Pearson, Laura N. Van Dyke**

The Harmony Within The Spiritual Vision Of George Macdonald:

The Harmony Within Rolland Hein,2013-12-01 George MacDonald is a witness to the power of imagination By using the art of enchantment he is able to draw readers into another world seemingly more real than this one What was the power behind his imagination and what drove MacDonald s art It was his vision of the spiritual life that provided the context for his fantastic fairy tales and other writings The Harmony Within The Spiritual Vision of George MacDonald takes a close look at the religious roots of MacDonald s writing So many people today are looking for a spiritual connection between God and man between myth and destiny George MacDonald s work provides a doorway to other worlds the ideas behind his writing may help reshape the mythic elements of our lives [The Harmony Within](#) Rolland Hein,1987 [The Harmony Within](#) Rolland Hein,1989 **The Harmony Within** Rolland Hein,1989-01 **The Harmony Within** Rolland Hein,2013-12-01 George MacDonald is a witness to the power of imagination By using the art of enchantment he is able to draw readers into another world seemingly more real than this one What was the power behind his imagination and what drove MacDonald s art It was his vision of the spiritual life that provided the context for his fantastic fairy tales and other writings The Harmony Within The Spiritual Vision of George MacDonald takes a close look at the religious roots of MacDonald s writing So many people today are looking for a spiritual connection between God and man between myth and destiny George MacDonald s work provides a doorway to other worlds the ideas behind his writing may help reshape the mythic elements of our lives

George MacDonald's Spiritual Vision George MacDonald,2020-10-01 A leading George MacDonald scholar presents a fascinating introduction to the 19th century Scottish author s views on Christianity faith and God The Victorian author poet and theologian George MacDonald inspired some of the greatest writers of the early 20th century including C S Lewis who said MacDonald s books were pivotal in leading him toward Christianity While MacDonald s beloved fiction including classics like Robert Falconer and At the Back of the North Wind remain popular his sermons and nonfiction writings on faith are less well known Now MacDonald scholar and biographer Michael Phillips presents a comprehensive introduction to George MacDonald s theological ideas In George MacDonald s Spiritual Vision Phillips provides extensive thematically arranged quotes from the author s writings This brief volume covers topics from the nature and character of God to salvation justice and atonement **Theology of George MacDonald** John R. de Jong,2021-01-01 George MacDonald 1824 1905 was writing

at a time of Evangelical unease In a society ravaged by Asiatic cholera numbed by levels of infant mortality and fearful of revolution and the toxicity of industry to name but a few of the many challenges the gospel proclaiming eternal damnation for unbelievers was hardly good news rather Christianity was increasingly viewed as the source of bad news and a tool of state oppression MacDonald agreed in his view the church had become a vampire sucking the blood of her children instead of offering them Eucharistic life In contrast like Christ MacDonald offers us a child Although at first sight a familiar Romantic incarnation in MacDonald s theology the child becomes an unlikely icon challenging the vampire s kingdom and confronting

the foundations of much of Western theology John R de Jong's meticulously researched study of MacDonald's work especially his realist and fantasy novels in its Victorian context is of more than historical interest In light of the growth of fundamentalist expressions of Christianity we are encouraged to consider embracing MacDonald's radical solution to religious vampirism becoming children

The Transcendent Vision of Mythopoeic Fantasy David S. Hogsette, 2022-08-04 An ever expanding critical library on fantasy fiction requires an analysis of why the genre is so ubiquitous enduring and beloved This work analyzes the mythic elements in foundational fantasy texts arguing that mythopoeic fantasy reveals timeless truths that link human cultures past and present Through close readings of works like Phantastes The King of Elfland's Daughter The Fellowship of the Ring The Lion the Witch and the Wardrobe A Wizard of Earthsea The Neverending Story A Wrinkle in Time and Out of the Silent Planet this book explores how mythopoeic fantasy speaks to the deepest concerns of the human heart It investigates the genre's use of an imagination that is sometimes atrophied by the demands of contemporary life and explores how fantasy provides restoration consolation and hope within a cultural context that too often decries such ideas Each chapter focuses on a representative text providing author background and engaging relevant scholarship on a variety of relevant thematic issues Offering new insights on these classic texts by drawing upon post secular critical approaches this work is suitable for both new and seasoned students of fantasy

