject Matters of Preaching Where Sermons Happen When Sermons Happen and the Life of the Body The conclusion on The Preaching Self considers the person of the preacher These seasoned reflections will be of great help for all who preach *Conversations with St. Francis* Rev. James C.

Howell, 2008-05-01 If you were able to talk to St Francis of Assisi what would you ask him Perhaps says James Howell the first question I'd want to ask Francis would be something like this How did you do it Were you real How much of your story really happened And I'm asking because I am wondering how I might do it could I somehow grab a share of the life you had The marvel in Francis's story is that all he did seems entirely doable but then at the same time ridiculously impossible As I survey the bare facts of his life it all seems so manageably simple and yet unquestionably what happened was nothing short of miraculous In this spiritually apt look at the life message and meaning of St Francis Howell invites all of us to pose our most difficult spiritual questions to the saint and to listen for the questions he asks of us in response *Will Willimon's*
