The Heart Of Texas:

In the Heart of Texas Ginger McKnight-Chavers, 2025-07-30 Named a Top Pick by RT Book Reviews Named a Fall Must Read by RedbookMag.com PopSugar Parade Magazine Brit Co SoulCycle Hailed as a Best Fiction Book by Women of Color at Bustle.com Pitched as a poor man's Halle Berry forty one year old soap star Jo Randolph has successfully avoided waiting tables since she left Midland Texas at eighteen But then in the span of twenty four hours Jo manages to lose her job burn her bridges in Hollywood and accidentally burn down her lover director's beach house after which she is shipped home to Texas by her agent to stay out of sight while she sorts out her situation The more Jo reluctantly reconnects with her Texas roots and the family and friends she left behind the more she regains touch with herself as an artist and with what is meaningful in life beyond the limelight The summer of 2007 is cathartic for Jo whose career and lifestyle have allowed her to live like a child for forty years but who now must transition to making grown up decisions and taking on adult responsibilities In the Heart of Texas is a wry humorous commentary on the complexities of race class relationships politics popular culture and celebrity in our current society

Battle for the Heart of Texas Mark Owens, Ken Wink, Kenneth Bryant, 2022-08-11 Texas is a solid red state Or trending purple Or soon to be blue One thing is certain as Texas looms ever larger in national politics the makeup of its electorate increasingly matters At a critical moment as migration immigration and a maturing populace alter the state's political landscape this book presents a deeply researched data rich look at who Texas voters are what they want and what it might mean for the future of the Republican and Democratic parties the state and the nation Battle for the Heart of Texas goes beyond the pronouncements of leaders and pundits to reveal voters nuanced opinions about the 2020 Democratic primary candidates state and national Republicans responses to the Covid 19 pandemic and issues such as immigration and gun policy Working with an unprecedented cache of polling figures and qualitative data from surveys and focus groups the product of a cooperative effort between the Dallas Morning News and The University of Texas at Tyler Mark Owens Kenneth A Wink and Kenneth Bryant Jr provide an in depth examination of what is reshaping voter preferences across Texas including the partisan impact of the urbanization and nationalization of state politics Their analyses pinpoint the influence of race media exposure ideological diversity within the parties and geographic variation across the state detailing how Texas politics has changed over time Race may not have typically defined Texas politics for instance but the authors find that rhetoric on policies related to race are now shaping the electorate The diversity in civic engagement among the Latino community also emerges from the data compounded and complicated by the growth of the Latino population of voting age The largest red state in the country with the second largest population Texas is crucial to the way we think about political change in America and this book amply and precisely equips us to understand the bellwether state's changing politics

At the Heart of Texas Richard B. McCaslin, 2014-04-01 History like that of Texas is rare Is it not discreditable to the people of Texas that they should leave the collection of material for the history of the State to the great endowed Northern libraries Let Texas

