The Guest Who Stayed Deepankar, 2012-01-16 All I wanted was to be left alone that weekend My entire existence depended on that The plot was in my mind and I just needed some time to pen my thoughts Ahlin should've left after the party was over He should've left next day He was standing between me and my destiny What could I do He had to go away for me to work Who knew things would take such a dark turn The Guest Room Tasha Sylva, 2023-07-11 Tess has a bad habit She can't stop snooping through her guests' belongings When Tess is forced to rent out her late sister's old room to pay the bills the urge to rummage through her guests' belongings overtakes her every thought Teasing herself with forbidden glimpses into the lives of strangers is a momentary thrill but it's the closest she's felt to anyone since the mysterious death of her sister Rosie After her newest lodger Arran takes the room Tess finds his salaciously detailed diary which chronicles his infatuation with a beautiful stranger The diary which appears harmless at first slowly takes a darker more menacing tone with each new entry Is this a crush or an obsession Her compulsion to know the truth leads to Tess shadowing Arran through the streets of London hoping to catch a glimpse of this unnamed woman And as she continues to peruse his diary she can't help but notice the similarities between the woman on the pages and herself Tasha Sylva's thrilling debut perfect for readers of A J Finn and Lucy Foley will keep you asking Who has truly been watching whom **The Guest Lecture** Martin Riker, 2023-01-24 With a voice as clear sincere and wry as any I've read in current American fiction Joshua Cohen Martin Riker's poignant and startlingly original novel asks how to foster a brave mind in anxious times following a newly jobless academic rehearsing a speech on John Maynard Keynes for a surprising audience In a hotel room in the middle of the night Abby a young feminist economist lies awake next to her sleeping husband and daughter Anxious that she is grossly

underprepared for a talk she is presenting tomorrow on optimism and John Maynard Keynes she has resolved to practice by using an ancient rhetorical method of assigning parts of her speech to different rooms in her house and has brought along a comforting albeit imaginary companion to keep her on track Keynes himself Yet as she wanders with increasing alarm through the rooms of her own consciousness Abby finds herself straying from her prepared remarks on economic history utopia and Keynes s pragmatic optimism A lapsed optimist herself she has been struggling under the burden of supporting a family in an increasingly hostile America after being denied tenure at the university where she teaches Confronting her own future at a time of global darkness Abby undertakes a quest through her memories to ideas hidden in the corners of her mind a piecemeal intellectual history from Cicero to Lewis Carroll to Queen Latifah as she asks what a better world would look like if we told our stories with more honest and more hopeful imaginations With warm intellect playful curiosity and an infectious voice Martin Riker acutely animates the novel of ideas with a beating heart and turns one woman s midnight crisis into the performance of a lifetime
