Sherwood, 2013-09-04 The title and subtitle say a great deal about the character of this book These are stories about people who inevitably stand out in a crowd for their personal attributes their ethical standards the ways in which they have coped with great problems and their remarkable achievements Significantly

fourteen of the sixteen stories in this book are about people who have in some way contributed to better government. Several have worked directly in government, others have been teachers, and still others have found ways to make contributions. Not all the stories are about people in the U.S. The two stories from Brazil involve people who stayed at home and did their good work there; in the other two instances, already blossoming careers at home were ended by extreme governmental changes. In all cases, however, these are people who must be admired for their extreme dedication to the highest ideals of service. In effect, this book can be considered a primer on government that works. The two whose stories did not directly concern government contributed mightily to a better society. One was a highly productive author who in later years concentrated on children's books and wrote more than 50 of them. The other pioneered a wholly different journalistic undertaking, the city regional magazine. Today these publications are found throughout the country and are distinguished by their design quality and their commitment to the communities they serve.

**CAPE HENRY HOUSE** Jolly Walker Bittick, 2021-04-30 Based on a true story, Cape Henry House is a coming-of-age epoch about a ragtag group of sailors and their partying adventures from a bygone era, as told by former Petty Officer Third Class Bosner. When two of his best friends move into a house off base, they believe it will be a place to relax and have a few beers. For three weeks in early 2008, it's a place to roar and have a few kegs. From bars and diners to dance floors and strip clubs, Cape Henry House proves to be the focal point where everyone convenes. Through laughter, mayhem, drinking, and drama, the group discovers a deeper camaraderie that sees them off as some are sent overseas, others find love, and all are left with lasting memories to cherish for a lifetime.
