emotion was a matter of transactions They saw emotion as a commodity and conceptualized relations between people and between individuals and God as transactions of emotion governed by contract Religion became a business relation with God with prayer as its legal tender Entering this relationship they were conducting the business of the heart This innovative study shows that the revival with its commodification of emotional experience became an occasion for white Protestants to underscore differences between themselves and others The display of emotion was a primary indicator of membership in the Protestant majority as much as language skin color or dress style As Corrigan unravels the significance of these culturally constructed standards for emotional life his book makes an important contribution to recent efforts to explore the links between religion and emotion and is an important new chapter in the history of religion The Businessmen s Revival was a religious revival that unfolded in the wake of the 1857 market crash among white middle class Protestants Delving into the religious history of Boston in the 1850s John Corrigan gives an imaginative and wide ranging in *From The Heart Of A Country Preacher* Neal Murphy, 2007-11 This book includes over 300 sermon outlines from almost every book of the Bible poems jokes and topical sermons by the Rev Clarence Howell whose ministerial work spanned some 75 years These sermons are rich in content Biblical truths inspiration and instruction They may be used by preachers pastors evangelists and Sunday School teachers for building a message on a particular topic or a specific scripture passage Many sermons for special days and holidays are in this treasury including a wedding ceremony that he used over 850 times This book may also be used as a daily devotional reading God s word will have another opportunity to inspire hearts and win souls Rev Howell my father in law earned an Associate Arts degree from Wayland Baptist College a Bachelor of Arts Degree from Hardin Simmons University and a Master s degree in Theology from Southwestern Baptist Theological Seminary in Fort Worth Kenneth Neal Murphy resides in his birthplace San Augustine Texas with his wife Clara He has two children Kay Fatherree a pastor s wife of Wyoming and Doug Murphy a police officer in North Carolina and five grandchildren Neal earned a Bachelor of Business Administration from Stephen F Austin State University in Nacogdoches Texas and a Master s Degree in Insurance from the Insurance Institute of America He also attended Baylor University in Waco Texas where he studied religion courses He is a Deacon in a Baptist Church and has taught Sunday School classes and directed church choirs for years He began his writing in 2005 and many of his short stories about his life have been published in Reminisce Magazine Good Old Days Magazine and the new Town Square magazine One story was included in *Memories of Mother* a book published by Xulon Press [Revivals Visitations And Moves Of God](#) ,2021-07-01 Revival is bringing something that is dead back to life Much of today s Church needs reviving When God comes in an unusual way releasing His presence and power over and above what a church normally experiences we call it a visitation of God Every visitation of God should become a habitation of God and become a move of God going beyond that local church into the community city and nation The move of God results in evangelization missions and the fulfilling of the Great Commission Starting in the book of Acts and down through the centuries there have been

numerous visitations and moves of God We look at Church history Understanding history helps us correctly interpret the present and prepare for the future We draw inspiration insight and lessons from what God has done in the past by reviewing stories and asking relevant questions What can we learn from Church history about revivals visitations and moves of God What does it take for a visitation of God to become a move of God What are signs of a genuine visitation of God How do we steward a revival a visitation and a move of God The latter rain falls just before harvest Therefore be patient brethren until the coming of the Lord See how the farmer waits for the precious fruit of the earth waiting patiently for it until it receives the early and latter rain You also be patient Establish your hearts for the coming of the Lord is at hand James 5 7 8 In biblical context the early rains were showers that usually came during October November and prepared the ground for the seed The latter rain fell during March April and was necessary for the ripening of the crops before harvest If we believe God is preparing for a mighty endtime outpouring a great visitation and ingathering of harvest before His return then we must get ourselves and our congregations ready for the latter rain of the Holy Spirit Watch our online Sunday Church service live stream every Sunday at 10 30am Indian Time GMT 5 30 Spirit filled anointed worship Word and ministry for healing miracles and deliverance YOUTUBE <https://youtube.com/allpeopleschurchbangalore> WEBSITE <https://apcwo.org/live> Our other websites and free resources CHURCH <https://apcwo.org> FREE SERMONS <https://apcwo.org/sermons> FREE BOOKS <https://apcwo.org/books> DAILY DEVOTIONALS <https://apcwo.org/resources/daily-devotional> JESUS CHRIST <https://examiningjesus.com> BIBLE COLLEGE <https://apcbiblecollege.org> E LEARNING <https://apcbiblecollege.org/elearn> COUNSELING <https://chrysalislife.org> MUSIC <https://apcmusic.org> MINISTERS FELLOWSHIP <https://pamfi.org> CHURCH APP <https://apcwo.org/app> CHURCHES <https://apcwo.org/ministries/churches> This book may be freely used by individuals small groups churches and ministries for non commercial purposes These are not to be sold and must be distributed freely **Straight to the Heart of 1 and 2**

Leonard,2014-11-18 For many people knowing about God is not enough they also want to feel God s presence Whether like St Paul s experience on the road to Damascus or like Wesley s strangely warmed heart people believe that nothing can substitute for religious experience Even today people go to church in order to encounter the Divine by which they mean experience God in their midst This desire to meet or be met by God is as old as humanity but America especially has been the seed bed for what William James famously called varieties of religious experience These experiences cover a wide spectrum from classic mysticism to revivalist conversion to a contemporary pursuit of spirituality A Sense of the Heart traces the nature of religious experience from the colonial era to the present attempting to define and describe the nature of religious experience and noting common and distinct approaches in the work of various scholars and practitioners Following that A Sense of the Heart offers a historical review of representative types of religious experience the nature of such experiences and their impact on the American religious and cultural context as evident in awakenings controversies denominations and new religious communities
