The Secret Tradition in Freemasonry and an Analysis of the Inter-relation Between the Craft and the High Grades in Respect of Their Term of Research, Expressed by the Way of Symbolism Arthur Edward

Waite, 1911

The Hidden Secret Power of Freemasonry Robert Kallian, P.M., 2022-08-01 It is entertaining to be antiaEURMasonic and perpetuate conspiracy theories and stories based on satanic worship rather than join Freemasonry or any other private organization primarily structured with improving the individual in society The Masonic term making good men better is the desire of the craft concerning all people living in a multicultural society to better themselves This is masonry in a nutshell To achieve this betterment takes a great deal of work and selfaEURintrospection which the critics of the craft refuse to endure and fail to examine the important historical esoteric symbols associated with the craft This book is dedicated toward neutralizing such superficial negative ideology pursued by critics who have a personal interest in negating the significant works of the greatest fraternal organization in the world Contained herein are chapters on women in Freemasonry the Catholic Church and Freemasonry which contains an addendum relating to over one hundred cardinals and bishops who under pseudonyms were Freemasons a chapter on the 133rd Psalm providing a line aEURby aEURline interpretation of a work which provides the important ideological humanistic basis for both society and Freemasonry with an important chapter analyzing the final end aEURperiod of a man s life as it related to Ecclesiastes Chapter 12 Men join Freemasonry because in their hearts they seek to improve themselves In a reality any can start living as principled individuals exercising the same values without being a Freemason All that is required is desire and work effort with a foundation from the Holy Bible to betterment of himself However the Masonic Craft assists an individual in this journey by providing defined structure support and a roadmap that helps focus the advancement and as such increases the probability of a successful outcome Freemasonry centers on learning how to charge one s self with thought and physical conduct However in order to improve one must read study and understand the true nature of reality in life buttressed by the role of oneself and those with which one socializes This philosophy underlines why the most important virtues of Freemasonry are symbolic and teach us to be better humans Freemasonry gains its structure and foundation through an inherent love of an adherence to the Holy Bible and would not exist without that devotion The foundation of Masonry is predicated on the fact that the craft and the Bible are intricately interconnected just as other holy books around the world are central to their Freemason organizations Much of Masonry s symbolism is taken from biblical sources especially Genesis and the stories surrounding the

building of King Solomon's temples Great emphasis is placed on the development of moral and ethical virtues and the building of character with truth being the guiding principle of our lives Thus brotherhood and charity are natural outcomes and further define one of Masonry's major tenets Masonry uses proven methods to enhance the lives and spirits of members in a tangible way In every Masonic lodge upon its altar there is a Holy Bible supporting the square and compasses This old familiar book so beloved by so many generations is our Volume of the Sacred Law and represents the Great Light in Freemasonry The Bible is open when the lodge opens the Bible is closed when the lodge closes No lodge can transact its own business much less initiate candidates into the mysteries of the craft unless the Book of Holy Law lies open upon its altar It is the true responsibility of each individual Mason to seek out and understand the true nature of reality through the teachings of Freemasonry discovered in the symbols of the craft The individual must learn to recognize and interpret the footprints of the deity and the sublime methods that he uses to reveal his message So mote it be May the mystery begin **Secret Ritual and Manhood in Victorian America** Mark Christopher Carnes,1989-01-01 In this study of American 19th century secret orders the author argues that religious practices and gender roles became increasingly feminized in Victorian America and that secret societies such as the Freemasons offered men and boys an alternative male counterculture Secret Tradition in Freemasonry Arthur Edward Waite,2010 *The Mysteries of Free Masonry* William Morgan,2023-11-13 In *The Mysteries of Free Masonry* William Morgan delves into the enigmatic world of Freemasonry during the early 19th century employing a straightforward yet compelling narrative style The book offers a critical examination of the rituals symbols and philosophical underpinnings associated with Masonic practices positioning itself within a broader discourse on secret societies and societal ethics of the time Morgan's work is not merely an exposé it reflects the tension between Enlightenment ideals and the mysterious allure of esoteric traditions making it a significant text for understanding the cultural landscape of the period William Morgan an American stonemason became profoundly intrigued by the secrecy surrounding Masonic practices after becoming a member himself His personal experiences and disillusionments prompted him to reveal what he believed were the concealed truths and contradictory doctrines of Freemasonry Tragically this quest for transparency culminated in his mysterious disappearance adding a layer of intrigue and danger to his narrative which continues to fascinate scholars and laypeople alike This book is an essential read for anyone interested in the intersections of secrecy power and philosophy in early American history Morgan's revelations challenge readers to consider the role of secrecy in shaping societal morals and underscores the enduring legacy of Freemasonry in American culture **A Study in American Freemasonry** Arthur Preuss,1908 **Symbolism of Freemasonry** Jirah Dewey Buck,1925 A Letter on the Antichristian character of Freemasonry to the Rev. powerful in Rome So disgustingly licentious hypocritical and demoralizing are nearly all of their precepts that it was found impossible to put many of them in print except in a dead language Clericalism Ultramontaniam and Jesuitism are one and the same thing Catholicism The knowledge possessed by the Secret Schools whether Magian Egyptian or Jewish was derived from both sides of the Himalayas In the pre Edenic epoch to feed the hungry give drink to the thirsty clothe the naked bury the dead formed the first duty of a pious man But in recent times the spirit became too deeply buried under physical clothing to reassert its inherent purity and potency Adulterous Catholic priests are licensed to murder husbands and commit parricide A man in the Catholic communion may do what the common law and public morality stamp as criminal and still continue in the odour of Jesuitical sanctity With what disgust may we now turn from this religious farce called modern Christianity to the noble faiths of old By Christianity we do not mean the teachings of Christ but those of his alleged servants the clergy The Egyptian Funeral Ritual was divinely inspired for it is Thoth the Deity itself that reveals to the elect the will of God and the arcana of divine things In the Egyptian notions as in those of all other faiths founded on esoteric philosophy man was not merely as with the Christians a union of soul and body his dual nature was made a trinity by the spirit glittering at the apex of physical perfection The initiates of all countries had the same mystery name Woe for the living Dead there is no hope for the spiritually dead for his glorious Augoeides have left him forever The terrible implications of this second death become apparent when the Higher Ego has severed its links with its lower but totally unworthy agent thereby any communication between the two is permanently lost And any spiritual impulses from the Higher that may have previously benefitted an individual are now discontinued Scepticism may sneer faith based on knowledge and spiritual science believes and affirms Our present cycle is pre eminently one of such soul deaths Since the sad catastrophe of the Templars no Lodge in Europe still less in America has ever known anything worth concealing The accusations against Masons have been mostly half guess work half unquenchable malice and predetermined vilification The accusations of J B Robertson levied against Masons are as malicious as they are absurd However professedly the teacher of true ethics Freemasonry has been debased into a propaganda of anthropomorphic theology Oaths will never be binding till each man will fully understand that Humanity is the highest manifestation on earth of the Unseen Supreme Deity and each man an incarnation of his God No oath is now binding unless taken by one who without any oath at all would solemnly keep his simple promise of honour Christianity has only served to show how much more hypocrisy and vice its teachings have begotten in the world since its advent and how immensely superior were the ancients over us in every point of honour There are no longer any secrets left unpublished the Order is degenerating into a convenience for selfish men to use and bad men to debase The Roman Catholics and some of the Reformed Presbyterians are our formidable enemies says Brigadier General Albert Pike Masonry instead of unfolding progressively with the intellectual advancement of scientific knowledge and general intelligence has departed from the original aims of the fraternity and is apparently inclining towards a sectarian society It is but a toy to feed the vanity of a few