arouse herself for very shame and begin at once the discharge of her filial duty So wrote George Pierce Garrison in the first issue of the Quarterly of the Texas State Historical Association published in July 1897 just months after the establishment of the organization on March 2 The state of Texas was just half a century old the city of Austin going back to the days of the Republic was a little older a few years past its half century and the University of Texas where Garrison was the history professor was not yet fourteen Earlier attempts to organize historical societies in Texas traced in the opening chapter illuminate the factors that came ultimately to be decisive in the success of the Association the wisdom in linking the organization with the University of Texas the inclusion of lay historians and the continued insistence on high academic standards And from the beginning the Association has established a tradition for publishing in the Quarterly in addition to the Anglo story the stories of the Indians the Spanish and the French According to author Richard B McCaslin It may be that the Association survived where its predecessors had not because Garrison who was as much a Progressive historian as any of his contemporaries understood the value of inclusiveness The text is organized in chronological chapters by the tenures of the seven directors George Garrison to Ron Tyler all of whom were professors in the UT history department Within the larger framework of the directors the programs and the publications McCaslin gives shape to the unique interaction of forces university political and the academic lay membership that has accorded the Association a character and suppleness that continues to ensure its long endurance The book is profusely illustrated and sidebars culled from past issues of the Quarterly complement the text Winner of the Award of Merit from the Philosophical Society of Texas *Deep in the Heart of Texas*, 1999 In this companion volume to *Texas Cattle Barons* Ryan invites readers to venture beyond the ranch gate to share ranchers insights on their work and lifestyle 100 photos **Norsemen Deep in the Heart of Texas** Gunnar Nerheim, 2024-06-18 As historian Gunnar Nerheim states in his introduction Norway is a foreign country to Texans and Texas is a foreign country to Norwegians Neither in Norway nor Texas has there been any awareness that so many Norwegians settled in antebellum Texas *Norsemen Deep in the Heart of Texas* brings Norwegian settlement in Texas to light and in doing so offers the first ever comprehensive history of Norwegians in Texas Fluent in both English and Norwegian Nerheim has done what no other historian has done by combining primary and secondary sources from both languages and both countries A well established European scholar Nerheim examines these never before referenced sources telling the story of Norwegian immigration to Texas explaining the contexts of Norwegian immigration to Texas in the nineteenth and early twentieth centuries and uncovering its significance to the histories of both countries The larger historical context reveals that immigration to Texas operated as part of dynamic circumstances on both sides of the Atlantic including slavery and the Civil War Drawn from the perspectives of both regions the history of Norwegian settlement in Texas provide new insights into European immigration Readers interested in Texas Norwegian and trans Atlantic history as well as nineteenth century immigration will find new horizons in *Norsemen Deep in the Heart of Texas* *Heart of Texas* Debbie K Medlin, 2022-01-19

Imagine for a moment that your house could tell your story What would it say about your life and the deep secrets you thought no one else knew The Heart of Texas introduces the Franklin Bailey family The story as witnessed by their house traces the family s life experiences from 1918 through 1933 This fifteen year period encompasses major events such as the Great World War the Spanish Flu women s suffrage the Stock Market Crash and the Dust Bowl The story is set in Oak Hill Texas a small town on the outskirts of Austin How did the Baileys cope during these chaotic times Come meet the Baileys The door is open waiting for you

Deep in the Heart of Texas ,2017 **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954** United States. Internal Revenue Service,1989 **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954** ,2003 **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986** ,1987 The Spirit of the Heart James P. Robson,2013-09-19 The Spirit of the Heart is a collection of poems with most written during late 2012 through mid 2013 Each of them resulted from personal thoughts and experiences and from studying Gods Word Before writing down these words I processed them through my heart to be blessed by the Holy Spirit With the Holy Spirit dwelling in the human heart the heart opens up to the Truth of being It takes practice patience and faith to hear and understand as the Holy Spirit responds conveys and directs the Truth through the magic of the heart My hope is that each reader will use these poems as a guide and a catalyst to gain insight into the power and love of the Holy Spirit who was sent as a Comforter by the love and grace of Jesus Christ

Publication ,1991 *Deep in the Heart of High School* Veronica Goldbach,2009-04-27 Three friends Olivia Silverstein Fatima Garcia and Vanessa Reynolds help one another through family troubles romantic crushes and the perils of freshman year at a San Antonio Texas high school *Heart of Creation* Andrea Joyce Stone,2002 This accessible state of the art review of Mayan hieroglyphics and cosmology also serves as a tribute to one of the field s most noted pioneers The core of this book focuses on the current study of Mayan hieroglyphics as inspired by the recently deceased Mayanist Linda Schele As author or coauthor of more than 200 books or articles on the Maya Schele served as the chief disseminator of knowledge to the general public about this ancient Mesoamerican culture similar to the way in which Margaret Mead introduced anthropology and the people of Borneo to the English speaking world Twenty five contributors offer scholarly writings on subjects ranging from the ritual function of public space at the Olmec site and the gardens of the Great Goddess at Teotihuacan to the understanding of Jupiter in Maya astronomy and the meaning of the water throne of Quirigua Zoomorph P The workshops on Maya history and writing that Schele conducted in Guatemala and Mexico for the highland people modern descendants of the Mayan civilization are thoroughly addressed as is the phenomenon termed Maya mania the explosive growth of interest in Maya epigraphy iconography astronomy and cosmology that Schele stimulated An appendix provides a bibliography of Schele s publications and a collection of Scheleana written memories of the Rabbit Woman by some of her colleagues and students Of interest to professionals as well as generalists this collection will stand as

