The Spirit and the Secular Phil William Zarns,2021-03-31 How does one make disciples and plant the church in a secular environment Does it take technical production Is a great venue or mother church necessary Does it take a well networked team Tangible factors such as these are easily remedied by consulting seasoned church planting experts Yet what if some obstacles to plant the church aren t tangible at all The Spirit and the Secular examines the ways that Spirit led Christians trust the Holy Spirit while church planting amidst a secular cultural backdrop A review of Luke and the Acts of the Apostles traces a Spirit led Christ and Spirit led church as they make disciples To better discern the challenge of what it means to be a contemporary church planter in Sweden a historical review of Swedish culture reveals the rise of secularism alongside of the flourish of the Pentecostal church of the 1900s What follows is a groundbreaking fieldwork study using a current investigative interview method Q Methodology measuring the perceptions of thirty church planters in Sweden who reveal their collective ideal and differing practices The study wraps with a comprehensive analysis grounding the research in a theory of Spirit led church planting

Divine Healing: The Years of Expansion, 1906-1930 James Robinson,2014-05-07 In the present volume James Robinson completes his trilogy which deals with the history of divine healing in the period 1906 1930 The first volume is a study of the years 1830 1890 and was hailed as a standard reference for years to come The second book covers the years 1890 1906 and was acclaimed as a monumental achievement that combines careful historical

scholarship and a high degree of accessibility This volume completes the study up to the early 1930s and like the other two works has a transatlantic frame of reference Though the book gives prominence to the theology and practice of divine healing in early Pentecostalism it also discusses two other models of healing the therapeutic and sacramental promoted within sections of British and American Anglicanism Some otherwise rigorous Fundamentalists were also prepared to practice divine healing The text contributes more widely to medical and sociocultural histories exemplified in the rise of psychotherapy and the cultural shift referred to as the Jazz Age of the 1920s The book concludes by discussing the major role that divine healing plays in the present rapid growth of global Christianity

Spirit Hermeneutics Keener, 2016 How do we hear the Spirit's voice in Scripture Once we have done responsible exegesis how may we expect the Spirit to apply the text to our lives and communities In Spirit Hermeneutics biblical scholar Craig Keener addresses these questions carefully articulating how the experience of the Spirit that empowered the church on the day of Pentecost can and should dynamically shape our reading of Scripture today Keener considers what Spirit guided interpretation means explores implications of an epistemology of Word and Spirit for biblical hermeneutics and shows how Scripture itself models an experiential appropriation of its message Bridging the Word Spirit gap between academic and experiential Christian approaches Spirit Hermeneutics narrates a way of reading the Bible that is faithful both to the Spirit inspired biblical text and the experience of the Spirit among believers from book flap