leaders who rejoice in ribbons and regalia Its authority as false as its antiquity The Temple was the last European secret organization which had in its possession some of the mysteries of the East It is through them that modern Masons have all they know of importance and the similarity now found between the Speculative Rites of antiquity the mysteries of the Essenes Gnostics Hindus and the highest and oldest of the Masonic degrees well prove the fact However no one could ever lay hands on the Rosicrucians their true aims are to this day a mystery Modern Masonic Templarism was hatched in a Jesuit College The present day Templars adhering strictly as they do to the Bible can hardly claim descent from those who did not believe in Christ as God man or as the Saviour of the world True hearted honest Masons ought to reject with horror any connection with the spurious Order of Malta A Templar Prince the last depository of the secrets of the true Knights Templar was poisoned by pseudo Templars Modern Templars are mere magpies in peacock s plumes The Jesuits had accomplished but one of their designs i e denaturalizing and bringing into disrepute the Masonic Institution Having succeeded as they believed in destroying it in one form they were determined to use it in another Like Christianity Freemasonry is a corpse from which the spirit long ago fled The Word is no longer possessed by today s Masons There now follows a High Mason s strictures upon Masonry Clogged up as the Order has been by the rubbish and drift of absurd biblical legends it is no wonder that its usefulness has been impaired and its work as a civilizer hampered The temple at Jerusalem which recent arch ologists have shown to be a structure with nothing like the pretended antiquity of its erection and incorrectly called after a monarch whose name proves his mystical character Sol Om On the name of the sun in three languages plays a considerable share in Masonic mystery That bastard foundling of Freemasonry the Ancient and Accepted Scottish Rite which is unrecognized by the Blue Lodges was the enunciation primarily of the brain of the Jesuit Chevalier Ramsay Notwithstanding its many faults for speculative Masonry is but human and therefore fallible there is no institution that has done so much and is yet capable of such great undertakings in the future for human religious and political improvement But the sectarian Christian spirit in Masonry must be put down The Temple of Solomon is only an allegory The real temple can be reared without the sound of the hammer or any tool of iron being heard in the house while it is in building Throughout the countries of the Orient wherever magic and the wisdom religion are studied its practitioners and students are known among their craft as builders for they build the temple of knowledge of secret science Having acquainted himself with its mysterious contents which revealed to him the mysteries of creation the initiated became a builder himself for he was made acquainted with the geometrical figure on which the universe was built That we may not be accused of vain boasting we shall now give the keys to several of the secret ciphers of the most exclusive and important of the so called higher Masonic degrees Various hitherto secret ciphers hieroglyphs and examples of Jesuit cryptography are also revealed Jehovah is not the sacred name at all It is simply a fancy and a perversion of the Holy Name He is neither the deity worshiped by Moses nor the Father of Jesus not even the Ineffable Name of the Kabbalists He is an androgyne secondary deity But we are quite ready to show to the Lord

God of Israel the same respect as we do to Brahm to Zeus and to any other secondary deity The archaic wisdom religion or the Secret Doctrine embodied in the Oriental Kabbalah did not die out with the Philaletheians of the last Eclectic school Gnosis lingers still on earth and its votaries are many albeit unknown Even the Copts the sole remnants of the true Egyptian race remain silent Had the keys to the hieratic writings and the secret of Egyptian and Hindu symbolism been known to the Christian Fathers they would not have allowed a single monument of old to stand unmutilated Many are the candidates at the doors of those who are supposed to know the path that leads to the secret brotherhoods The great majority are refused admittance for the Rosy Crux becomes is not made
