The Light of the World Antoinette Bourignon,1863 **Bible of the Light** Sorin Cerin,2011-02-12 Some time ago I published The Theory of Universal Genesis in the book The Divine Light this text became the first chapter in the Bible of the Light It is a dialogue between myself and the Divine Light that appeared to me in a lucid dream and which inspired me to write all this Bible of the Light is an anthology composed of several books published along the time as and new books which for the first time will be published For many years I felt that I will receive these revelations from the Divine Light and that I will publish such a work entitled Bible of the Light To those wishing to is heal through the holy breath of Divine Light them I wish to they find the tranquility and peace through these pages No matter how unhappy would be some through Bible of the Light will understand that everything is just a passing cloud and that the true eternal life is alongside the Divine Light that is the true God Amen This Bible will make the definitive peace between God and Satan in the man soul because Satan is the Evil without which the Good identified through God and would lose any luster All churches of the world would disappear if would not more existed Satan The spiritual peace between Satan and God lead for the first time to a healthy society where the folly pride vanity and hypocrisy alongside with many other evils will disappear and once with these and servants of a Good who can not understand the Evil Here you will find out to whom and how should you pray if you necessarily want to do it If is necessary to yourself pray or not Who is God and what wants Him from us but and who we are and what we want from God from inside us Amen
