**REFLECTIONS OF A "B"- MOVIE JUNKIE** Jim Driscoll,2008-12-30 Reflections Of A B Movie Junkie is a tribute to the old B Movies of the Saturday Matinees of yesteryear Actually it is more of a homage to them or at least 6 genres of those film types that were so prevalent back in primarily the 40 s and 50 s Their research and discussion however in some instances dates all the way back to the beginning of the talkies of motion picture content and can extend in the other direction into the early 70s These 6 genres include the popular B Western The Comedy Teams The Jungle Adventures Sci Fi Fantasy Horror and the Serial or Chapter Plays so popular with the week end Matinee crowds back then These film types filled up our Saturday afternoons and evenings with exciting adventure curious wonder spine tingling horror and non stop action Often filmed on a shoe string budget and in a limited time frame many of these classics came to be looked upon by many fans as being so truly bad that they were good in a bad sort of way They are thus categorized reviewed and discussed for the most part in a lovingly personal style especially when compared to the film types we are subjected to in today s market They had their place in film history and that time is long since gone But for some of us they have never been equaled which for others may indeed be a good thing

**The Worst We Can Find** Dale Sherman,2023-06-15 Had you tuned in to the small television station KTMA on Thanksgiving Day 1988 you would have been one of the few witnesses to pop culture history being made On that day viewers in and around St Paul Minnesota were treated to a genuine oddity in which a man and his robots trapped within a defiantly DIY sci fi set cracked jokes while watching a terrible movie It was a cockeyed twist on the local TV programs of the past in which a host would introduce old cheaply licensed films And though its origins may have been inauspicious Mystery Science Theater 3000 captured the spirit of what had been a beloved pastime for generations of wags wiseacres and smartalecks and would soon go on to inspire countless more The Worst We Can Find is a comprehensive

history of and guide to MST3K and its various offshoots including Rifftrax Cinematic Titanic and The Mads Are Back whose lean crew of writers performers and puppeteers have now been making fun of movies for over thirty years It investigates how riffing of films evolved recounts the history of these programs and considers how a practice guaranteed to annoy real life fellow moviegoers grew into such a beloved long lasting franchise As author Dale Sherman explains creative heckling has been around forever but MST3K and its progeny managed to redirect that art into a style that was both affectionate and cutting winning the devotion of countless fans and aspiring riffers