a marker of the state of Mayan studies at the turn of the 21st century and as a tribute to the remarkable personality who guided a large part of that archaeological research for more than two decades

The Heart of the Matter Wesley M. Collins,2016-11-16 Can a culture have a theme that unifies seemingly unrelated practices In this volume Collins suggests that Maya Mam customs as different as constructing a house staying healthy seeking God disciplining children agreeing to a

contract or just speaking the language all originate from the same concept a search for the center This is far more than mere balance long recognized as a Mayan cultural value Rather center space is a place of physical and metaphysical peace acceptance meaning health happiness and home Collins also shows how centeredness is deeply embedded in the grammar of Mam its lexicon morphology syntax and discourse structure This relatedness of Mam culture and linguistics provides an unusually detailed contribution to the debate on linguistic relativity and the Sapir Whorf hypothesis Collins combines historical accounts with firsthand ethnographic and linguistic methodology to explore the concept of centeredness Detailed accounts of his personal interaction with the Mam illustrate and enrich the book s concepts This volume will interest students of the relationship between language and culture generally and specifically those interested in the study of Maya of Mexico and Guatemala

The American Indian as Slaveholder and Seccessionist: An Omitted Chapter in the Diplomatic History of the Southern Confederacy Annie Heloise Abel,2011-01-01

The Heart of It All Juliane,2018-04-17 He was born to adventure following in the footsteps of a Russian grandfather on his fathers side and an Irish grandfather on his mothers side Being the first and only grandson for the first ten years of his life he learned about adventure war and life sitting at the feet of these two great men He was a force from the beginning and he knew exactly where he wanted to go despite the desires and wishes of his family This story is about many of his remarkable achievements his love of his country and his persistent sense of duty even until his last days

The Heart of the Mission Cary Cordova,2017-05-04 An illustrated in depth examintion of the avant garde and politically radical Latino art of San Francisco s Mission District In The Heart of the Mission Cary Cordova combines urban political and art history to examine how the Mission District a longtime bohemian enclave in San Francisco has served as an important place for an influential and largely ignored Latino arts movement from the 1960s to the present Well before the anointment of the Mission School by art world arbiters at the dawn of the twenty first century Latino artists writers poets playwrights performers and filmmakers made the Mission their home and their muse The Mission home to Chileans Cubans Guatemalans Mexican Americans Nicaraguans Puerto Ricans and Salvadorans never represented a single Latino identity In tracing the experiences of a diverse group of Latino artists from the 1940s to the turn of the century Cordova connects wide ranging aesthetics to a variety of social movements and activist interventions The book begins with the history of the Latin Quarter in the 1940s and the subsequent cultivation of the Beat counterculture in the 1950s demonstrating how these decades laid the groundwork for the artistic and political renaissance that followed Using oral histories visual culture and archival research she analyzes the Latin jazz scene of the 1940s Latino involvement in the avant garde of the 1950s the Chicano movement and Third World movements of the 1960s the community mural movement of the 1970s the transnational liberation movements in Nicaragua and El Salvador and the AIDS activism of the 1980s Through these different historical frames Cordova links the creation of Latino art with a flowering of Latino politics
