Broken! But in the Hands of the Potter Samuel T. Lartey, 2013-07-16 This book is relevant in these last days where the word brokenness has become a day to day ordinary vocabulary for man Brokenness is a subject that everyone regardless of background race profession citizenship etc can relate to in his or her life time on earth This book will be relevant in this contemporary time when the global economy is crunching political structures are being shaken world s systems are failing spouses are betraying their partners families are tearing apart as a result of unfaithfulness dreams and visions are being shattered and many individuals are being frustrated and depressed This book will show you how to use the mishaps in your life to achieve your God given dream and how to turn your bitter lemon into sweet lemonade Furthermore this book will ignite within you the flame of hope that no matter how badly you have been broken God can still take the broken pieces of your life and make you whole again and give you a brand new start Above all this book is written for all those who have been enrolled in the academy of super achievers and greatness and who want to be used greatly by God in their field of endeavour to affect positively many generations born and unborn and leave an indelible mark in their generation and all those whose passion is to minister life and demonstrate God and set up a rhythm of God in lives **JAR: A Vessel in the Hands of the**

The Proclamation of the Prophets G. A. Williams,2022-08-25 This book is a series of sermons summarizing the books of prophecy in the Old

Testament I intend these sermons to be studied preached or used as Bible lessons or for simple reference The books of prophecy express God's heart for His people the Jews and He chose them to be the primary vehicle of His message to mankind as the initial means of fulfilling God's mission of redemption and His kingdom being established on earth However after repeated attempts to call His people back to that mission God decided not to speak for four hundred years until John the Baptist showed up in Judea The proclamation of the prophets is also a promise of victory for the people of God The cry of God in the words of Malachi Return to me and I will return to you expresses God's commitment and unrelenting love for His people This proclamation is not based on replacement theology which assumes that the church has replaced the Jews But instead on God's promise to restore His people I hope you enjoy and are blessed with this work Use it as a beginning point in your study and research And in the end may God be glorified and may you be enlightened