The Inklings and Culture Monika B. Hilder, Sara L. Pearson, Laura N. Van Dyke, 2020-11-24 How did five twentieth century British authors C S Lewis J R R Tolkien Charles Williams Owen Barfield and Dorothy L Sayers along with their mentors George MacDonald and G K Chesterton come to contribute more to the intellect and imagination of millions than many of their literary contemporaries put together How do their achievements continue to inform and potentially transform us in the twenty first century In this first collection of its kind addressing the entire famous group of seven authors the twenty seven chapters in The Inklings and Culture explore the legacy of their diverse literary art inspired by the Christian faith art that continues to speak hope into a hurting and deeply divided world

Truths Breathed Through Silver Joe R. Christopher, Jonathan Himes, Salwa Khoddam, 2009-03-26 Representing a decade of scholarly activity within the C S Lewis Inklings Society CSLIS this book challenges readers to examine the complex factors that shaped the theological perspectives cultural concerns and literary conventions in the works of the Oxford Inklings The mythopoeic fiction that Lewis Tolkien Williams and their associates enjoyed and composed put mortal humanity in contact with the immortal and the divine The selection of papers in this volume intended not only for experts but also for undergraduates and general readers includes keynote presentations by Joe R Christopher Rolland Hein Kerry Dearborn David Neuhouser and Thomas Howard that explore the Inklings legacy of moral mythopoeia as well as essays that analyze works like Screwtape Tom Shippey The Magician's Nephew Salwa Khoddam The Silmarillion Jason Fisher The Lord of the Rings David Oberhelman and The Dark Tower Jonathan B Himes The Inklings believed there was still power in the old myths and ultimately that there was still truth to fortify humanity in them Their friendship and their fiction provided

these men a forum for entertaining speculative and sometimes unorthodox answers to the complex realities of sacred tradition

The Doctor in the Victorian Novel Tabitha Sparks, 2016-03-23 With the character of the doctor as her subject Tabitha Sparks follows the decline of the marriage plot in the Victorian novel As Victorians came to terms with the scientific revolution in medicine of the mid to late nineteenth century the novel's progressive distance from the conventions of the marriage plot can be indexed through a rising identification of the doctor with scientific empiricism A narrative's stance towards scientific reason Sparks argues is revealed by the fictional doctor's relationship to the marriage plot Thus novels that feature romantic doctors almost invariably deny the authority of empiricism as is the case in George MacDonald's *Adela Cathcart* In contrast works such as Wilkie Collins's *Heart and Science* which highlight clinically minded or even sinister doctors uphold the determining logic of science and in turn threaten the novel's romantic plot By focusing on the figure of the doctor rather than on a scientific theme or medical field Sparks emulates the Victorian novel's personalization of tropes and belief systems using the realism associated with the doctor to chart the sustainability of the Victorian novel's central imaginative structure the marriage plot As the doctors Sparks examines increasingly stand in for the encroachment of empirical knowledge on a morally formulated artistic genre their alienation from the marriage plot and its interrelated decline succinctly herald the end of the Victorian era and the beginning of Modernism

Victorian Fantasy Stephen Prickett, 2005 Far from being just children's literature Victorian Fantasy is an art form that flourished in opposition to the repressive social and intellectual conditions of Victorianism In this fully revised and expanded edition Stephen Prickett explores the way in which Victorian writers used non realistic techniques nonsense dreams visions and the creation of other worlds to extend our understanding of this world In particular Prickett focuses on six writers Lear Carroll Kingsley MacDonald Kipling and Nesbit tracing the development of their art form their influences on each other and how these writers used fantasy to question the ideology of Victorian culture and society

C. S. Lewis's List David Werther, Susan Werther, 2015-04-09 In 1962 *The Christian Century* published C S Lewis's answer to the question What books did most to shape your vocational attitude and your philosophy of life Lewis responded with ten titles ranging from Virgil's *Aeneid* to James Boswell's *The Life of Samuel Johnson* and from George Herbert's *The Temple* to Boethius's *The Consolation of Philosophy* C S Lewis's List brings together experts on each of the ten books to discuss their significance for Lewis's life and work illuminating his own writing through those he most admired

