Awakening as Holy Mystery Kevin G. Thew Forrester, 2025-07-15 Christianity is an ancient non dual spiritual path of awakening This is not an awakening to God known as a religious object through the lens of belief hewn into shape through a set of religious doctrines This awakening begins with falling in love with the heart of Reality Holy Mystery and comes to fruition in the realization that the soul is one with the Beloved Holy Mystery the soul discovers is the true I of existence The author invites the reader on a journey through reflections and explorations nurtured by worship and prayer Here the soul might begin to slowly awaken to the truth of what she herself is This is the gracious path of Jesus own heart realizing that he and the Beloved are one Jesus awakens as the Christ The spiritual path in the Christian tradition is that each person also realizes Christ heart awakening and knowing not only one's own being as Holy Mystery but all creation as the unfolding flowering of boundless love Awakening becomes the source of servanthood and service Jesus embodies what each is called to realize as the heart's deepest and unceasing longing

Revivals, Awakening and Reform William G. McLoughlin, 1978 In *Revivals Awakenings and Reform* McLoughlin draws on psychohistory sociology and anthropology to examine the relationship between America's five great religious awakenings and their influence on five great movements for social reform in the United States He finds that awakenings and the revivals that are part of them are periods of revitalization born in times of cultural stress and eventuating in drastic social reform Awakenings are thus the means by which a people or nation creates and sustains its identity in a changing world This book is sensitive thought provoking and stimulating It is must reading for those interested in awakenings and even though some may not revise their views as a result of McLoughlin's suggestive outline none can remain unmoved by the insights he has provided on the subject

Christian Century This is one of the best books I have read all year Professor McLoughlin has again given us a profound analysis of our culture in the midst of revivalistic trends Review and Expositor

suffocating under the spirit of slumber while believing all is well BUT THERE IS HOPE YOU You and millions like you have the call the passion and the desire to do what religion and its accompanying litany of legalism can never accomplish You can change the world your country your city your neighborhood your home Zito calls on believers to the last day Church s mandate to be a house of prayer if it is to move in an anointing which will make the world take notice of the Most High God Zito notes A church bulletin contains more social activities and outings than times set aside to really pray and seek the Father s face The power of the Holy Spirit awaits all those who will respond to the burden of this book to shake off religious irrelevancy and to do the will of God despite all opposition
