The Hawklane Monster:

The Hawklane Monster Richard Brautigan, 1974 The year is 1902 the setting Eastern Oregon A 15 year old Indian girl wanders into a whorehouse looking for men to kill the monster that lives in the ice caves under the basement of Miss Hawklane s house Armed with a trunkful of guns two men set off in search of the Hawklane Monster What follows is a series of unusual and often comic encounters in this parody of two literary genres The Hawklane Monster Richard Brautigan, 1976 Instrucciones para los trabajos geodésicos de 2o. y 3er. orden , 1908 Richard Brautigan's A Confederate General from Big Sur, Dreaming of Babylon, and The Hawklane Monster Richard Brautigan, 1991 Three books in the manner of their original editions **International Postmodernism** Johannes Willem Bertens, Hans Bertens, Douwe Fokkema, 1997 Containing more than fifty essays by major literary scholars International Postmodernism divides into four main sections The volume starts off with a section of eight introductory studies dealing with the subject from different points of view followed by a section that deals with postmodernism in other arts than literature while a third section discusses renovations of narrative genres and other strategies and devices in postmodernist writing The final and fourth section deals with the reception and processing of postmodernism in different parts of the world Three important aspects add to the special character of International Postmodernism The consistent distinction between postmodernity and postmodernism equal attention to the making and diffusion of postmodernism and the workings of literature in general and the focus on the text and the reader i e the reader s knowledge experience interests and competence as crucial factors in text interpretation This comprehensive study does not expressly focus on American postmodernism although American interpretations of postmodernism are a major point of reference The recognition that varying literary and cultural conditions in this world are bound to produce endless varieties of postmodernism made the editors Hans Bertens and Douwe Fokkema opt for the title International Postmodernism The Magic Children Roger Echo-Hawk, 2016-05-23 This provocative book confronts the fallacy of race and American Indian racialism and challenges us to move American culture policy and scholarship beyond race Exploring Postmodernism Matei Calinescu, Douwe W. Fokkema, 1988-01-01 The great diversity of contexts in which the term Postmodernism is currently encountered reflects the remarkable success of a coinage that has been in circulation for only about forty years It has been used by philosophers sociologists art critics and literary historians to become finally a household word in the language of advertising and politics Before letting it fade to a derelict cliché an attempt is made in this volume of essays to use its potential as a cultural concept for the analysis and understanding of contemporary literature and thought *The Play of the Double in Postmodern American Fiction* Gordon Slethaug, 1993 In *The Hawklane Monster* Brautigan s minimalist metafictional parody of the double depicts our narcissistic view of reality In *Double or Nothing* Federman subverts the conventional double exposing its gamelike structures and traditional views of life and text A Rhetoric of the Unreal Christine Brooke-Rose, 1981-10-15 This 1981 book is a study of wide range of fiction from short stories

to tales of horror from fairy tales and romances to science fiction to which the rather loose term fantastic has been applied Cutting across this wide field Professor Brooke Rose examines in a clear and precise way the essential differences between these types of narrative against the background of realistic fiction In doing so she employs many of the methods of modern literary theory from Russian formalism to structuralism while at the same time bringing to these approaches a sharp critical intuition and sound common sense of her own The range of texts considered is broad from Poe and James to Tolkien from Flann O'Brien to the American postmodernism This book should prove a source of stimulation to all teachers and students of modern literary theory and genre as well as those interested in fantastic literature *Richard Brautigan* John F.

Barber, 2014-12-09 Best known for his novel Trout Fishing in America American writer Richard Gary Brautigan 1935 1984 published eleven novels ten poetry collections and two story collections as well as five volumes of collected work several nonfiction essays and a record album of spoken voice recordings Brautigan's idiosyncratic style and humor caused him to be identified with the counterculture movement of the 1960s The authors of many of these 32 essays knew Brautigan personally and professionally others came to know and respect him through a cultivated connection with his writings The essays many of which are new others of which were published in obscure journals combine personal remembrance of the man and critical appraisal of his still controversial works Includes previously unpublished photographs and artworks *Encyclopedia of*
