

The Hasidic Anthology

TALES and TEACHINGS of THE HASIDIM

*Translated from the Hebrew, Yiddish, and
German, and selected, compiled, and arranged*

by

Louis L. Newman

"This is a precious treasury of Jewish thinking and feeling. When a contemporary has the feeling, when we have forgotten, of spiritual and moral communion with the great sages of the past."

"This is a remarkable book—a valuable treasure chest. It shows all our suffering, with other spiritual lives, as in the old days, all our Biblical values, the religious, the popular, the moral, the spiritual, the intellectual, and the scientific, and the human, the divine, the eternal, the universal, and the individual, all in the one book."

—The Jewish People
