**The Light Unto My Path** Marguerite B. White, 2018-07-11 The Light unto My Path It was only a few years ago when God shed his light on me and anointed me with the gift of writing poetry He opened my eyes to understand from the scripture that I read A powerful message came down from above and descended here on me The grace of God bestowed on me the special gift that was given It burns in my soul and lets the words flow on the paper it was written May I thank him daily for what he has given to me May my heart yearn to do his will to use this gift he placed in me to see the mighty hand of God the creator of all things who used a humble servant and made her a child of the king **A Book of Revelations: His Light Unto My Path** , A Light Unto My Path James J. Bacik, Kevin E. Anderson, 2006 There are many books available on creating a good effective homily This book unique in that it is the product of a long standing dialogue between James Bacik a pastor and theologian and Kevin Anderson a clinical psychologist and author offers those who preach theological perspectives and practical advice on proclaiming the word of God The authors move through the process of preparing and delivering a homily from its conception to delivery However they emphasize the focus and function of the homily rather than the theme and how this relates the message of the readings to the human or social concerns of the congregation Here is a one of a kind book that includes empirical data in the form of a survey to explore what works and does not work in preaching It will provide a fresh perspective to those in homiletics courses in seminaries as well as hands on advice for those who already preach **Light unto My Path** Fr. Victor Abimbola Amole, 2014-06-16 These reflections interwoven with anecdotes and stories focus on making a simple systematic and practical exposition for the spiritual enrichment of all Christians Page 4 of cover **Finding the Light in the Darkness** Keela Vaughn, 2014-02-19 Join me on a ten year journey through some dark times in my life Times that I felt helpless stressed bitter and depressed as a result of my husband s illness I have no magic spell to help others but I feel God has given me these trials so that I can tell my story and help someone who might be going through the same thing This life can be full of so many dark times Please walk down this path with me and follow the light one step at a time which will help us find our way Let me share with you how through my trials God led me to finding the light in the darkness **A Light Unto My Path** Howard N. **How to Live in the Kingdom of God** Richard Rundell, 2001-04-16 Confusion abounds among Christians today because so many believe they must postpone the reality of the Kingdom of God until some distant future or that they must wait until they die How to Live in the Kingdom of God addresses the questions of what where when and even why with regards to the Kingdom of God Believers today as they enter the millennium hunger for the deeper understandings about the Kingdom that this book offers The Scriptures declare the Kingdom of God is a present reality in which we can partake Readers of this book will learn the three levels of Christian maturity how they relate to the three feasts and how to apply them to their daily Christian walk
