The Last Best of All Times Robert A. Semenza, 2007 Robert Semenza has always considered himself fortunate to have been brought up in what may have been in his mind the last best of all times an era that spanned only a little more than a decade and a half from the early forties to the midfifties from World War II to the Korean police action from FDR to Harry the buck stops here Truman to Ike He was even more blessed to be raised in an environment where he was surrounded by a wealth of love and warmth from our parents and a seemingly unlimited number of relatives and piasians however the adults in our lives were there only when we needed them sort of a Charlie Brown type of existence but without his anxiety He felt that all his wonderful memories would be lost forever and wanted to preserve them for the generations to follow His tale is told in a self-effacing way and from the perspective of a young boy being raised in the West a neighborhood in New Rochelle New York of Italians and colored people you never called them blacks or African Americans unless you were prepared for a fight and the rest of civilization referred to simply as the Americans It tells of his Tom Sawyer Huck Finn type of youthful adventures and mishaps centered around a cast of colorful and unforgettable characters that roamed the streets of the West from the likes of the Goat Man who would proudly parade his goats down Union Avenue and whose route was undeniably marked by a trail of small round soft black pellets which the goats expelled as they merrily strolled to their noonday repast presumably to make more pellets to the Iron Horse to Louie Chicken Breast and to a whole host of other characters As he explains they were just there and accepted as they were except that they like everyone else in the neighborhood had a nickname which was generally linked to their physical appearance which in each case was obvious He has attempted the impossible task of trying to list all of these nicknames his nickname was Chesty the reader will learn why His personal memories transport the reader back to that time and to his boyish recollections of his family the school the church the Boys Club the games they invented and the special joys brought by each season of the year www.readerscircle.org

War Noir Sarah Trott, 2016-11-03 The conflation of the hard-boiled style and war experience has influenced many contemporary crime writers particularly in the traumatic aftermath of the Vietnam War Yet earlier writers in the genre such as Raymond Chandler remain overlooked when it comes to examining how their war experience affected their writing Sarah Trott corrects this oversight by examining Chandler alongside the World

War I writers of the Lost Generation as well as highlighting a melding of very different styles in Chandler's work. Based on Chandler's experience in combat, Trott explains that the writer created detective Philip Marlowe not as the idealization of heroic individualism as is commonly perceived but instead as an authentic individual subjected to very real psychological frailties from trauma during the First World War. Inspecting Chandler's work and correspondence indicates that the characterization of the fictional Marlowe goes beyond the traditional chivalric readings and can instead be interpreted as a genuine representation of a traumatized veteran in American society. Substituting the horror of the trenches for the corruption of the city, Chandler formed a disillusioned protagonist in an uncaring America. Chandler did so with the sophistication necessary to straddle genre fiction and canonical literature. The sum of this work offers a new understanding of how Chandler uses his war trauma, how that experience established the traditional archetype of detective fiction, and how this reading of his fiction enables Chandler to transcend generic limitations and be recognized as a key twentieth-century literary figure.

A Season in Dornoch Lorne Rubenstein, 2002-01-25. The town of Dornoch, Scotland, lies at nearly the same latitude as Juneau, Alaska. A bit too far removed for the taste of the Royal and Ancient Golf Club of St. Andrews, the Royal Dornoch Golf Club has never hosted a British Open but that has hardly diminished its mystique or its renown. In an influential piece for *The New Yorker* in 1964, Herbert Warren Wind wrote, "It is the most natural course in the world. No golfer has completed his education until he has played and studied Royal Dornoch. If any town in the world deserves to be described as the village of golf, it's Dornoch. You can take the legendary links away from St. Andrews and you'll still have a charming and beautiful university town with great historic significance; take the links away from Dornoch and it would be as little noted or known as its neighbors, Golspie, Tain, and Brora. The town is forty miles north of Inverness, generally thought of as the northernmost outpost of civilization in Scotland. The game has been played in Dornoch for some four hundred years. Its native son, Donald Ross, brought the style of the Dornoch links to America, where his legendary classic courses include Pinehurst 2, Seminole, and Oak Hill. Lorne Rubenstein decided to spend a summer in Dornoch to clear the muddle from his golfing mind and to rediscover the natural charms of the game he loves. But in the Highlands, he found far more than bracing air and challenging greens. He found a people shaped by the harshness of the land and the difficulty of drawing a living from it, and still haunted by a historic wrong inflicted on their ancestors nearly two centuries before Rubenstein met many people of great thoughtfulness and spirit, eager to share their worldviews, their life stories, and a wee dram or two. And as he explored the empty, rugged landscape, he came to understand the ways in which the thorny, quarrelsome qualities of the game of golf reflect the values, character, and history of the people who brought it into the world. *A Season in Dornoch* is both the story of one man's immersion in the game of golf and an exploration of the world from which it emerged. Part travelogue, part portraiture, part good old-fashioned tale of matches played and friendships made, it takes us on an unforgettable journey to a marvelous, moody, mystical place."