Freedom for Obedience Donald G. Bloesch, 2002-04-15 The Christian ethic is an ethic that cannot be assimilated into the moral consensus of the wider community The way of the cross cannot be reconciled with the way of the world just as the gospel cannot be conjoined with the laws that gave stability to social order The thesis of this book is that human justice can never be a substitute for divine justification but it can be a sign and witness to the justifying grace of God in Jesus Christ Humanitarian works can never reach the heights of deeds of sacrificial love and mercy but they can point to this higher righteousness and awaken a thirst for it We must always be on

guard against two perils the Scylla of legalism and rigorism and Charybdis of antinomianism An ethics of the divine commandment by uniting law and grace the imperative and the indicative shows how we can live the authentic Christian life in obedience to the highest which is not a law but a person not an ideal but the reality of the New Being the power of crucified love as we see this in Jesus Christ from Freedom for Obedience *Reading St. Luke's Text and Theology: Pentecostal Voices* Riku P. Tuppurainen, 2019-10-16 Lukan narrative takes its readers into God's story how his salvation plan in Jesus began on the slopes of Judea and at the Sea of Galilee ending on the hill of Calvary and the Mount of Olives yet moving on and telling how the Spirit descended onto the Temple Mount empowering God's people who then began to fulfill the given mandate in the presence of the Spirit Yet readers of Luke Acts throughout the centuries have had a meandering journey as they have tried to understand the narrative's persuasion and Spirit references This book seeks to bring awareness to these challenges by some of the most respected Pentecostal biblical scholars and systematicians Here their vigorous labor with the questions of hermeneutics and theology in relation to Lukan writings have come to fruition These contributions have been collected as a Festschrift in honor and celebration of the career of Roger Stronstad a Pentecostal biblical scholar whose contribution to Lukan studies have moved Pentecostal scholarship from shadows into daylight The editor of this volume invites the readers of Lukan narrative to journey together on the road to Emmaus as we continue to ponder the events in the past the present and the future *George MacDonald's Challenging Theology of the Atonement, Suffering, and Death* Miho Yamaguchi, 2007-06 This book sheds light on the challenging theology of nineteenth century Scottish writer George MacDonald concerning the true meaning of the Atonement the purpose of trials and suffering the nature of the unpardonable sin hope for growth and death Under consideration is Thomas Hooker's Poor Doubting Christian Drawn unto Christ on the redemption of Joan Drake and its influence on MacDonald's Wingfold trilogy MacDonald's version of the Wandering Jew MacDonald's interpretation of Coleridge's The Rime of the Ancient Mariner and Dante's Divine Comedy and similarities and differences between the theological ideas of MacDonald C. S. Lewis Elizabeth Prentiss and Shusaku Endo *Sehnsucht: The C. S. Lewis Journal* Bruce R. Johnson, 2019-01-11 Sehnsucht The C. S. Lewis Journal established by the Arizona C. S. Lewis Society in 2007 is the only peer reviewed journal devoted to the study of C. S. Lewis and his writings published anywhere in the world It exists to promote literary theological historical biographical philosophical bibliographical and cultural interest broadly defined in Lewis and his writings The journal includes articles review essays book reviews film reviews and play reviews bibliographical material poetry interviews editorials and announcements of Lewis related conferences events and publications Its readership is aimed at academic scholars from a wide variety of disciplines as well as learned non scholars and Lewis enthusiasts At this time Sehnsucht is published once a year *Pygmalion and Galatea* Essaka Joshua, 2021-09-09 This title was published in 2001 Pygmalion and Galatea presents an account of the development of the Pygmalion story from its origins in early Greek myth until the twentieth century It focuses on the use of the story in nineteenth century British

literature exploring gender issues the nature of artistic creativity and the morality of Greek art

Victorian Science and Imagery Nancy Rose Marshall, 2021-07-27 The nineteenth century was a period of science and imagery when scientific theories and discoveries challenged longstanding boundaries between animal plant and human and when art and visual culture produced new notions about the place of the human in the natural world Just as scientists relied on graphic representation to conceptualize their ideas artists moved seamlessly between scientific debate and creative expression to support or contradict popular scientific theories such as Darwin's theory of evolution and sexual selection deliberately drawing on concepts in ways that allowed them to refute popular claims or disrupt conventional knowledges Focusing on the close kinship between the arts and sciences during the Victorian period the art historians contributing to this volume reveal the unique ways in which nineteenth century British and American visual culture participated in making science and in which science informed art at a crucial moment in the history of the development of the modern world Together they explore topics in geology meteorology medicine anatomy evolution and zoology as well as a range of media from photography to oil painting They remind us that science and art are not tightly compartmentalized separate influences Rather these are fields that share forms manifest as waves layers lines or geometries that invest in the idea of the evolution of form and that generate surprisingly kindred responses such as pain pleasure empathy and sympathy

Readings in Christian Ethics David K. Clark, Robert V. Rakestraw, 1994-02 Essays by leading ethicists provide students with a comprehensive introduction to ethical thinking

Reviewing **The Harmony Within The Spiritual Vision Of George Macdonald**: Unlocking the Spellbinding Force of Linguistics
