Carroll, 2024-07-08 Down down down Would the fall never come to an end I wonder how many miles I've fallen by this time she said aloud I must be getting somewhere near the centre of the earth Let me see that would be four thousand miles down I think for you see Alice had learnt several things of this sort in her lessons in the schoolroom and though this was not a VERY good opportunity for showing off her knowledge as there was no one to listen to her still it was good practice to say it over yes that's about the right distance but then I wonder what Latitude or Longitude I've got to Alice had no idea what Latitude was or Longitude either but thought they were nice grand words to say Presently she began again I wonder if I shall

fall right through the earth How funny it ll seem to come out among the people that walk with their heads downward The Antipathies I think she was rather glad there WAS no one listening this time as it didn t sound at all the right word but I shall have to ask them what the name of the country is you know Please Ma am is this New Zealand or Australia and she tried to curtsey as she spoke fancy curtseying as you re falling through the air      **Alice's Adventures in Wonderland** Lewis Carroll,2000-09-13 First published in 1865 Alice s Adventures in Wonderland began as a story told to Alice Liddell and her two sisters on a boating trip in July of 1862 The novel follows Alice down a rabbit hole and into a surreal world of strange and wonderful characters who constantly turn everything upside down with their mind boggling logic and word play and their fantastic parodies Carroll s fable illustrates his masterful ability to weave logic with nonsense in a tale that continues to delight all ages While this great classic is widely available the Broadview edition is unique Richard Kelly combines Alice s Adventures in Wonderland not with the later and largely distinct work Through the Looking Glass but rather with Alice s Adventures Under Ground Lewis Carroll s first version of the story Readers are thus able to trace the literary revisions and to compare Carroll s own illustrations in the original with the famous John Tenniel illustrations for Alice s Adventures in Wonderland Among the many other materials included in the Broadview Literary Texts edition are a substantial selection of early reviews selections from Carroll s diaries and correspondence Carroll s early nonsense poems and the originals of the poems parodied in his text      Alice's Adventures in Wonderland Lewis Carroll,1897 By falling down a rabbit hole and stepping through a mirror Alice experiences unusual adventures with a variety of nonsensical characters
